**APPENDIX "C" – Partial Summary of Entertainment by Vendors other than MFP  
(from January 1998 to June 2001)**

**NOTE:** Appendix C is a sample of entertainment of Andrew, Viinamae and Liczyk by numerous vendors other than MFP based solely on calendar entries for these City staff without reference to the expense records of the listed vendors. A review of the expense accounts of the vendors identified in Appendix C would likely reflect an even greater level of entertaining by these vendors than is reflected in the following table.
