Registration

Registration for all ski and snowboard programs begins September 10.

See pages 7-8 for How to Register.

Package Options

When registering please select one of the two packages:

Package A – Lessons only (includes lift access during lesson time only). Helmet not included.

Package B – Lessons and full set of rental equipment for use during lesson time only (includes lift access during lesson time only). Helmet included.

Note: If a program does not have a Package B code listed, it means that rental equipment is NOT available on that day/time.

Lesson Information

Helmets are required for all program participants. See page 81 for details.

❖ Participants should follow the STEP levels to ensure optimal progression. Skipping levels is not permitted as essential development of ski and snowboard skills will be missed.

❖ Students progress at different speeds, as a result placement and movement of students may occur during the first three sessions.

❖ It is strongly recommended that if a lesson is missed (due to personal reasons), the student must practice or schedule a private lesson (at their own cost) to ensure they do not fall behind their group's ability level.

❖ Centennial Park Snow Centre does **not** offer make up classes for lessons missed for personal reasons.

❖ All children must be picked up by their parent/guardian at the end of their lesson.

There is absolutely no extended time on equipment rental or lift access after the end of a lesson.

❖ Program start times may be altered, cancelled or rescheduled due to weather, snow conditions or instructor availability.

❖ Parent/guardian must stay on the premises during lessons.

Lesson Tag Pick-up & Equipment Fitting

Upon registering for a program or set of private lessons, every participant must attend one of our Lesson Tag Pick Up & Rental Equipment Fitting Days. **All participants must have a Lesson Tag in order to participate in their lesson.** This will be issued once a waiver is signed in person by a parent/guardian at Centennial Park Snow Centre. All participants renting equipment must also be properly sized for skis or snowboards to help to eliminate size changes the first day of lessons. Parents or Guardian of participants under 18 years of age must be present on this day, in addition to each participant.

We do not recommend that you wait until the first class to pick up your Lesson Tag or get fitted for rental equipment. You will miss your first class as well as cause a delay for others.

Schedule:

Starting December 1:

Mon-Fri 9AM-8PM, Sat 10AM-2PM,
Sun 12NOON-4PM

*If you are unable to pick up your Lesson Tag on the specific days please come during regular business hours Monday to Friday 9AM-4PM prior to December 1.
