Queen Street West - Lane Designation - by Councillor Joe Cressy, seconded by Councillor Mike Layton

This Motion has been deemed urgent by the Chair.

This Motion is not subject to a vote to waive referral. This Motion has been added to the agenda and is before Council for debate.

Recommendations

Councillor Joe Cressy, seconded by Councillor Mike Layton, recommends that:

1. City Council amend the existing lane designation on the northerly curb lane on Queen Street West, from Ossington Avenue to a point 30.5 metres east, for westbound right turns only, to exclude buses.
2. City Council amend the existing lane designation on the southerly curb lane on Queen Street West, from Shaw Street to a point 30.5 metres west, for eastbound right turns only, to exclude buses.

Summary

The westbound curb lane on Queens Street West, east of Ossington Avenue and the eastbound curb lane, west of Shaw Street currently operate as right-turn lanes. The Toronto Transit Commission has reported that they are running a bus replacement service on Queen Street West and the buses that serve the nearside stops have to go straight through these intersection, and requested that the lane designations be changed to exclude buses.

This Motion is urgent to immediately support existing Toronto Transit Commission operations on Queen Street West.
