

## 2025 Interim Solid Waste Management Services Rates and Fees

**Date:** November 26, 2024

**To:** Executive Committee

**From:** Chief Financial Officer and Treasurer and General Manager, Solid Waste Management Services

**Wards:** All

### SUMMARY

---

This report recommends the adoption by City Council of interim 2025 Solid Waste Management Services (SWMS) Rates and Fees as set out in this report. The adoption of these interim rates and fees is requested in advance of the 2025 Tax and Rate Supported Operating and Capital Budgets to establish these interim rates and fees and provide City staff with the necessary authority to implement them effective January 1, 2025.

City Council may amend the interim rates when the 2025 Tax and Rate Supported Operating and Capital Budget is approved, which is expected in February 2025.

This report recommends an interim 3.75% increase in SWMS rates and fees effective January 1, 2025. The recommended increase, shown in Table 1 below by customer grouping, will allow Solid Waste Management Services to maintain all current service levels and address future capital needs.

Table 1: Interim Solid Waste Management Services Rates and Fees effective January 1, 2025

| Customer Group  | Interim Rate Increase | Comments   |
|---|-----------------------|--|
| Multi-Residential   | 3.75%                 | Maintain service levels and fund Capital Program |
| Single Family and Residential Units Above Commercial (RUAC) | 3.75%                 | Maintain service levels and fund Capital Program |
| Bag Tags, Bin Purchase                                      | 3.75%                 | Maintain service levels and fund Capital Program |
| Commercial, Divisions, Agencies and Corp., Schools          | 3.75%                 | Maintain service levels and fund Capital Program |

## **RECOMMENDATIONS**

---

The Chief Financial Officer and Treasurer and the General Manager, Solid Waste Management Services recommend that:

1. City Council adopt, effective January 1, 2025, the interim Solid Waste Management Services Rates and Fees as summarized by customer group in Appendix A and detailed in Solid Waste Management Services Municipal Code Chapter 441 in Appendix B.
2. City Council authorize that the necessary amendments be made to the Municipal Code Chapter 441 – Fees and Charges, and any other necessary Municipal Code Chapters as may be required to give effect to these Recommendations.
3. City Council authorize the City Solicitor to introduce any necessary Bills required to give effect to City Council's decision and authorize the City Solicitor to make any necessary refinements, including stylistic, format and organization, as may be identified by the City Solicitor, the Chief Financial Officer and Treasurer, and the General Manager, Solid Waste Management Services.
4. City Council direct that all the interim rates, fees and charges set out in Appendix A to this report, adopted by Council in Recommendation 1 and 2 above, continue in full force and effect until such time as they are amended or repealed by City Council.

## **FINANCIAL IMPACT**

---

Solid Waste Management Services is a utility funded program that recovers program costs from a combination of user fees and rates, other charges, and an agreement to provide recycling collection services on behalf of producers during the Extended Producer Responsibility transition timeframe (July 1, 2023, to December 31, 2025).

The 2025 interim rate increase of 3.75% provides funding to support Solid Waste Management Services operations and capital projects as well as waste diversion and reduction initiatives. Consideration during the 2025 budget process may result in amendments being made by City Council to the interim rates and service fees.

The interim 3.75% utility rate increase for 2025, as summarized by customer group in Appendix A, is recommended to maintain the contribution to the Waste Management Reserve fund and to finance future capital investments, which include the development of increased organics processing capacity, landfill gas utilization initiatives, Long-term Residual Waste Disposal options and the Dufferin Waste Facility Site Improvement project.

The proposed interim SWMS increase of 3.75%, if approved by City Council, is anticipated to generate approximately \$13.400 million in additional revenue for SWMS operational and capital program needs. SWMS will continue to assess the projected future annual rates and increases on an annual basis to ensure that service levels and funding for the 10-year Capital Budget and Plan are able to be sustained.

While the impact of the proposed 3.75% rate increase will vary by customer depending on property type and bin size, for a residential property with a medium size bin the 3.75% rate increase will reflect added costs of \$13.44 for the year.

## **DECISION HISTORY**

---

At its meeting on December 13, 2023, City Council adopted, effective January 1, 2024, the interim Solid Waste Management Services rates, and fees. The 2024 Interim Solid Waste Management Services Rates and Fees report, adopted by City Council, can be viewed at: [Agenda Item History - 2023.EX10.5 \(toronto.ca\)](#)

At its meeting on February 14, 2024, City Council adopted, effective January 1, 2024, the Solid Waste Management Services rates, and fees to be charged, concurrently with the 2024-2033 Solid Waste Management Service Capital Plan and the 2024 Operating Budget. The 2024 Interim Solid Waste Management Services Rates and Fees report was adopted by City Council and was approved last year by the Property Taxes, User Fees and Related Matters report which can be viewed at: [Agenda Item History - 2024.CC15.1 \(toronto.ca\)](#)

## **COMMENTS**

---

### **ISSUE BACKGROUND**

Since Bill 3 amended the City of Toronto Act to provide for the Mayor to present the City's annual Operating and Capital Budgets to City Council no later than February 1. Solid Waste Management Services rates and service fees are subject to Council's approval of the annual budget in February. City staff are recommending the adoption of the proposed 2025 interim Solid Waste Management Services rates and service fees, effective January 1, 2025, in advance of the 2025 Tax and Rate Supported Operating and Capital Budgets going to City Council in February, to allow the new rates and fees to become effective on January 1, 2025

The 3.75% interim rate increase for 2025 is recommended to maintain all current service levels and the contribution to the Waste Management Reserve fund in line with SWMS current year forecast to finance future capital investments.
