#### **Summary**

Over one-hundred residents of 128 Sheridan Avenue have raised accessibility concerns regarding the July 2020 installation and expansion of the Bike Share station at 128 Sheridan Avenue. Given the high volume of seniors residing at this location, there are concerns that this station prevents safe access to their homes. This Motion intends to ensure Bike Share has the tools and resources required for a timely and appropriate relocation of this station while maintaining the important and convenient service it provides to the surrounding community.
