

St. Clair Avenue West Road and Sidewalk Reconstruction Yonge Street to Bathurst Street

Sidewalk and Roadway Upgrades

Sidewalks Start date: last week of August, 2009* * timelines are subject to change due to weather and/or unforeseen events
Sidewalks Completion date: mid September 2009*
Roadway Start date: mid September 2009*
Roadway Completion date: late October 2009*

Upcoming Work – Yonge Street to Bathurst Street

Roadway re-surfacing/reconstruction work is required between signalized intersections on St. Clair Avenue West from Yonge Street to Bathurst Street. *These areas were not part of the St. Clair Avenue West Transit Improvements Project and consequently were not re-surfaced/reconstructed during previous construction work, which was completed in 2007.* The scope of the work will also include; replacement of damaged sidewalks, reinstatement of existing trenches in the pavement and minor adjustments to the pavement grades to ensure a consistent height of the adjacent TTC streetcar right-of-way.

The work will extend the service life of sidewalks and the roadway, provide smoother service for all road users, and minimize maintenance and life-cycle costs.

Pending weather, sidewalk work will begin in late August and will be finished in mid September. Grinding and paving of the roadway work will follow in stages from mid September to late October.

Traffic

To minimize traffic impact, the grinding and paving operations will be divided into three zones; Yonge St. to Avenue Road, Avenue Rd. to Spadina Rd. and Spadina Rd. to Bathurst. During paving work in each zone, traffic will be re-routed with signs posted in advance of the re-paving portion of the contract. There will be traffic delays and detouring during the work. Pedestrian traffic will be maintained at all times.

Work Hours

Work between Yonge Street and Bathurst Street will generally take place from 7:00a.m. to 7:00 p.m, Monday to Friday with weekend work and overnight work as required.

Recycling and Garbage Collection

Please follow your normal routine.

Parking

No on-street parking will be available in the active work zones.
