

Alternative #7

Change Technology

For example, bus service or articulated streetcars

Moderate to High Cost –
New buses/Articulated vehicles, transit signal priority

Alternative #8

Road Widening - St. Clair or Parallel Roads

High Cost –
Property purchase

Alternative #9

Combination of Some of the Above Options

Alternatives can be combined by section

- reflect the needs, opportunities and constraints of the distinct communities

For example:

- one option for the section east of Bathurst Street, another option for the section west of Bathurst Street.

Options must work together.
