

### **Canadian Urban Institute:**

Canadian Urban Institute (CUI) staff geared up with gloves, garbage bags and a strong sense of community, to help improve Toronto's livability. As part of the City's 2010 20-Minute Makeover event, four garbage bags of litter were collected from the streets, sidewalks and alleys between Bathurst St. to Portland Ave., and from Adelaide St. up to Queen St. W. Supporting community-based environmental initiatives such as these falls in line with CUI's mission to improve the quality of life in urban regions in Canada and around the world. Exciting finds included cigarette butts, used tissues, and food waste!

The property surrounding the Factory Theatre benefited from the team's efforts.

Gardens are no place for litter!

Canadian Urban Institute staff proudly show off their clean haul.
