

# How to Make Any Vehicle Environmentally Friendly

**L**oad up your small household appliances, paint cans and motor oil, medical equipment, computers, electronics – even clothes, sporting goods and books – and bring it all to an Environment Day near you. We'll recycle it, divert it, even donate it. Then, pick up stuff like water saving kits and a composter and bring it back home. Talk about a vehicle for change. Call 416.392.9585 or visit [www.toronto.ca/environment\\_days](http://www.toronto.ca/environment_days)

for a complete list of what you can bring and pick up.

Here are two more ways you can help clean up:

- The 20-Minute Toronto Makeover, Friday, April 23 at 2:00 p.m. Spend 20 minutes cleaning up your piece of the city.
- Saturday, April 24 is Mayor Miller's Community Clean-Up Day. Click on [www.toronto.ca/litter](http://www.toronto.ca/litter) or call 416.392.9585 for more details about both days.
