*Timeline is subject to change due to unforeseen events. Content is accurate and current at time of printing.

St. Clair/Alberta Intersection

Beginning at 7:00 am on Monday, September 14, to the morning of Friday, September 18 (before a.m. rush hour) a partial road closure will be required at the intersection of St. Clair/Alberta Avenue to accommodate track re-construction at the north east side of the intersection. The second stage of reconstruction at the intersection (northwest side) is scheduled from September 21 – 24.

Traffic Restrictions Scheduled for Sept 14 to Sept 17

Eastbound St. Clair:	One lane of traffic maintained through the intersection. Left turn not permitted.
Westbound St. Clair:	One lane of traffic maintained through the intersection. Left turn not permitted.
Northbound Alberta:	Only north-to-east right turn maintained. Traffic not permitted through the intersection..
Southbound Alberta:	Only south-to-west right turn maintained. Traffic not permitted through the intersection.

Work Hours

Streetcar track construction is a 24-hour operation. All heavy construction work will take place between the hours of 7 a.m. and 7 p.m., Monday to Friday. Weekend work will take place when required. Overnight work includes delivery of rail, rail installation and rail welding. Efforts will be made to reduce noise as much as possible during late night work.
