

Air Quality Study Results South Riverdale – Leslieville – Beaches October 18, 2011

Feedback Form

Please review the display panels, review or listen to the presentations, ask questions and provide any comments you may have on this form. Your comments and questions will be addressed in a summary document that will be posted on the project website at <http://www.toronto.ca/teo/reports-resources.htm> . Materials presented at this meeting will also be available on the same website.

Your comments will help the Toronto Environment Office identify and address additional issues the community has with air quality. Please be sure to sign-in at the registration table to be added to the email list to receive follow up information about this study.

Submit your comments by November 1, 2011 using any of the methods listed on the back of this page. Thank you!
