

Comment Sheet
Six Points Interchange Reconfiguration
Public Meeting / Open House
March 2, 2004

Understanding the values and opinions of the City's residents and stakeholders will lead to the best decisions on the Reconfiguration of the Six Points Interchange. It is for this reason that we are seeking your input on this project. We appreciate the contribution of your time to fill in this Comment Sheet and provide your input.

The Project Team has narrowed down a "Long List" of options for reconfiguring the Six Points Interchange, to the following "Short List" of options (refer to your package, pages 6-11):

1. Do Nothing
2. Fully At-Grade, Dundas Street Loop
3. Fully At-Grade, Bloor Street Loop
4. Fully At-Grade, Kipling Avenue Loop
5. Dundas Street Underpass
6. Kipling Avenue Underpass

We would like for you to provide the following information for each option.

Option	Likes	Dislikes
1. Do Nothing		
2. Dundas Street Loop		
3. Bloor Street Loop		
4. Kipling Avenue Loop		
5. Dundas St. Underpass		
7. Kipling Ave. Underpass		

If you have any other comments on the "Short List" of options, please provide them below:

At this point in the study we are also looking for your input on the proposed list of criteria that will be used for the technical evaluation of the "Short List" of options (refer to page 12 of your package).

Please provide any comments you have on the criteria.

Please provide any other comments you have on this study.
