

One more thing around
the house
that'll break
down.

Isn't it time you finally picked up a composter? It'll break down your kitchen scraps and yard waste, creating a rich (and even better – free) fertilizer. It's only \$15 at an Environment Day near you. Drop off items such as sporting goods, books and medical equipment (eyeglasses, walkers, hearing aids, etc.) for reuse. For a full list of what you can drop off, and pick up, call 416.392.9585 or visit www.city.toronto.on.ca/environment_days.
