

# YORK UNIVERSITY SECONDARY PLAN UPDATE

## Community Consultation Meeting and Open House

**JUNE 14 • Open House 4:30–6pm • Presentation and Q&A 7pm**  
**YORK WOODS LIBRARY**  
 1785 Finch Avenue West

The City of Toronto has initiated a review of the York University Secondary Plan which was approved in 1991. York University had undergone considerable and significant development in the last few years. Together with the proposed transit improvements in the area - the Downsview to York University Bus-only Lanes and the Spadina Subway Extension - it is timely to update the York University Secondary Plan. The City of Toronto is coordinating with York University as they update their University Master Plan.

The purpose of the update is to:

- affirm the long term vision for the York University Secondary Plan;
- recognize planned transit initiatives; and
- guide future development and land use decisions for the Secondary Plan area.

Part of the Secondary Plan update will be conducted as a Master Plan in accordance with the "Municipal Class Environmental Assessment" (the Class EA) by completing the first two phases of the Planning and Design process of the Class EA.

The open house from 4:30- 6:00 p.m. will provide the public opportunity to talk to staff about the Secondary Plan Update. Councillor Perruzza will provide opening remarks before the presentation on the Secondary Plan update scheduled for 7:00 p.m. The presentation will provide an overview of the purpose and goals of the update, an update on existing conditions and key initiatives and the land use options to be considered for testing. A question and answer period will follow the presentation.

Please visit the City Planning Division website at <http://www.toronto.ca/planning/index.htm> if you would like further information about the York University Secondary Plan Update. You may also contact Allison Meistrich, Senior Planner, at (416) 395-7106 or [ameistr@toronto.ca](mailto:ameistr@toronto.ca) for more information.

Attendant Care Services can be made available with some advance notice.
