The personal information on this form is collected under the authority of the City of Toronto Act. The information is used to process your application and notify you of meetings related to your application. Questions about the collection of *personal information only* can be directed to 416-396-7377, the Manager of Tree Protection and Plan Review, Parks, Forestry & Recreation, 70 Nashdene Rd, Toronto, ON M1M 2V2.

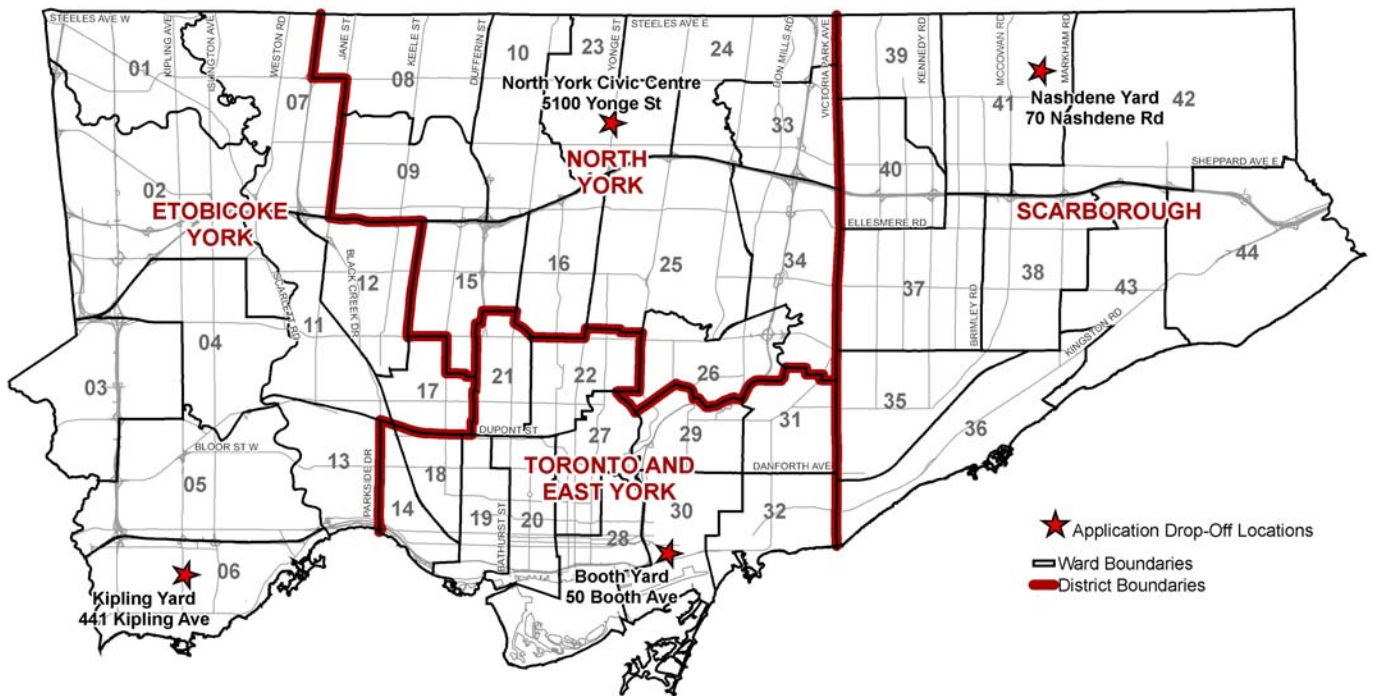

What Happens Next?

Urban Forestry staff will review your application and landscape plan, and carry out an inspection to evaluate the condition of the healthy City-owned tree(s) in question.

Consultation with the Ward Councillor is the next step in the process, after which you will be advised if your request has been denied or approved with conditions. Requests for removal of healthy City-owned trees that are refused may be referred to the appropriate Community Council.

Such requests for removal may be subject to conditions which include payment of tree value, removal and replacement costs and the replanting of a replacement tree or trees.

The General Manager of Parks, Forestry and Recreation may request a Tree Guarantee Deposit to guarantee the planting or protection of trees. It is the applicant's responsibility to advise the General Manager of Parks, Forestry and Recreation that the trees have been planted in accordance with approved plans and/or tree protection zones have been created in accordance with approved plans. It is also the applicant's responsibility to submit a written request to the General Manager for the refund of a Tree Guarantee Deposit, 2 years after the completion of all construction activity and/or 2 years after tree planting.
