

Commitment to CARE

LONG-TERM CARE HOMES								COMMUNITY BASED PROGRAMS
All homes offer dementia care, Gentlecare™, physiotherapy, occupational therapy, dental care, optometry, complementary care, art and music therapy, community outreach including volunteer programs, spiritual and religious care, and formal advocacy program.								<p>We ensure vulnerable populations, especially frail seniors receive care whenever possible at home and aim to improve and/or maintain functional independence and quality of life.</p> <p>Adult Day Program offers a variety of quality activities and services in a safe and supportive environment for individuals who have cognitive impairment or are socially isolated. The program is offered at four sites and provides 12,500 client days of care per year.</p> <p>Homemakers and Nurses Services offers light housekeeping, laundry, shopping, and meal preparation to 2,300 individuals, who qualify under a functional and financial needs assessment, to remain in their own homes and community.</p> <p>Supportive Housing Services provides 24 hour assistance with personal care, light housekeeping and laundry, medication reminders, security checks and light meal preparation to eligible clients in a number of locations across the City. In addition, our commitment to wellness and health promotion is a hallmark of the program with an on-site Registered Practical Nurse (RPN) at each of the City-wide locations assisting 450 clients maintain their independence.</p> <p>Meals on Wheels providing 2,400 meals per week distributed from five sites.</p>
