

# Hold on! The Blue Bin won't accept just anything.

We all want to recycle all we can, but many plastics and metals can't go in the Blue Bin. The wrong item can contaminate the recycling stream, damage equipment and cause workplace injuries. If you don't recycle properly, we can't either. Use our new search tool to learn the ins and outs at [toronto.ca/recycling](https://toronto.ca/recycling) or call 311.
