Multiple Registrations
Registrants can register members of their own immediate family only. Registration for more than one family is not permitted. Registrants can register for person(s) who they are responsible for under the law.

Duplicate Registrations
Parks, Forestry and Recreation programs are very popular. To give the greatest possible access to as many clients as possible, clients who have registered for programs that occur at the same time must choose one program and staff will withdraw them from the rest, giving others a chance to participate.

Older Adults’ Discount
Clients 60 years+, who register for adult programs are eligible to receive a 50% discount off the full adult rate. Older adult discounts do not apply to Older Adult programs, contracted, partnership or third-party programs.

Age Specifications
Registrants must reach the specified age of the program by the first day of class.

Private Lesson Programs
Private lessons are intended for all ages. Thus no discount is applied to private, semi private and small group lessons, contracted, partnerships, or third-party programs.

Camp Extended Hours Program
The camp extended hours program is supervised care before and/or after camp, only for participants who are registered in the associated City of Toronto Parks, Forestry and Recreation camp program. Participants may only register for the extended hours program at the same camp location that they are registered for. Participants must be registered at the camp location before registering for the extended hours program.

Personal Account Information
To review your personal information, access your account at efuntoronto.ca by logging in with your Family and Client Number. If changes are required email pfrcustomerservice@toronto.ca.

Program Receipts
You can access your receipts or account history at any time for up to two years. Keep your receipts for your records.

Fee Information
• Fee calculations are rounded to the nearest dollar and include 13% HST where applicable
• If there is a discrepancy in fees, the City Council approved Parks, Forestry and Recreation User Fee Guide will apply.
• Fees are subject to change as a result of the Council approved operating budget.

Prorating Program Fees
Program fees are prorated based on the number of classes remaining. For evaluated or instructional programs (e.g. swimming), prorated registrations will be allowed before the third class start.

Partial Payment
When you register for a program that costs more than $100, you have the option of paying in two installments. Fifty per cent (50%) of the course fee must be paid when you register, and the remainder is due five weeks before the last day of the program.

Transfers
A transfer fee of $12 (per person/per course) will be applied to any client initiated request to move from one program to another or from one class to another. Transfers must be requested prior to the third class/day and will be prorated. Transfers are not permitted for certification programs or as determined by Parks, Forestry and Recreation Staff.

Withdrawals, Refunds and Credits
All registration withdrawals/transfers must be initiated prior to the start of the program’s third class/day only. No refunds or credits will be considered after this date. Withdrawals will be prorated based on the date of withdrawal, not based on attendance in the program. Programs that operate beyond 12 weeks will be considered for withdrawals up to half of course. A $12 administration fee will be deducted per person, per program for all refunds, withdrawals and credits. Refunds will be processed back to the original method of payment. As a result of new standards for credit card data security, some refunds may not be processed automatically. In these situations, the primary account holder will receive email instructions to complete the refund process.

Requests may be made:
• By phone – Client Services 416-396-7378
• In-person – City Hall, civic centres or community recreation facilities

Or complete the Transfer, Withdraw and Refund Request Form available online at toronto.ca/parks/registration and submit by:

• Fax – 416-392-1551
• Mail – Parks, Forestry and Recreation, Client Services, Toronto City Hall, 100 Queen Street West, 1st floor Toronto, ON M5H 2N2

* Information Security Alert: Sending personal information by fax /email is not a secure means of transmission. Never record your credit card number on a fax, email or voicemail.

There are no refunds for memberships, passports and punch cards. For camps that have an added consumable fee, there is no refund of the consumable fee once the program starts. Credits of $10 and under will stay on account and will not be processed as a refund due to costs. For your convenience and easy access to Parks, Forestry and Recreation programs and facilities, credits will remain on accounts for three years.

Account Disputes
Account disputes must be registered in writing or requested to be resolved within the calendar year of registration (in the case of December, winter registrations within three months). You can review your account history through our online registration at efuntoronto.ca.

Full Program Cancellation
A program may be cancelled for a variety of reasons, which can include low registration or the facility being unavailable. In the event a registered program is cancelled, efforts will be made to notify participants, however due to time or extenuating circumstances, it may not always be possible. Participants will receive a full refund or credit if the program they are registered in is cancelled by Parks, Forestry and Recreation.

Severe Weather Cancellation or Modifications
An individual program class may be cancelled or modified due to severe weather events or power failures. The status of an individual class can be checked by referring to the City’s Recreation Service Alerts webpage at toronto.ca/recreationalerts.

If an individual class is cancelled due to severe weather or a power failure, every effort will be made to make up the class on another date, or a credit will be issued.

Program Policies

Participant Information
When registering for one of our programs, please advise a client service representative of any allergies, medical, behavioral or special needs information that we should be aware of.

To ensure your child’s safety, parents/legal guardians are required to complete a Participant Information Form per child, prior to attending the following registered programs:

- After-School Programs
- Camps
- Cooking Programs
- Early Years Programs more than one hour in duration
- Professional Activity (PA) Day Programs.

The form ensures staff have your emergency contact information and authorization on who may pick up your child at the end of program. The Participant Information Form is available at toronto.ca/parks/camps or from community centre staff.

Registered Participants
Registered programs are intended solely for the individual client that is registered in the program. Programs “with caregiver” require a parent or caregiver of at least 14 years of age to directly supervise the participant that is registered and actively participate in the program.

Participant Attendance Policy
If you can’t go, let us know! Parks, Forestry and Recreation programs are popular and many have waiting lists. If you are unable to attend the program you registered for, contact your local community centre or call 416-396-7378 so the spot can be offered to someone else.

If you (and/or your child/dependant) does not attend the first class of a program with a waitlist and you have not notified us, you will be contacted and asked to confirm attendance in future classes.

If you (and/or your child/dependant) does not attend the first two classes of a program with a waitlist and you have not notified us, you will be contacted and advised that the participant will be withdrawn from the program.

If you’re running late or won’t arrive, give us a call. Program attendance is recorded daily by staff, so if you can’t make it that day, call your local community centre and let us know.

Parks, Forestry and Recreation Filming and Photography Policy
While enjoying our parks, open spaces and recreation facilities, residents and visitors are encouraged to take pictures and selfies that should not interfere with the safety and enjoyment of others. When taking a picture that also includes other people and/or their children, their permission should first be obtained. Filming and photography is strictly prohibited in all change rooms and washrooms. If at any time staff are alerted to prohibited use of filming or photography, the user will be asked to stop immediately.

Commercial and/or formal photography on any Parks, Forestry and Recreation property:
Any person wishing to have exclusive use of the space for commercial and/or formal filming and photography in a park or recreational facility must book the space in advance through Client Services. Visit toronto.ca/parks/permits for more information.

You can enjoy off-road cycling facilities throughout the City.

Parks, Forestry and Recreation operates off-road cycling facilities at:
- Bayview Arena Bike Park
- Wallace Emerson BMX Park
- Centennial Park BMX Centre
- Sunnyside Bike Park

Each facility has a series of dirt jumps, berms and tabletops accessible to riders with various skills and experience. For specific track information, hours of operation and season dates, refer to the website.

The City of Toronto aims to provide a safe, comfortable and bicycle friendly environment that includes bicycle-friendly streets, bike parks and an extensive paved multi-use trail network.
