## Royal York Road Major Road Reconstruction

Royal York Road from Delroy Drive to Norseman Street

Expected Construction Start Date: September 2006  
Expected Construction Completion Date: December 2006

As part of the 2006 Capital Works program, the Etobicoke York District of Technical Services for The City of Toronto has scheduled the reconstruction of Royal York Road from **Delroy Drive to Norseman Street**. Royal York Road has deteriorated to the point that roadway reconstruction is necessary. As part of this work, the City will be replacing the existing watermain and portions of the sanitary and storm sewer systems.

### Design Details

Work includes excavation of the old roadway, construction of new curb, gutter and subdrains, repair of the existing sidewalk on the west side, reconstruction of the sidewalk on the east side, new roadway construction, asphalt paving and restoration of driveways and boulevards. New southbound left turn lanes will be built on Royal York Road for the Etobicoke School of the Arts and Bishop Allen Academy. The new roadway from Delroy to Norseman will accommodate one vehicle lane and one mandated bike lane in each direction. Water services and sanitary sewers will be upgraded from the watermain to street line where applicable.

In order to complete the road construction work in a safe manner, it will be necessary to reduce traffic lanes. Access to your driveway will be interrupted from time to time during construction. The contractor is obligated to notify you of any temporary driveway closures. The City will make arrangements for parking on side streets at times when driveway access has been interrupted. Before construction starts, a further notice will be issued detailing which streets are available for parking.

### Public Information Open House

Detailed design for this project is well underway. The City plans to hold a Public Information Open House to allow area residents to view the design drawings. This Open House will take place on:

**Date: Monday, June 26, 2006**

**Time: 7:00 – 9:00 p.m.**

**Location: Bishop Allen Academy Gymnasium - 721 Royal York Road  
(North of Delroy Drive, East Side of Royal York Road)**

Additional notices will be delivered before construction starts, including notice of contractor, schedule and other contact requirements for construction purposes.
