

So, how long has it been a
stationary bike?

Not using your bike so much these days? We'll make sure someone else does. (Putting a whole new spin on the term "recycle"). Bring it, along with other household items like clothes, small appliances, computers and related hardware, empty inkjet printer cartridges, tires and non-perishable food items to an Environment Day near you. You can also purchase a backyard composter, yard waste bins and blue bags. Call 416.392.9585 or visit www.city.toronto.on.ca/environment_days for more.
