

Because  
**recycling**  
stuff is always  
in fashion.

Time once again to get rid of those unwanted items in your house: pesticides, solvents and batteries, even that suit jacket some might call a hazardous fashion choice. Come to an Environment Day near you to drop it off. You can also pick up a blue or grey box, a small rain barrel, water efficiency kits, and more. Call 416.392.9585 or visit [www.city.toronto.on.ca/environment\\_days](http://www.city.toronto.on.ca/environment_days) for more details.
