## Bloor Visioning Study Kick-Off Public Forum

for

### Bloor Street West between Avenue Road and Bathurst Street

#### What is the Purpose of this Study?

City of Toronto Community Planning and a consulting team led by Office for Urbanism are undertaking a Visioning Study of Bloor Street West between Avenue Road and Bathurst Streets. The purpose of this study is to establish a vision, urban design principles and a series of implementation tools such as urban design guidelines that will assist the City to manage and direct growth in the area. Guidelines may address community improvements, including streetscape improvements, transportation improvements relating to pedestrian, bicycle and vehicular movement and recommendations for parks and open space.

#### Why a Kick-Off Forum?

The intent of this Kick-Off Forum is to introduce you to the consultant team, the study process, and the objectives of this Visioning Study. We encourage your feedback on the opportunities and constraints that relate to this segment of Bloor Street. Your input will be used to develop recommendations for area-specific planning policies, urban design guidelines and zoning standards to manage development and change in this area.

#### Today's Agenda:

- 6:00-6:15 Welcome and Opportunity for Panel Viewing
- 6:15-7:00 Presentations by the Consultant Team
- 7:00-8:00 Break-out Participation at Input Stations
- 8:00-8:30 'Report Backs' from Input Station Session
- 8:30-9:00 Question & Answer Period

Thank you for participating.
