

## **Modernizing Chapter 489, Grass and Weeds to Streamline Processes and Support Biodiversity**

IE23.11

May 20, 2021

Nancy Martins  
10th floor, West Tower, City Hall  
100 Queen Street West  
Toronto, ON M5H 2N2

Dear Ms. Martins,

Please include these comments on this item, IE23.11.

We applaud the proposed changes to the Grass and Weeds By-law. We believe the new version supports increased biodiversity in Toronto while still respecting safety concerns.

We are also grateful for the opportunity to express our views at the consultation phase. We believe that we can improve our City if we all work together.

Sincerely,  
Toronto Nature Stewards
