

# North York District Fall 2011 and Winter 2012 Camps

## Friendships Start Here!

During the school breaks, instead of sitting at home in front of the television or chatting online for hours why not join the fun and excitement in one of our great programs? Depending on the age groups and locations, participants can enjoy arts, crafts, music, drama, sports and games. Some locations offer specialty activities such as cooking, video, bocce, skating and trips. For specific activities, contact the location you are interested in.

**Please note that some programs may have an additional fee for materials or supplies. Contact the program location for specific details.**

### Holiday and March Break Skating

Many rinks and arenas offer additional public skating times during the school breaks. Skating on your own, with friends or family is a great way to be active and have fun. Visit [toronto.ca/parks/skating](http://toronto.ca/parks/skating) for details.

City of Toronto is a registered organization with nationally recognized HIGH FIVE®. HIGH FIVE® is Canada's only comprehensive quality standard for children's sport and recreation programs. HIGH FIVE® identifies five principles of healthy child development that are essential for quality programs: a caring adult, the opportunity to play, make friends, master skills and participate. HIGH FIVE® training, resources, policies and procedures and evaluative processes have been developed to empower organizations to focus on the elements that impact healthy child development and to instill quality in sport and recreation programming for children.

Research shows the experiences children have in recreation and sport at an early age carry a life long impact of becoming caring adults who contribute more effectively to the community.

# Parks & Horticulture

## Toronto Parks are for all to enjoy!

One of the greatest strengths of our city is our wonderful parks system. Big or small, these parks offer everything from play to quiet relaxation.

Our parks let you absorb the peace, quiet and natural beauty of the outdoors without leaving the city. Walkers, joggers, cyclists and hikers can follow over 90km of paved trails. There are many great locations for family picnics and group events. Convenient TTC service near most main park entrances and ample parking makes reaching these parks easy.

## Gardens and Conservatories

Surround yourself with the delightful sights and smells of breathtaking flowers and gardens. Gardens and conservatories are located throughout the city.
