ARTICLE II
Prohibited or Regulated Activities

§ 743-2. Sale of event tickets.

[Amended 2004-04-16 by By-law No. 274-2004]

No person shall use or occupy a street for the purposes of the sale, or offering for sale, of event tickets.

§ 743-3. Publication dispensing boxes.

[Added 2005-12-07 by By-law No. 1070-2005⁴]

- A. No person shall place, install or maintain an installation on, along or in a City street unless the person has:
- (1) Complied with the requirements of this section;
 - (2) Obtained all applicable permits required by the City;
 - (3) Paid all applicable fees as required by the City;
 - (4) Submitted applicable evidence of required insurance; and
 - (5) Entered into and is in compliance with an agreement.
- B. All previous agreements pertaining to the placement, installation and maintenance of installations entered into prior to the date that this section is enacted are deemed to be null and void effective October 1, 2006, and all persons holding a permit for an installation shall enter into a new agreement as required under this section by that date. All installations shall be brought into compliance with this section by October 1, 2006, unless otherwise specified in this section.
- C. Application for a permit.
- (1) Any owner of a publication or the authorized agent of an owner of a publication who wishes to place, install or maintain publication dispensing boxes, units or kiosks on, along or in a City street shall submit an application to the General Manager on the prescribed form at least eight weeks prior to the proposed date for the placement of the installation, including the following:

⁴ Editor's Note: Section 2 of this by-law provided for the repeal of the following by-laws: By-law No. 1-87, as amended, To permit newspaper boxes on untravelled portions of the street (East York); Section 3A of By-law No. 3343-79, as amended, Respecting streets in the borough of York (York); By-law No. 11683, as amended, With respect to newspaper boxes in the Township of Scarborough (Scarborough); By-law No. 31680, as amended, Respecting the leasing and licensing of municipal boulevards for the purposes of the location of newspaper vending boxes (North York); Municipal Code Chapter 171, Newspapers (Etobicoke); and Section 313-44 of Municipal Code Chapter 313, Streets and Sidewalks (Toronto). Section 3 of this by-law stated that, despite Section 2 above and consistent with § 743-3I(1), the annual fee requirements contained in the by-laws listed in Section 2 shall continue in force until December 31, 2005.

- (a) Name, address and telephone number of the applicant and any other person who may control the installation;
 - (b) Location where each installation is to be placed, which shall be in compliance with the requirements set out in § 743-3G;
 - (c) The name of the publication(s) to be offered for distribution;
 - (d) Two coloured drawings or photographs of the proposed installation, clearly showing height, width and depth dimensions;
 - (e) Description of the material from which the installation is constructed and the door closure mechanism; and
 - (f) Certification of the recycled fibre content of the publication to be dispensed.
- (2) All installations shall be constructed of durable material satisfactory to the General Manager.
 - (3) No person shall sell or dispense, or permit the sale or dispensing of, any item from a publication dispensing kiosk other than one or more publications.
 - (4) No application will be accepted after September 8, 2004, for a permit for the placing or installation of new installation, provided that this will not apply to prevent the placing or installation of these structures by or on behalf of the City under a consolidated street furniture program.
 - (5) The moratorium on the acceptance of applications under Subsection C(4) for the placing or installation of new publication dispensing boxes under Subsection G(4) shall continue until October 1, 2006.
 - (6) Every applicant shall provide and maintain public liability and property damage insurance with an insurer satisfactory to the General Manager naming the City as an additional insured, in an amount not less than \$2,000,000, in a form approved by the Deputy City Manager and Chief Financial Officer, and shall file a certificate of insurance with the application evidencing the form and amount of coverage, a cross-liability/severability of interests clause; a provision that the insurance is primary before the insurance of the City and that the insurer shall provide the City with 30 days' notice of any intention to cancel or not renew the policy.
 - (7) Any application which does not include all of the information, insurance and the applicable fees as required under this § 743-3 at the time that the application is made shall be deemed to be incomplete and shall not be processed until such time as all required information is provided and the fees are paid.

- (8) Prior to issuance of the permit and commencement of placement or installation of the publication dispensing box, unit or kiosk, the applicant shall agree, in a form satisfactory to the City Solicitor, to indemnify and save the City, its elected officials, officers, employees and agents, harmless with respect to any action, cost, claim, loss, injury or damage whatsoever arising from the placement or installation and occupation of the street by the installation.
- (9) Any information submitted as part of an application for a permit which the applicant identifies as proprietary and confidential shall be treated as confidential and, except where required by law, shall not be revealed to any person without the consent in writing of the applicant, until the permit is issued pursuant to § 743-3D or the applicant appeals the decision of the General Manager pursuant to § 743-3F.

D. Issuance of permit.

- (1) Where an application meets the requirements of this section and all applicable fees have been paid, the General Manager shall issue the required permit.
- (2) Subject to Subsections D(4), D(5) and H, a permit issued under this § 743-3 shall be for a term of one year, and shall renew automatically on January 1 of each year provided that the permit holder has paid the fees as required under this section and is not in violation of this section or the agreement.
- (3) A permit issued for an installation shall not be transferred or assigned in any manner whatsoever by the permit holder without the consent of the General Manager. For the purposes of this subsection, “assignment” or “transfer” shall not include a transfer to an affiliate, subsidiary or holding corporation of a corporate permit holder or a change in control of ownership in a corporate permit holder. No assignment shall be permitted under this section, with or without consent, unless the permit holder is in compliance with this section and the agreement and proposed the assignee has first entered into an agreement with the City as required under this section.
- (4) Any permit for an installation may, provided that the permit holder is first given an opportunity to be heard, be suspended or revoked at any time by Council for failure to comply with the provisions of this section or an agreement.
- (5) Despite Subsection D(4), the General Manager may, at the sole expense of the permit holder, require the temporary relocation of an installation or order the temporary suspension or revocation of a permit in the following circumstances:
 - (a) Where required in the interests of pedestrian, vehicular or public safety;

- (b) Where required to accommodate a special event; or
 - (c) Where required to accommodate the installation, construction, maintenance or repair of a street, transit facilities or a public utility or service.
- (6) Neither the City, the Toronto Transit Commission or a public utility shall be responsible for any claim for loss or damage as a result of a relocation, suspension or revocation under Subsection D(4) or (5).
- E. Rejection of permit application.
- (1) The General Manager shall reject an application for a permit where the application for the permit does not comply with the requirements of this § 743-3.
 - (2) The General Manager shall provide an applicant whose application for a permit has been refused with written reasons for the refusal at the time that the applicant is advised of the refusal.
- F. Appeals.
- (1) Any applicant whose application for a permit has been refused may appeal the decision of the General Manager and request to be heard by community council or, where the locations requested fall within more than one community council area, the Works Committee, by filing with the General Manager, within 30 days of the General Manager's written decision, a notice of appeal requesting the right to be heard and including the applicant's contact information, grounds for the appeal and any related submissions.
 - (2) Upon receipt of an appeal notice as set out in Subsection F(1), the General Manager shall prepare and forward a report to community council or Works Committee that shall include:
 - (a) The application;
 - (b) The General Manager's decision and reasons for the refusal to issue the permit; and
 - (c) The notice of appeal.
 - (3) Following receipt of the report prepared by the General Manager, the community council or Works Committee shall provide the applicant with the opportunity to be heard, after which time the community council or Works Committee shall recommend that Council either:
 - (a) Confirm the original decision made by the General Manager;

TORONTO MUNICIPAL CODE
STREETS AND SIDEWALKS, USE OF

- (b) Refer the matter back to the General Manager and direct the General Manager to reconsider the matter having regard to such considerations or directions as the Committee, community council or Council may recommend; or
- (c) Direct the General Manager to issue a permit on such terms and conditions as Council may determine.

G. Requirements.

- (1) No person shall place, install or maintain an installation on any street except in compliance with the provisions of this § 743-3 and the agreement.
- (2) No installation shall be placed, installed or maintained:
 - (a) Within an area comprised of the corner radius of any intersection and an additional two metres measured from the radius along each curb or roadway edge;
 - (b) In any curb cut designed to facilitate access by disabled persons or within one metre of the curb cut;
 - (c) Within any driveway or 0.6 of a metre of any driveway;
 - (d) Within two metres of a fire hydrant or other fire service connection;
 - (e) Within one metre of a traffic signal or other utility pole to which pedestrian activation buttons are attached, decorative street light pole, tree or bicycle ring;
 - (f) Within any bus or streetcar stop, crosswalk or pedestrian cross-over, or in a manner as to interfere with boarding, disembarking, or queuing by transit passengers, or pedestrian movement;
 - (g) On, over or within any part of the travelled surface of the portion of the street, including any curb;
 - (h) Unless a minimum of 2.1 metres of sidewalk width immediately adjacent to the installation is maintained clear of all obstructions and available for uninhibited pedestrian passage;
 - (i) Despite Subsection G(2)(h), where the sidewalk is 1.5 metres or less in width, unless the installation is located on a paved portion of the boulevard and set back a minimum of 0.6 of a metre from the edge of sidewalk so as to create at least 2.1 metres of space clear of all obstructions for uninhabited passage;
 - (j) In a manner that obstructs driver, or pedestrian sight lines, or otherwise compromises public safety;

- (k) Within the area of a semicircle on the entrance side of a transit shelter, or any entrance to the Toronto Transit Commission subway system, having a diameter of no less than the length of the transit shelter or the width of the subway system entrance, so that an unobstructed access to or from the transit shelter or subway system entrance is maintained;
 - (l) On top of, or in a manner that interferes with access to, use of, or causes damage to any utility maintenance hole, vault, pole or other equipment or permitted encroachment;
 - (m) Where placed adjacent to a curb or edge of roadway, any closer than 0.5 metre from the curb face, or any closer than three metres from the edge of roadway on streets without curbs, measured from the side of the box, unit or kiosk closest to the curb or edge of the roadway;
 - (n) On any unpaved surface, lawn, shrub, tree or other landscaping within a boulevard or in a manner so that the placement or use of the installation may damage the boulevard;
 - (o) In a manner such that it is bolted to a sidewalk or other hard-surfaced portion of the boulevard, or chained to a decorative streetlight or utility pole, transit stop poles, or other City street furniture, unless expressly designated for such purpose, or attached with the consent of the owner of the pole or other structure;
 - (p) In a manner that obstructs the sightlines of an advertising or information panel on a transit shelter or other City street furniture element within a minimum distance of 25 metres;
 - (q) Within 3.6 metres of the curb on Yonge Street, from Queen Street to Bloor Street; and
 - (r) On any local street. This does not preclude the placement of the installation at the intersection of a local street and collector, minor arterial or arterial street as set out in the City's road classification system.
- (3) Each licensed installation must have affixed to it and readily visible and legible at all times effective June 1, 2006, the contact name, address, e-mail address (if applicable) and telephone number of the owner, circulation department of the publication owner or person in control of such structure.
 - (4) An installation shall remain situated at the location as approved by the General Manager, and no person shall relocate an installation unless the relocation has been authorized in advance by the General Manager.
 - (5) No more than one installation per publication shall be placed at any one location, and no location shall be positioned less than 40 metres from any

- other location for the same publication, except that this shall not apply to prevent locations at two corners of the same intersection.
- (6) Where multiple publication dispensing boxes are placed at a location, they must be arranged in a single linear pattern, satisfactory to the General Manager and, where a “T-bar” or similar railing device is provided for the express purpose of securing publication dispensing boxes, no box will be permitted at the location unless it is so attached.
 - (7) Any concrete pad, “T-bar” or similar railing device required to be installed for the placement or installation of an installation will be installed by the applicant, at the sole expense of the applicant, to the satisfaction of the General Manager.
 - (8) The maximum dimensions of any publication dispensing box or unit inclusive of any ballast shall be as follows:
 - (a) A height of 1.3 metres from grade;
 - (b) A width of 0.6 of a metre; and
 - (c) A depth of 0.6 of a metre.
 - (9) The dimensions set out in Subsection G(8) shall apply to all applications received under this § 743-3, and shall come into effect on January 1, 2009, with respect to any box or unit for which a permit has been issued as of the date that this § 743-3 comes into force.
 - (10) Subsection G(8) shall not apply to any publication dispensing unit that may be developed and deployed by or on behalf of the City under a consolidated street furniture program.
 - (11) In the event that a publication dispensing unit is deployed by or on behalf of the City under a consolidated street furniture program, no individual publication dispensing box or unit shall be permitted at the same location(s).
 - (12) Every person who owns or controls a publication dispensing box, unit or kiosk shall:
 - (a) Place or install each installation in a manner that will ensure it cannot be tipped over;
 - (b) Provide each installation with a secure self-closing door in good working order at all times to prevent the entry of snow, wind and rain, and to deter litter generation and use of the installation as a garbage receptacle;
 - (c) Maintain each installation in a neat, clean and rust-free condition at all times, including the removal of all graffiti, posters and third party

advertising however affixed to the installation, within 24 hours of becoming aware of the condition; and

- (d) Remove any garbage or litter accumulation in and around the installation within 24 hours of becoming aware of the condition.
- (13) Every person who owns or controls an installation shall regularly monitor the condition and arrange for the pick-up and removal of surplus or stale-dated publications and any associated packaging. No person shall cause or permit these materials to be left in or near the installation, at the curbside or deposited into City litter or recycling receptacles.
- (14) No person who owns or controls an installation permitted under this § 743-3 shall allow the installation to go unstocked with current publications for a period of more than seven consecutive days unless the door of the installation is secured.
- (15) Where an installation is left unstocked for a period greater than 21 consecutive days, the General Manager may require that the permit holder remove the installation at no cost to the City.
- (16) Any installation that has been damaged or vandalised shall be repaired, replaced or removed by the owner or person in control within 48 hours of becoming aware of the condition, provided that where the damage or vandalism causes a danger to the public or property, the owner or person in control shall, upon notice from the General Manager, take immediate action to remedy the unsafe condition.
- (17) No electrical connection shall be permitted to any installation, except where the unit is a component of a City consolidated street furniture program.
- (18) No advertising, notices or signs shall be permitted on an installation other than the name of the publication, price or features contained within or sponsored by the publications, or advertising promotions sponsored by the publication which shall be displayed only on one side of the installation, provided that the restriction of advertising the name of the publication, price or features contained within the publication to one side of the installation shall take effect on January 1, 2009, with respect to any installation for which a permit has been issued as of the date that this § 743-3 comes into force. Despite anything else in this paragraph, third party advertising is expressly prohibited, except where a unit is a component of a City consolidated street furniture program.
- (19) All paper material used in publications dispensed by means of the installations permitted under this § 743-3 shall contain at least 40 percent recycled fibre calculated based on the aggregate weight of recycled fibre content used in the total production of the publication distributed from the installation in City street, provided that this requirement shall not come into effect until June 1,

2006, for those areas of the City not subject to this regulation at the time that this section comes into force.

- (20) A publication dispensing box which otherwise complies with the criteria of this Subsection G shall be located in a position satisfactory to the General Manager, having regard to such matters as the position of any existing installation at the location, the volume of pedestrian traffic at the location, snow removal, sidewalk cleaning and maintenance, vehicular traffic and safety, sight distances and any other public uses of the street in the vicinity of the location.
- (21) The City or any utility may enter the area occupied by an installation for the purpose of doing any work within the street, including the installation or maintenance of utility equipment.
- (22) On or before December 15 of each year, every person who has a permit with the City for the placement, installation and maintenance of one or more installations shall provide, on the prescribed form, to the General Manager:
 - (a) A detailed, accurate, up-to-date inventory of all such structures located on, along and within the City's streets; and
 - (b) Subject to Subsection G(19), written verification of the amount of recycled fibre content comprising the publications placed in the structures for the previous twelve-month period, including confirmation by the paper supplier.

H. Seizure and disposal.

- (1) Any installation that has been placed or maintained contrary to § 743-3 or contrary to any permit or agreement shall be removed by the owner or authorized agent within 48 hours of notification, failing which the General Manager or any person authorized by the General Manager may seize and remove from the street the installation which has been placed or maintained contrary to this § 743-3, or contrary to any permit or agreement, and the General Manager shall store any installation so seized, and shall return any installation to the owner upon the owner paying to the City the costs of removal and storage of the installation, plus administration costs as set out in § 743-3I(4) below. Despite any other provision of this § 743-3, no prior notice shall be required in the event that the installation, in the opinion of the General Manager, poses a risk to public safety.
- (2) The General Manager may dispose of any installation so seized at the expiry of 30 days from the later of the date of seizure of the installation and the date notice of the seizure is given to the owner of the installation.

I. Fees.

- (1) Effective January 1, 2006, the fees (2006) to be paid for the placement and on-going maintenance of a publication dispensing box or unit on a street of the City shall be:
 - (a) \$25, plus GST annually, for the first 100 publication dispensing boxes or units placed and maintained by a licensee; and
 - (b) \$100, plus GST annually, for each additional publication dispensing box or unit placed and maintained by a licensee.
- (2) Where an application is made to the General Manager for an installation under this section, the applicant shall be charged a non-refundable administration, survey and inspection fee (2005) in the amount of \$62.59 per box or unit plus GST.
- (3) The fees (2005) to be paid for the placement and on-going maintenance of a publication dispensing kiosk on a street of the City shall be:
 - (a) The greater of \$280 or \$280 per square metre of street occupied, plus GST annually;
 - (b) Where an application is made to the General Manager for a publication dispensing kiosk under this section, the applicant shall be charged a non-refundable administration, survey and inspection fee in the amount of \$68.27 plus GST per kiosk.
- (4) The fee (2005) to be paid in the event of removal, storage and release by the City of an installation under § 743-3H shall be \$300, plus any applicable taxes, per installation or structure, and must be paid prior to the release of the installation or structure.
- (5) All fees specified in § 743-3I(1), (2), (3) and (4) shall automatically increase on the first day of January in each year by the percentage increase in the All Items Index of the Consumer Price Index (not seasonally adjusted) for the Toronto Census Metropolitan Area, published by Statistics Canada, during the twelve-month period ending October 1 in the year immediately preceding the rate increase date.

§ 743-4. Municipal road damage deposits.

[Added 2006-05-25 by By-law No. 462-2006]

A. No person shall undertake any work unless the person has:

- (1) Obtained all applicable consents and permits required by the City, Province or other regulating body;

- (2) Paid or agreed to pay all applicable fees or deposits, including a municipal road damage deposit as required by the City; and
 - (3) Entered into an agreement where required by the City upon terms and conditions and in a form satisfactory to the General Manager.
- B. Every person who wishes to undertake work shall submit an application to the General Manager on the form prescribed by the General Manager from time to time for authorization to use the City's infrastructure including but not limited to roads, curbs, boulevards and sidewalks in order to access the work, which application shall include the following:
- (1) Name, address, and telephone number of the applicant;
 - (2) Name, address, and telephone number of the owner;
 - (3) Type of work to be performed;
 - (4) Project location, including the address, building permit application number, lot and plan number.
- C. Upon any application being made pursuant to § 743-4B, the applicant shall pay to the General Manager a municipal road damage deposit in the amount specified below:
- (1) Where the work is related to a residential property: \$2,000 per unit; and
 - (2) Where the work is related to a commercial or industrial property: \$5,000 per property.
- D. Permits under § 743-4 and the payment of municipal road damage deposits are not required for work on the following properties:
- (1) Single-family dwellings and commercial/industrial properties where a building permit is requested pursuant to the City's "FASTRACK" program; and
 - (2) Properties where financial securities for street restoration have been secured as part of an authorized development application as defined in this chapter, or other similar agreement with the City.
- E. The amount of the municipal road damage deposits shall automatically increase on the first day of January in each subsequent year by the percentage increase in the All Items Index of the Consumer Price Index (not seasonally adjusted) for the Toronto Census Metropolitan Area, published by Statistics Canada, during the twelve-month period ending on October 1 in the year immediately preceding the fee increase date.

- F. Every person who undertakes work shall ensure that the street is at all times maintained in a condition that allows the safe passage of vehicle and pedestrian traffic.
- G. Every person who undertakes work shall fully restore the street, at no cost to the City, to its pre-construction condition, including boulevard landscaping, within the earlier of:
- (1) Thirty days after the completion of the work; or
 - (2) Two years from the date of deposit of the municipal road damage deposit.
- H. Where the applicant fails to repair the street to its original pre-construction condition within the timelines prescribed by § 743-4G:
- (1) The General Manager is authorized to fully restore the street;
 - (2) The applicant shall be responsible for any cost of repair or clean-up of the street;
 - (3) The General Manager shall deduct the cost of the repair or clean-up from the municipal road damage deposit; and
 - (4) Where the cost of the repair or clean-up exceeds the amount of the municipal road damage deposit, the applicant shall pay the costs owing to the General Manager within 90 days of notification from the General Manager.
- I. If the applicant declines or fails to pay the costs owing within 90 days of notification from the General Manager as provided by § 743-4H, the General Manager is authorized to recover the costs owing by adding them to the tax roll and collecting them in the same manner as taxes.
- J. The General Manager will refund any municipal road damage deposit after completion of the work to which it pertains subject to the following conditions:
- (1) The applicant who paid the municipal road damage deposit or his or her authorized agent must make an application in writing to the General Manager requesting the refund;
 - (2) The application in writing requesting the refund of the municipal road damage deposit must be submitted to the General Manager within two years from the date on which the municipal road damage deposit was made; and
 - (3) The sum refunded will be equal to the municipal road damage deposit less any costs incurred by the City for any required repair pursuant to § 743-4H.
- K. Despite § 743-4G(2), if the completion of the work takes longer than two years from the date that a municipal road damage deposit was deposited with the City, the
