

2.10 Helicopter Filming

Arrangements must be made for helicopter filming involving landings, take-offs and/or flying at altitudes less than 1,000 feet in the City of Toronto.

Transport Canada requires two weeks notice prior to filming.

1. The helicopter company must take out insurance. The following requirements must appear on the certificate:
 - a) General comprehensive public liability in the amount of ten million (\$10,000,000.00)
 - b) The City of Toronto and the film company named as additional insured
 - c) A cross liability / severability of interest clause.
2. The helicopter company conducting the flight is responsible for making the necessary arrangements with Transport Canada for flights in accordance with the altitudes and distances required by the Canadian Aviation Regulations (CARs).
3. Transport Canada will conduct a site inspection of the film location and advise the Toronto Film & Television Office of its suitability.
4. The Toronto Film & Television Office will advise Transport Canada and the helicopter company by letter that the City of Toronto has no objection to the low altitude flight.
5. Transport Canada charges the air carrier a \$325.00 fee for application submission as outlined in the Civil Aviation Regulatory Fees, Air Operations Schedule VIII for Commercial Air Services. The fee is charged when the application is submitted whether authorization is granted or denied. The air carrier charges this fee back to the production company.
