Starting on Monday, September 28, 2009 the sidewalks and roadway on the north side of St. Clair Avenue West from Oakwood Avenue to Westmount Avenue will be reconstructed.

Please remove all private street furniture located on the City sidewalk (between Oakwood Avenue and Westmount Avenue) on or before the morning of September 28. Your co-operation is appreciated.

Westbound traffic on St. Clair will use the new track allowance from Oakwood to Glenholme. Eastbound traffic from Glenholme Avenue to Oakwood Avenue will use the newly paved roadway on the south side of St. Clair.

Additional sections of roadway on the north side of St. Clair from Atlas Avenue to Oakwood Avenue (including interseptions @ Atlas, Winona & Alberta) are scheduled to be paved on Monday, September 28, 2009.

Sidewalk and roadway work on the south side of St. Clair from Northcliffe to Westmount Avenue will continue as scheduled. Staff are attempting to complete the work as quickly as possible to reduce overall disruption.

City of Toronto on-site construction inspectors will be able to address immediate construction related concerns. Please approach a construction worker to help you identify the City inspector.
