

**YOU WALK IT TO THE CURB.
IT SAVES US 800 KM.**

Thanks to your participation in the Green Bin program, fewer trucks make the trek to Michigan landfill. Instead of ending up in landfill, your bin contents are diverting 95,000 tonnes of organics. This material is processed into compost for use in gardens and on green space. It's incredible what can happen when we're all pulling together.

For more information, call 416-338-2010 or visit www.toronto.ca/greenbin
