

# COMMUNITY SERVICES

## HOPES

Schools

- ↑ Library Space in Mall
- Enough schools to accommodate all kids in community + accommodate their needs
- Don't have to use buses to get to school (at least at elementary level)
- quality education, no portables, no overcrowding
- Use school facilities (after school)

Recreation

- More Rec Centre
- Make services available to seniors + young kids
- Lack of pools, arena has been closed.
- Hope for availability of community services + cost effective space for agencies (e.g. United Way).

Housing

- Dedicate a % of housing to seniors.
