

NOTICE OF PUBLIC OPEN HOUSE AND MEETING

Western Waterfront Master Plan

City of Toronto

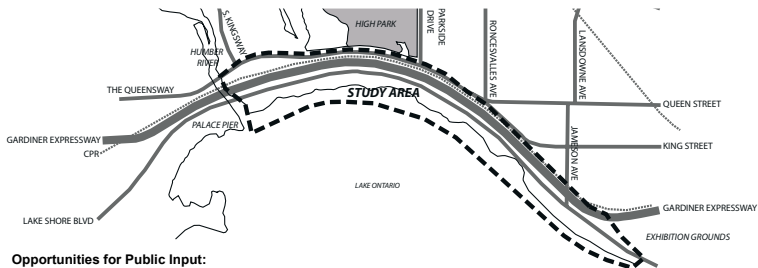

(City's 5th Public Consultation Meeting and the 3rd led by planningAlliance)

The **City of Toronto** is undertaking a study to create a **Master Plan for the Western Waterfront**. The Master Plan will guide decision making within the area by recommending the type and location of park facilities that meet a range of community needs, as well as improvements to the transportation, transit and pedestrian links with surrounding neighbourhoods.

The study area covers a 4 km-long stretch of the Western Waterfront and is bounded by the Humber River to the west, Marilyn Bell Park to the east, Lake Ontario to the south, and the Lake Shore Blvd W./Gardiner Expressway/Queensway corridor to the north (see Map).

The Process:

The Master Plan for the Western Waterfront will complete Phases 1 and 2 of the Municipal Class Environmental Assessment in accordance with the requirements of the Municipal Engineers Association Municipal Class Environmental Assessment, October 2000, as amended in 2007.

Opportunities for Public Input:

Public consultation is an important part of this Master Plan study. The purpose of this Public Open House is to provide an update on the status of the study, present the evaluation of alternative solutions, identify the preliminary preferred solution and seek input from the public. Anyone with an interest in the study is invited to attend and participate:

Tuesday, December 9th, 2008,

at St. Joseph's Health Centre (30 The Queensway) in the Education Centre A & B, Room 1B 105A and the cafeteria, 1st floor Barnicke Wing, starting at 7:00pm to 9:00pm

If you have any questions, comments, require further information or would like to be added to our mailing list, please contact:
