

Stuck
in the past with a

CONVENTIONAL

washing MACHINE?

Buy a front-loading washing machine and see how much money today's technology can save you. You'll use nearly half the water, energy and detergent, and get a \$60 rebate in the bargain. Once you've bought yours, apply for a rebate at toronto.ca/water and you'll be **automatically entered in a draw to win back the full cost of the machine.**
