

## St. Clair Avenue West Transit Improvements Project

### Old Weston Road and St. Clair Avenue West Intersection Partial Closure for Roadway Reconstruction

Start: Friday, September 11, 2009 - 6 a.m.\*  
End: Monday, September 14, 2009 - 7 a.m.\*

\* Timeline is subject to change due to unforeseen events. Content is accurate and current at time of printing.

#### Old Weston Road and St. Clair Avenue West Intersection Roadway Reconstruction (north side):

Beginning at 6:00 a.m. on Friday, Sept. 11 to 7:00 a.m. on Monday, Sept. 14, 2009 the reconstruction of the westbound curb lane will require a partial road closure of Old Weston Road at the St. Clair Ave. West intersection.

#### Details

- Reconstruction of westbound curb lane through the intersection.
- Reconstruction of northeast and northwest corners of the intersection; including curb and sidewalk.
- Reconstruction of Old Weston Road, approximately 50.0 m in length from south curb line of St Clair.
- Safety measures such as barrier fences will be in place surrounding the construction zone. Pedestrians will be required to walk around the fences.
- Pedestrian sidewalk traffic and pedestrian access to businesses will be maintained during the construction.

#### Traffic Restrictions

- **St. Clair Avenue West:** A minimum of one lane of traffic along St. Clair Avenue will remain open in both directions, allowing vehicles to travel through the intersection. No northbound turns permitted.
- **Northbound Old Weston Rd:** Restricted at St. Clair Avenue West, only right and left turns permitted at the intersection.
- **Southbound Old Weston Rd:** Closed to traffic at Rogers Rd. Local access will be maintained.

#### TTC Transit Service Changes: (see transit map on reverse)

- **127 Davenport Buses:** Will be diverted via: north on Old Weston Road, east on St. Clair Ave. West, south on Ford Street, east on Davenport Road to eastbound regular routing to Spadina Station.
- **168 Symington Buses:** Will be diverted both ways via: Symington Avenue, Davenport Road, Caledonia Park Road, Caledonia Road and Rogers Road to route.
- **41 Keele Buses & 512-312 St. Clair Service:** Will be diverted both ways via: Keele Street, Rogers Road, Weston Road and Keele Street to route.
- **512-312 St. Clair Service:** No changes. Buses will operate over regular routings in both directions at all times.

#### Work Hours

Roadway reconstruction will only be completed during regular work hours. During the construction, noise should be expected. However, the loudest work, such as saw-cutting and the breaking of concrete will be restricted to the hours of 7:00 a.m. to 6:00 p.m.

#### Deliveries

During construction, deliveries to the front of businesses within the work zone may need to be coordinated with the on-site City inspector.

#### Parking

No on-street parking will be available in the work zones until the reconstruction work is completed; however, limited parking will be made available at certain locations, providing it does not interfere with construction.
