

2012 PROPERTY TAX REBATE APPLICATION FOR REGISTERED CHARITIES

PLEASE READ AND FOLLOW THESE INSTRUCTIONS CAREFULLY

The City of Toronto's property tax rebate program for qualifying registered charities, as provided by By-Law No. 429-2001, is authorized by the *City of Toronto Act, 2006, S. 329*.

This legislation requires the City to rebate 40% of the property taxes paid by registered charities on certain properties which they either own or rent.

To be eligible for such a rebate, the following conditions must be met:

- The applicant must be a "registered" charity under subsection 248(1) Of the Income Tax Act (Canada), and as such possess a valid Canada Revenue Agency BN/Registration Number;
- The applicant must own and occupy the commercial or industrial property for which the rebate is being sought, or be a tenant in a commercial or industrial property for which a rebate is being sought;
- The applicant must agree to supply any additional information requested by the City to substantiate the application; and,
- There must be no taxes for previous years remaining in arrears on the eligible property for which the rebate is sought.

In order to process a property tax rebate request, all relevant parts of the attached application form must be completed in full and duly signed.

Please note:

- ◆ In the event that either the charity, or the property owner, retains an agent to act on their behalf, the Agent Authorization Declaration section of the application must be completed, permitting the City of Toronto to deal with the agent as if he/she were the charity, or the property owner. Failure to supply such a document will result in the application being returned as incomplete.
- ◆ A copy of the applicant's current (i.e. 2012) CONFIRMATION OF REGISTRATION letter referencing the BN/Registration Number and Effective Date of Registration, as issued by the Charities Directorate (Canada Revenue Agency), MUST accompany the original application form. This CONFIRMATION OF REGISTRATION letter is readily available by contacting the federal government's Client Assistance, Charities Directorate [Canada Revenue Agency] by telephone at 1-800-267-2384.
- ◆ In order to be eligible for the charity rebate program a new and complete application must be filed every year. Only one application can be submitted per assessment roll number. A previous year's application (and supporting documentation) does not constitute any right of entitlement for the current or subsequent year.
- ◆ In the event of a clerical error, or a decision by the Assessment Review Board that changes the assessment for the taxation year for which this application is made, the rebate amount will be recalculated and the City of Toronto retains the right to demand repayment of any overpayment of a rebate.
- ◆ Any changes made on an application are to be crossed out and initialed by the applicant.
- ◆ NOTE: You must retain a copy of your application form. The City does not provide copies. Also, if you are personally delivering your application form to a Tax and Water Enquiry counter, please bring two copies if you require proof that your application was received.

It is your responsibility to retain proof of submission of your application. Proof of submission can be in the form of a second copy of your application stamped "received" by the City if delivered in person to one of the Tax and Water Enquiry counter; a copy of your registered or certified mail receipt showing delivery; a copy of your courier delivery slip; a copy of your fax confirmation report along with the full document or a copy of your e-mail and confirmation of delivery along with copies of your application form.
