

Interactive Solid Waste Information Session

Date: Wednesday November 3, 2004
Time: 6:00 – 9:00 pm
Location: City Hall, Committee Room # 3
100 Queen Street West, Toronto, ON

6:00 – 7:00 pm ***Algonquin Power Energy From Waste***

****A Successful Public Liaison***

- ◆ A presentation providing a citizen/community perspective based on a 12-year experience with public liaison.
- ◆ Presented by **Jane Pilot** (Co-Chair Public Liaison Committee and Recipient of the Canada's 100 Most Powerful Woman Award 2003) and **Clive Ford** (Co-Chair Public Liaison Committee).

7:00 – 8:00 pm ***Economic Benefit Analysis***

- ◆ A critical review of environmental benefits assessment, evaluation of air quality management program, and real economic choices in solid waste management.
- ◆ Presented by **Jack Donnan**, Senior Economist, Ministry of Energy (formerly with Ministry of Environment) with over 30 years of practical experience.

8:00 – 9:00 pm ***Waste Management Diversion vs. State of the Art Disposal***

- ◆ Presentation will consider the broad aspects, issues, problems and challenges facing the waste management industry from a diversion vs. disposal perspective, including an overview of the GAP process and its importance in standardising real diversion measurement and achievement.
- ◆ Presented by **Maria Kelleher**, consultant, with over 20 years experience in the waste management industry.
