Enquiry/Cashier Counters at Civic Centres and City Hall:

Tuesday, February 28 to
Thursday, March 1, 2012
8:30 am to 6:00 pm

Property Taxes

Your interim property tax bill is the first of two regular tax bills you will receive in 2012. Your final property tax bill will be mailed in May 2012.

In addition, if you receive a Property Assessment Change Notice from the Municipal Property Assessment Corporation (MPAC), you will also receive a Supplementary/Omitted Tax Bill from the City.

Important Information

If you file an assessment appeal or apply for any of the City's property tax relief programs, property taxes remain due and payable as billed. Once the City receives revised assessment information from MPAC or the ARB, or once your relief or rebate application is approved, adjustments will be applied to your tax account.

Property Assessment

Property assessment is the responsibility of MPAC.

For the 2009 to 2012 tax years, property assessments are based on a January 1, 2008 valuation date. In May 2012, the City will calculate your 2012 final property taxes based on the 2012 phased-in assessment value provided by MPAC.

Property Assessment Appeal Deadlines

You can appeal your property's assessment if you believe that it is incorrect. For residential properties, you **must** file a Request for Reconsideration (RfR) with MPAC as a **mandatory** first step in the appeal process. MPAC will review the assessment free of charge. Once MPAC notifies you of its decision, you have 90 days to file an appeal with the Assessment Review Board (ARB), if you still disagree.

Information and forms are available from MPAC at www.mpac.ca or 1-866-296-MPAC (6722).

For 2012, the deadline to file an RfR with MPAC is **April 2, 2012**.

NOTE: Information about the ARB process and filing fees is available online at www.arb.gov.on.ca or by calling the ARB at 1-800-263-3237 or 416-314-6900.

Property Tax Relief Programs

The City offers various tax and water relief programs as described below.

Information and applications are available:

- at www.toronto.ca/taxes/property_tax
- at all Civic Centres and City Hall
- upon request by calling a Customer Service Representative at 416-338-4829

Note: Late applications cannot be accepted.

Low Income Seniors and Low Income Persons with a Disability

The City of Toronto offers property tax and water relief programs to low income seniors and low income persons with a disability who own a residential property.

For details on the eligibility criteria for the Property Tax Increase Deferral, Property Tax Increase Cancellation and Water Rebate Programs, please visit our website or call a Customer Service Representative.

If you qualified for tax relief in 2011, a 2012 application will be mailed to you in the spring of 2012. You must apply annually to participate in the programs.

If you are applying for the first time, applications for this program will be available early in 2012.

Applications must be received by **August 31, 2012**.

Cancellation, Reduction or Refund of Taxes

An application for a cancellation, reduction, or refund of taxes may be submitted to the Treasurer for the following reasons:

- the tax class for the property has changed
- the land has become vacant or excess land
- the land has become exempt from taxation
- the building on the land was
 - razed by fire, demolition or otherwise, or
 - damaged by fire, demolition or otherwise and rendered unusable
- extreme poverty or illness
- mobile unit removed from land
- gross or manifest clerical error
- repairs or renovations to the land prevented the normal use of the land for at least three months during the year.

Send your application to:

Treasurer, City of Toronto
Tax Appeals Unit
5100 Yonge Street
Toronto, ON M2N 5V7
Fax: 416-696-4130*

*Sending personal information via fax is not a secure means of transmission.

The last day to file an application is:

February 28, 2012 for the 2011 taxation year; and
February 28, 2013 for the 2012 taxation year.

Accessibility

The City of Toronto is committed to providing accessible programs and services for all its residents. The City's website can be viewed in 51 different languages and we offer various tools to ensure everyone has access to the same information.
