**DECLARATIONS OF INTEREST PURSUANT TO  
THE MUNICIPAL CONFLICT OF INTEREST ACT.**

**CONFIRMATION OF MINUTES.**

#### **DEPUTATIONS/PRESENTATIONS:**

- 1. UPGRADE OF AERATION TANKS Nos. 7 AND 8 AT  
HIGHLAND CREEK TREATMENT PLANT -  
CONTRACT No. 01FS-30WP, Tender Call No. 105-2001.  
(Ward 44 – Scarborough East)**

DEPUTATION ITEM – SCHEDULED FOR 10:00 a.m.
--

Commissioner of Works and Emergency Services  
and Interim Chief Financial Officer and Treasurer  
(June 20, 2001)

Recommending that:

- (1) Contract No. 01FS-30WP, Tender Call No. 105-2001, for the construction of the upgrade of Aeration Tanks Nos. 7 and 8 at the Highland Creek Treatment Plant, be awarded to W.A. Stephenson Mechanical Contractors Limited at a total lump sum price of \$3,270,000.00 including all taxes, charges and a contingency allowance of \$200,000.00 for potential additional work, being the lowest Tender received; and

- (2) in the event that W.A. Stephenson Mechanical Contractors Limited refuses to execute the contract agreement, authority be granted:
- (a) to award Contract No. 01FS-30WP to the second lowest tenderer, Bennett Contracting Millgrove Ltd., in the total lump sum amount of \$3,534,000.00 including all taxes, charges and a contingency allowance of \$200,000.00 for potential additional work; and
  - (b) for the City Solicitor to take the necessary steps, including a claim against the Bid Bond, and institution of any necessary court action, to recover from W.A. Stephenson Mechanical Contractors Limited, or its Surety, the additional costs the City of Toronto incurs by reason of failure of W.A. Stephenson Mechanical Contractors Limited to execute the contract; and further that, upon institution of any court action, the City Solicitor be authorized to settle the action, if deemed advisable by the Commissioner of Works and Emergency Services.

**2. BASEMENT FLOODING –  
689 OLD WESTON ROAD.**

DEPUTATION ITEM – SCHEDULED FOR 10:15 a.m.

Councillor Betty Disero,  
Ward 17 – Davenport  
(May 30, 2001)

Forwarding correspondence relating to basement flooding at 689 Old Weston Road, and advising that the property owner, Mr. Paul Moulton, is requesting that consideration be given for an exemption from the policy adopted by City Council and thereby requesting full compensation under the Basement Flooding Protection Subsidy Program.

**3. WORKS BEST PRACTICES PROGRAM –  
STATUS REPORT NO. THREE.**

*DEFERRED FROM MEETING OF JUNE 6, 2001.*

DEPUTATION ITEM – SCHEDULED FOR 10:30 a.m.

Commissioner of Works and Emergency Services  
(May 25, 2001)

Forwarding the third status report on the Works Best Practices Program, which provides an overview of the program and its progress to date, including benefits achieved and costs incurred from program inception since 1996, and which highlights the major tasks planned for 2001; and recommending that this report be received for information.

- 3a.** Mr. Bill Guthrie, Vice President,  
Toronto Civic Employees' Union, CUPE Local 416  
(June 6, 2001)

Highlighting difficulties experienced as a result of displacements in the Water and Wastewater Services Division; and requesting that City Council direct management to enter into a joint redeployment program with Local 416 as soon as possible to facilitate the placement of workers displaced by the Works Best Practices Program.

- 3b.** Ms. Ann Dembinski, President,  
Toronto Civic Employees' Union, CUPE Local 79  
(June 6, 2001)

Advising that CUPE Local 79 has serious reservations about the Works Best Practices Program in light of the third status report, and urging the Committee to refer the report back to the Commissioner of Works and Emergency Services for a comprehensive review of quality services.

## COMMUNICATIONS/REPORTS:

### TRANSPORTATION SERVICES

- 4. CITYWIDE SERVICE LEVELS FOR LEAF COLLECTION.**  
**(All Wards)**

*DEFERRED FROM MEETING OF JUNE 6, 2001.*

Acting City Clerk  
(June 6, 2001)

Advising that the Works Committee at its meeting on June 6, 2001, had before it a report (May 29, 2001) from the Commissioner of Works and Emergency Services respecting City-wide service levels of sidewalk snow clearing, leaf collection and City cleanliness; and further advising that the Committee, in part:

- (1) deferred consideration of the following Recommendation No. (3) until its next regular meeting, scheduled to be held on July 4, 2001:
  - “(3) the special mechanical leaf collection provided to selected areas within the City be discontinued and all residents be required to bag leaves from private property and adjacent boulevards.”;

- (2) requested the Commissioner of Works and Emergency Services to report directly to the Community Councils on the Costs to contract out mechanical leaf collection; and
- (3) requested the Community Councils to submit their recommendations and comments with respect to Recommendation No. (3) to the Works Committee for its next meeting.

**4a.** City Clerk (Downtown Community Council)  
(June 15, 2001)

Advising that the Downtown Community Council at its meeting on June 12, 2001, recommended the adoption of Recommendation No. (3) of the report (May 29, 2001) from the Commissioner of Works and Emergency Services.

**4b.** Acting City Clerk (East Community Council)  
(June 13, 2001)

Advising that the East Community Council at its meeting on June 12, 2001, recommended with respect to Recommendation No. (3), contained in the report (May 29, 2001) from the Commissioner of Works and Emergency Services, that leaf pick-up be harmonized uniformly across the City as soon as possible based on criteria.

**4c.** Acting City Clerk (Midtown Community Council)  
(June 13, 2001)

Advising that the Midtown Community Council at its meeting on June 12, 2001, recommended adoption of Recommendation No. (3) contained in the report (May 29, 2001) from the Commissioner of Works and Emergency Services.

**4d.** Acting City Clerk (North Community Council)  
(June 18, 2001)

Advising that the North Community Council at its meeting on June 13, 2001, recommended to the Works Committee and Council, that Recommendation No. (3) embodied in the report (May 29, 2001) from the Commissioner of Works and Emergency Services be received.

**4e.** Acting City Clerk (Southwest Community Council)  
(June 18, 2001)

Advising that the Southwest Community Council at its meeting on June 12, 2001, recommended to the Works Committee that Recommendation No. (3) contained in the report (May 29, 2001) from the Commissioner, Works and Emergency Services, with respect to the discontinuation of the special mechanical leaf collection, be adopted.

**4f.** Acting City Clerk (West Community Council)  
(June 15, 2001)

Advising that the West Community Council at its meeting held on June 13, 2001, recommended to the Works Committee that consideration of the discontinuance of the mechanical leaf collection program be deferred until beyond 2001, pending submission of a report from the Commissioner of Works and Emergency Services on the possibility of each Community Council Area having a discretionary fund for the provision of unique services, including mechanical leaf collection and snow removal.

**5. NOISE MITIGATION EFFORTS FOR  
AUDIBLE PEDESTRIAN SIGNALS.**

Commissioner of Works and Emergency Services  
(June 13, 2001)

Responding to a request from the Planning and Transportation Committee to report on the cost and feasibility of amending audible traffic signals to reduce ambient noise levels by utilizing receivers for people who require them; and recommending that this report be received by the Works Committee and forwarded to the Planning and Transportation Committee and the Board of Health for information.

**6. PEDESTRIAN CROSSOVERS.**

Commissioner of Works and Emergency Services  
(June 19, 2001)

Responding to the request of the Committee at its meeting of February 7, 2001, that the Commissioner of Works and Emergency Services examine improving pedestrian crossover signs to determine whether a more effective colour could be introduced, in particular, the colour red; discussing the purpose, design and criteria for installation, uniformity and current usefulness of pedestrian crossovers in the City of Toronto; advising that the design and installation criteria are a provincial standard which is set out within the regulations of the Highway Traffic Act and the Manual of Uniform Traffic Control Devices for Ontario; and recommending that this report be received for information.

**7. COST SHARING OF GRADE SEPARATIONS IN  
THE CITY OF TORONTO.  
(All Wards)**

Commissioner of Works and Emergency Services  
(June 20, 2001)

Responding to the request of the Committee at its meeting of July 12, 2000, for a report on several issues related to cost sharing for the construction of rail grade separations in the new City of Toronto; advising that the viability of embarking upon a proactive program of grade separations at this time on a City-wide basis is unlikely without a considerable and sustained funding commitment on the part of City Council and senior levels of government; noting that staff will continue to evaluate the need for grade separations at site specific locations with implementation through the annual capital program with due regard to City-wide needs and priorities; that staff will also continue investigating alternative funding scenarios through private development initiatives, ongoing discussions with railway companies and senior levels of government; and recommending that this report be received for information.

**8. TORONTO BIKE PLAN AND 2001 CYCLING PROJECTS.**

City Clerk  
(May 22, 2001)

Advising that the Toronto Cycling Committee at its meeting on May 14, 2001:

- (1) requested that the report (May 11, 2001) from Mr. Daniel Egan, Manager, Cycling and Pedestrian Infrastructure Unit, be forwarded to the Planning and Transportation Committee and the Works Committee, for their information; and
- (2) requested that the Commissioner of Economic Development, Culture and Tourism, be advised that the Toronto Cycling Committee strongly endorses the acquisition of the abandoned CN Leaside Branch, by the City of Toronto, for the purpose of connecting the Upper Don Trail to the Lower Don Trail, providing a continuous cyclable off-street route through the City of Toronto, as recognized in the Toronto Bike Plan and the Victor Ford Associates Hydro Rail Corridor Study.

## WATER AND WASTEWATER SERVICES

**9. DRAIN GRANT APPEAL FOR 92 GILLARD AVENUE.  
(Ward 32 - Beaches-East York)**

*DEFERRED FROM MEETING OF JUNE 6, 2001, WITH A REQUEST THAT THE COMMISSIONER OF WORKS AND EMERGENCY SERVICES MEET WITH THE OWNER OF 92 GILLARD AVENUE TO ATTEMPT TO DETERMINE WHETHER THERE WAS A COMPLETE DRAIN REPLACEMENT.*

Commissioner of Works and Emergency Services  
(May 31, 2001)

Advising that an appeal to a partial drain grant rebate has been made by the property owner of 92 Gillard Avenue, and that the applicant is requesting the maximum of \$1,500 to cover his costs of \$1,979.50 for partial repairs to the exterior portion of his private drain, as well as costs of \$360 for subsequent drain blockage work; and recommending that this appeal be denied as it is ineligible since it relates to interior work and camera investigations.

**10. DESIGNATION OF POLLUTION PREVENTION PLAN  
AND POLLUTION PREVENTION PLAN SUMMARY  
FORMS FOR THE DENTAL SECTOR.**

Commissioner of Works and Emergency Services  
(June 19, 2001)

Advising that dedicated pollution prevention plan and plan summary forms for the offices of dentists have been developed to assist dentists in complying with the requirements of the pollution prevention planning provisions of the City of Toronto Municipal Code Chapter 681; and recommending that the attached pollution prevention plan and pollution prevention plan summary forms be designated for use by the offices of dentists.

**11. CHEMICALS IN DRINKING WATER.**

Secretary, Board of Health  
(May 23, 2001)

Advising that the Board of Health, at its meeting on May 22, 2001:

- (1) recommended that the report (March 28, 2001) from the Medical Officer of Health respecting the potential health impacts of chemicals found in Toronto's drinking water, be forwarded to Council in accordance with Recommendation No. (1); and

- (2) adopted a Resolution by Mr. Brian Hyndman, wherein it is resolved that the Board of Health monitor any move towards privatization of Toronto's water supply and, in the event that a concrete proposal for privatization is brought forward, the Medical Officer of Health be requested to submit a report to the Board of Health with respect to the potential health impacts of such privatization.

**12. PROPOSED 2001 WEST NILE VIRUS RESPONSE PLAN.**

Secretary, Board of Health  
(June 19, 2001)

Advising that the Board of Health, at its meeting on June 18, 2001, recommended to the Works Committee and Council adoption of the following Recommendations Nos. (1); (2); and (5) contained in the report (June 5, 2001) from the Medical Officer of Health, that:

- (1) City Council endorse the Proposed Contingency Plan for the Prevention and Control of the West Nile Virus (WNV Contingency Plan);
- (2) City Council reiterate its request to the Province of Ontario to provide 100 percent funding for comprehensive measures to prevent and control the spread of WNV, recognizing the inter-municipal and international aspects of WNV disease transmission, and the need for provincial coordination and support of WNV prevention and control activities; and
- (5) the appropriate City officials report back jointly through the 2002 budget process on recommended service levels and costs for WNV prevention and control.

**TECHNICAL SERVICES**

**13. ACTION BY CANADIANS PROGRAM:  
THE ABC'S OF CLIMATE CHANGE.**

Commissioner of Works and Emergency Services  
(June 14, 2001)

Recommending that:

- (1) the Commissioner of Works and Emergency Services be authorized to incorporate the Action By Canadians (ABC) program among the existing and planned initiatives of the Energy Efficiency Office from 2001 to 2004, for implementation within the corporation as well as Agencies, Boards and Commissions of the City;

- (2) the Commissioner of Works and Emergency Services be authorized to gradually phase in the implementation of the Action By Canadians (ABC) program to the community at large based on funding provided to the City by the ABC program and its sponsors;
- (3) that any funding provided by government and/or private sector partners of this program be used in support of the delivery of the ABC program; and
- (4) the appropriate City officials be authorized and directed to take the necessary action to give effect thereto.

**14. ENGAGEMENT OF CONTRACTED ENGINEERING SERVICES  
FOR THE REHABILITATION OF DIGESTION TANKS 1 TO 6  
AT THE HUMBER TREATMENT PLANT - RFP: 9117-01-7459.**

Commissioner of Works and Emergency Services  
and Interim Chief Financial Officer and Treasurer  
(June 18, 2001)

Recommending that:

- (1) the firm of MacViro Consultants Inc. be engaged to provide engineering services for the rehabilitation of Digestion Tanks 1 to 6 at the Humber Treatment Plant for an estimated cost not to exceed \$3,315,451.92 including Goods and Services Tax (GST) and including contingencies as follows:
  - (a) for pre-design and detailed design services, an amount not to exceed \$1,140,952.10 including disbursements and GST plus a contingency allowance of \$115,000.00 to cover additional work, if necessary and authorized by the Commissioner of Works and Emergency Services;
  - (b) for general administration and site services during construction, an amount not to exceed \$1,791,858.22 including disbursements and GST for a construction period of up to 40 months plus a contingency allowance of \$180,000.00 including GST to cover extended services during construction of the rehabilitation beyond a period of 40 months at a rate not to exceed \$6,875.00 per week including disbursements and GST, if necessary and authorized by the Commissioner of Works and Emergency Services; and
  - (c) for post construction services, an amount not to exceed \$79,641.60 including disbursements and GST to cover consulting engineering services during the two-year warranty period of the construction contract plus a contingency allowance of \$8,000.00 including GST for additional services if necessary and authorized by the Commissioner of Works and Emergency Services; and

- (2) the appropriate City officials be directed to take the necessary action to give effect thereto.

**15. ADDITIONAL COSTS - F.G. GARDINER EXPRESSWAY  
DISMANTLING PROJECT, FROM  
DON ROADWAY TO LESLIE STREET –  
CONTRACT No. 00D1-01RD.**

Commissioner of Works and Emergency Services  
(June 18, 2001)

Recommending that:

- (1) approval be given for the expenditure of additional costs in the amount of \$2,340,400, for Contract No. 00D1-01RD; and
- (2) additional design and construction supervision fees in the amount of \$700,000 be authorized for Cole, Sherman & Associates Ltd. to complete the Gardiner Expressway East Dismantling Project.

**16. EXTENSION OF CONTRACT No. 01D2-01RD  
FOR MAJOR ROAD RESURFACING –  
HIGHWAY 27; DIXON ROAD; AND  
RAMPS AT HIGHWAY 27 AND DIXON ROAD.  
(Ward 2 – Etobicoke-North)**

Commissioner of Works and Emergency Services  
(June 8, 2001)

Recommending that Contract No. 01D2-01RD be extended by \$210,000 for additional boulevard improvements in the form of tree planting, sidewalk widening, patterned concrete as well as construction of a treed centre median just east of Carlingview Drive.

**17. EXTENSION OF CONTRACT No. 00D2-23RD -  
IMPROVEMENTS AT THE BROWNS LINE AND  
LAKE SHORE BOULEVARD WEST GATEWAY.  
(Ward 6 – Etobicoke-Lakeshore)**

Commissioner of Works and Emergency Services  
(June 8, 2001)

Recommending that Contract No. 00D2-23RD be extended by \$150,000 for additional plantings, a sitting area at the north edge of the plaza, and sidewalk and boulevard enhancements for the Browns Line and Lake Shore Boulevard West Gateway improvements.

**18. AGREEMENT RESPECTING JOINT OWNERSHIP OF COMPOSITE UTILITY MAPS IN THE FORMER CITY OF TORONTO.**

Commissioner of Works and Emergency Services  
(June 18, 2001)

Recommending that:

- (1) Council authorize the entering into of a joint ownership agreement between the City and the current and future members of the Toronto Public Utilities Coordinating Committee identified in this report as the "Digital Map Owners Group" who have purchased an undivided interest in the composite utility maps for the geographic area of the former City of Toronto, on such terms and conditions as may be satisfactory to the Commissioner of Works and Emergency Services and in such form as approved by the City Solicitor;
- (2) Council authorize the City Solicitor, in consultation with the Commissioner of Works and Emergency Services, to prepare the agreement referred to in Recommendation No. (1); and
- (3) the appropriate City officials be authorized and directed to take the necessary action to give effect thereto.

**19. LICENSING OF AERIAL PHOTOGRAPHS KNOWN AS TORONTO MONO VIEWER.**

Commissioner of Works and Emergency Services  
(June 13, 2001)

Recommending that:

- (1) the City enter into the software licensing agreement, set out in Attachment "A", with DVP Geomatic Systems Inc.;
- (2) the City Solicitor be authorized to prepare the necessary "shrink wrap" and other licensing agreements for the purpose of Recommendation No. (1); and
- (3) the appropriate City officials be authorized and directed to take the necessary action to give effect thereto including the introduction of any by-laws that may be required.

**20. INDUSTRIAL WASTE MANAGEMENT SYSTEM (IWMS) -  
RFP No. 3412-98-00946.**

Commissioner of Works and Emergency Services  
(June 14, 2001)

Recommending that:

- (1) the City be authorized to enter into a source code confidentiality agreement with the firm of enfoTech & Consulting Inc. for the release directly to the City of a copy of the source code for its software application, known as POTW Administration and Compliance System (PACS), for this project;
- (2) such agreement be in a form acceptable to the City Solicitor; and
- (3) the appropriate City officials be authorized and directed to take the necessary action to give effect thereto.

**21. HARMONIZATION OF PCB TRANSFERS, DECONTAMINATION  
AND WASTE STORAGE PROCEDURES.**

Secretary, Board of Health  
(June 19, 2001)

Advising that the Board of Health, on June 18, 2001, recommended to the Works Committee and Council adoption of the report (June 5, 2001) from the Medical Officer of Health, which recommended that:

- (1) the Board of Health request that City Council endorse in principle a PCB management plan that results in the phase out of PCBs in the City of Toronto and that does not result in a transfer of PCBs or PCB by-products into the surrounding environment;
- (2) City Council request that the Ontario Minister of the Environment inform the City of Toronto regarding applications for PCB transfers, decontamination and storage within the City of Toronto as follows:
  - (a) send notification of applications for transfer of PCBs into the City of Toronto to the City Clerk, the Medical Officer of Health, and Toronto Fire Services;
  - (b) send copies of Director's Instructions for transfers of PCBs within, through and out of the City of Toronto to the City Clerk, the Medical Officer of Health, and Toronto Fire Services in advance of any transfers taking place; and

- (c) continue to request proponents to send a copy of applications for decontamination of low-level PCBs to the City Clerk;
- (3) City Council request the Ministry of Environment not to issue Approvals for PCB transfers into the City that result in the long-term storage of PCBs in Toronto;
  - (4) the Board of Health recommend City Council adopt a destruction criterion for PCBs that reflects new international obligations and includes:
    - (a) destruction efficiency of effectively 100 percent of all PCBs;
    - (b) complete containment of all residues and wastes; and
    - (c) no uncontrolled releases to the environment;
  - (5) the City Clerk forward a copy of the applications and notifications as follows:
    - (a) applications and Director's Instructions for PCB transfers to the Emergency Planning Office of Works and Emergency Services;
    - (b) notifications for decontamination of low level PCBs to Toronto Fire Services, the Emergency Planning Office and Technical Services of Works and Emergency Services; and
    - (c) copies of the applications for decontamination of low level PCBs to the Medical Officer of Health, and Toronto Fire Services, the Emergency Planning Office and Technical Services of Works and Emergency Services;
  - (6) in order to improve the ability of the Toronto Fire Chief to reduce public safety risks:
    - (a) Toronto Fire Services review applications for transfers and decontamination of PCBs in order to update their database and emergency response information;
    - (b) Toronto Fire Services computer-aided dispatch system, currently under development, be approved as the corporate system to incorporate information about PCB storage sites in the City of Toronto;
    - (c) all City departments, agencies, boards and commissions provide to Toronto Fire Services their inventory of PCBs in storage, including where feasible, sites containing less than 50 litres;
    - (d) Toronto Fire Services make its information on PCB storage sites available to other City divisions at their request; and
    - (e) if in its regular surveillance activities, Toronto Fire Services identifies properties that contain unrecorded storage of PCBs or PCBs that are abandoned, Toronto Fire Services will notify the appropriate authorities

including, but not limited to, the Ontario Ministry of the Environment and City Planning Division of Urban Development Services;

- (7) if there is cause for concern on receipt of applications for transfers or decontamination of PCBs, the Medical Officer of Health request the Ontario Minister of the Environment to delay approval as necessary and where warranted, and thereafter, provide comments to the Minister of the Environment and to the Board of Health on those concerns;
- (8) Solid Waste Management Services of Works and Emergency Services investigate the possibility of accepting small quantities of PCB as part of its Household Hazardous Waste program;
- (9) Facilities and Real Estate, in consultation with other relevant divisions, prepare a plan, which includes resource implications, for the destruction of the City's PCB wastes and take into consideration benefits that could be gained by co-ordinated action between all City departments, agencies, boards and commissions, as well as the feasibility of using mobile non-incineration destruction technology;
- (10) the City Solicitor, in conjunction with the City Planning Division of Urban Development Services, review the need for changes in existing by-laws to ensure the harmonisation of policy and procedures for PCB transfers, decontamination and storage with in the City;
- (11) the City Clerk forwards this report to all City departments, agencies, boards and commissions for their information and action; and
- (12) the appropriate City officials be authorised and directed to take the necessary action to give effect thereto.

## **22. CONTRACTED ENGINEERING SERVICES - WATER POLLUTION CONTROL TREATMENT PLANTS.**

Commissioner of Works and Emergency Services  
(June 11, 2001)

Providing an update on the annual expenditures pertaining to existing long-term engineering consulting services for the three major Water Pollution Control Treatment Plants, including actual annual expenditures for 1992-2000, estimated expenditures for 2001-2002, and potential future commitments under each engineering consulting services agreement; and recommending that this report be received for information purposes.

**23. MONTHLY STATUS REPORT ON DISTRICT 1 –  
DEVELOPMENT APPLICATIONS.**

Commissioner of Works and Emergency Services  
(June 18, 2001)

Providing a monthly status report on the Department's progress relative to the development application backlog, and the volume of development applications received and processed in District 1, as requested by the Committee at its meeting on March 28, 2001; and recommending that this report be received for information.

**SOLID WASTE MANAGEMENT SERVICES**

**24. CONTRACT EXTENSION FOR REFUSE, BULKY ITEMS AND  
RECYCLABLE COLLECTION FROM MULTI-RESIDENTIAL  
APARTMENT BUILDINGS, MULTI-RESIDENTIAL TOWNHOUSE  
LOCATIONS, MUNICIPAL AND INSTITUTIONAL AND  
COMMERCIAL ESTABLISHMENTS IN DISTRICTS 3 AND 4  
(NORTH YORK AND SCARBOROUGH) - CONTRACT No. 358.**

Commissioner of Works and Emergency Services  
and Interim Chief Financial Officer and Treasurer  
(June 21, 2001)

Recommending that:

- (1) authority be granted to extend the existing contract with J & F Waste Systems Inc. for refuse, bulky items and recyclable collection from multi-residential apartment buildings, multi-residential townhouse locations, and municipal, institutional and commercial establishments in Districts 3 and 4 (North York and Scarborough) at a total estimated cost of \$1,915,548.75 including all charges and taxes, for an additional one-year period commencing February 1, 2002, and expiring on January 31, 2003; and
- (2) the appropriate officials be authorized and directed to take the necessary actions to give effect thereto.
