(2) **Proposed Amendment to Council Procedures - Staff Permitted on Floor of Council**

**Moved by: Councillor Walker**

**Seconded by: Councillor Johnston**

“**WHEREAS** up until 1998, it was the practice of Toronto City Council not to allow political staff from the Mayor’s and Councillors’ offices onto the floor of Council; and

**WHEREAS** since 1998, it has been commonplace to observe political staff from the Mayor’s office, specifically, circulating on the floor of Council, lobbying and sometimes harassing Members of Council or, even worse, during debate and on many occasions, while a vote is taking place; and

**WHEREAS** this practice is extremely disruptive to any Councillor who is voting, speaking or trying to ask questions and to those who are trying to follow the debate; and

**WHEREAS** there is ample opportunity before Council meetings and during the regularly scheduled intervals during the Council meeting for the Mayor to dispatch his troops to lobby Councillors on issues that are of importance to him; and

**WHEREAS** the practices and procedures of our two senior levels of government do not allow the Prime Minister’s or Premier’s staff onto the floor of Parliament or the Legislature during debate; and

**WHEREAS** City Council at its meeting held on July 24, 25 and 26, 2001, referred this motion for consideration to the Administration Committee; and

**WHEREAS** after the usual arm twisting by the Mayor’s staff, Councillor Nunziata eagerly moved to receive this motion, supported by Councillors Berardinetti, Ford, Holyday and Soknacki, and vigorously opposed by Councillor Sandra Bussin; and

**WHEREAS** Councillor Sandra Bussin, as a member of the Administration Committee, requested that this motion be forwarded to City Council in a manner to allow for the ‘full Council’ to debate its merits which was shamelessly refused by Councillors Berardinetti, Ford, Holyday and Soknacki;

**NOW THEREFORE BE IT RESOLVED THAT** Toronto City Council debate this Motion with the intent to amend its Procedural By-law, Chapter 27 of the City of Toronto Municipal Code, to allow that only Members of Council, necessary City Staff (i.e., the Clerk’s staff and Security) and senior staff who are there to provide information or answer questions be permitted on the floor of Council while meetings are in session.”

*Disposition: The Motion was referred to the Administration Committee.*

(3) **Harmonization of the Division Fence By-law**

“**WHEREAS** City Council at its meeting held on May 30, 31 and June 1, 2001, adopted, with amendment, Planning and Transportation Committee Report No. 5, Clause No. 3, headed ‘Harmonization of the Division Fence By-law’; and

**WHEREAS** the amendments passed created a new system in the former municipalities of Scarborough, North York, Etobicoke, East York and York while retaining a separate system for the former City of Toronto as prescribed by Chapter 182 of the Toronto Municipal Code; and

**WHEREAS** Chapter 182 of the former Toronto Municipal Code states, ‘Where the owners of adjoining land are unable to agree as to what constitutes a just proportion of the erection, repair, replacing or maintenance of a division fence...the matters of dispute shall be settled by a Board of Arbitrators...’ appointed by the City of Toronto; and

**WHEREAS** Chapter 182 of the former Toronto Municipal Code also states that a nominal fee of \$100.00 shall be charged for arbitration of a division fence dispute; and

**WHEREAS** Chapter 182 of the former Toronto Municipal Code states in terms of decision that, ‘In the case of an equal division of opinion between the members of the Board of Arbitrators, the decision of the City Surveyor shall prevail’, and ‘In all other cases, the decision of a majority of the Board shall prevail, and the award shall be made accordingly’; and

**WHEREAS** Chapter 182 of the former Toronto Municipal Code states that the Board of Arbitrators shall, ‘Examine the premises, and, if required by either party, hear evidence and may examine the parties or their witnesses on oath...’ and, ‘Make an award in writing...’ and, ‘consider the proportion in which the respective parties will benefit or have benefited from the work and reduce accordingly the amount payable by any party whom the Board considers will not benefit or has not benefited to the same extent as the other party’; and

**WHEREAS** Chapter 447 of the current City of Toronto By-law makes no reference to arbitration of a division fence by the City of Toronto; and

**WHEREAS** Chapter 447 of the current City of Toronto By-law does not make any references to any means of arbitration; and

**WHEREAS** under the current City of Toronto By-law No. 472-2000, disputes regarding a division fence are ultimately a private matter needing resolution by the courts, even though the by-law is silent on this matter; and

**WHEREAS** the costs of such court proceedings are prohibitive in comparison to the former \$100.00 charge for City Arbitration; and

**WHEREAS** the end result of such procedures are citizen frustration instead of resolution;

**NOW THEREFORE BE IT RESOLVED THAT**, in accordance with §27-49 of Chapter 27 of the City of Toronto Municipal Code, Planning and Transportation Committee Report No. 5, Clause No. 3, headed ‘Harmonization of the Division Fence By-law’, be re-opened for further consideration;

**AND BE IT FURTHER RESOLVED THAT** Council adopt the arbitration process, as embodied in Chapter 182 of the former Toronto Municipal Code, as the arbitration process for the entire City of Toronto, and the Board of Arbitrators handle all disputes regarding division fences in all of the former Municipalities in the new City of Toronto;

**AND BE IT FURTHER RESOLVED THAT** the necessary Bill be introduced to give effect to the foregoing.”

(4) **Through-way Lanes for Truck Traffic on Highway 401**

**Moved by: Councillor Moscoe**

“**WHEREAS** there are increasing numbers of tractor trailers on Highway 401; and

**WHEREAS** the safety of motorists is often jeopardized by excessive volumes of large trucks during daytime hours traversing Toronto via this highway; and

**WHEREAS** the establishment of Highway 407 as a toll road has further exaggerated the volumes of heavy truck traffic on Highway 401 through Toronto; and

**WHEREAS** some American cities have restricted heavy truck traffic to a single lane of freeways; and

**WHEREAS** Highway 401 through Toronto is uniquely structured to allow for the establishment of truck through-lanes on separated rights-of-way;

**NOW THEREFORE BE IT RESOLVED THAT** the City consider recommending to the Province that the inside through-lanes of Highway 401, in both directions, be established as truck through-ways;

**AND BE IT FURTHER RESOLVED THAT** the truck through-ways be separated from the rest of the highway by jersey barriers which allow for entry and exit at the east and west borders of Toronto;

**Seconded by:                Councillor Balkissoon**

“**WHEREAS** on July 13, 2001, the 2008 Olympics were awarded to Beijing, China; and

**WHEREAS** TO Bid needed \$6 million from the Federal and Provincial governments to complete this initiative; and

**WHEREAS** in the aftermath of Toronto’s 1996 Olympic Bid it was discovered that its financial records were not properly maintained and a complete financial accounting was not provided to the public, through City Council; and

**WHEREAS** Members of Toronto City Council were promised by the Commissioner of Economic Development, Culture and Tourism, Mr. Joe Halstead, as Co-Chair of the TO-Bid Committee, that the 2008 Olympic Bid process would be open and transparent and there would be full and complete financial reporting; and

(6) **Ontario Municipal Board Hearing – Consent and Variances to create a lot on Devonridge Crescent**

**Moved by: Councillor Moeser**

**Seconded by: Councillor Duguid**

“**WHEREAS** the Committee of Adjustment, East District, refused consent application B66/00SC and minor variance application A223/00SC, Climas Construction Ltd., to create a single family building lot fronting on Devonridge Crescent; and

**WHEREAS** City Council on July 24, 25 and 26, 2001, adopted the recommendation of the Scarborough Community Council, which adopted the recommendations in the report of July 4, 2001 from the Director of Community Planning, East District, that the City Solicitor make representation to the Ontario Municipal Board in support of the Committee of Adjustment’s refusal of the applications; and

**WHEREAS** the primary basis for the Director of Community Planning’s concern respecting the applications is that the remainder blocks east and west of the proposed building lot might not be developed in substantial conformity with the Highland Creek Secondary Plan adopted by former Scarborough Council on April 15, 1997, including a tertiary plan required such blocks to be developed in conjunction with abutting lands in order to provide for lots that would have a compatible lotting pattern with other lots within Plan 66M-2286; and

**WHEREAS** this Notice of Motion is brought on an urgent basis, because the Ontario Municipal Board hearing for this matter commenced at 10:00 a.m. on October 1, 2001 and was deferred to the afternoon of October 2, 2001, to enable this Council to consider a settlement proposal provided by the applicant; and

**WHEREAS** the applicant proposes to register a development agreement on title to the proposed remainder blocks providing that they may only be developed in substantial conformity with the Highland Creek Secondary Plan adopted by former Scarborough Council on April 15, 1997, including a tertiary plan required such blocks to be developed in conjunction with abutting lands in order to provide for lots that would have a compatible lotting pattern with other lots within Plan 66M-2286; and

**WHEREAS** the covenant in the development agreement provides a further layer of support for the existing zoning by-law and official plan provisions guiding the development of these remainder blocks in a manner that is compatible with existing lots in the neighbourhood and operates as a current affirmation that the policies of the Highland Creek Secondary Plan continue to represent good planning principles; and

**WHEREAS** settlement of the Ontario Municipal Board hearing on this basis is supported by the Director of Community Planning, East Division, there are no neighbours in opposition to the application and the settlement proposal is in the interests of the City, because the City may not be able to obtain such a covenant in the event of a contested hearing;

**NOW THEREFORE BE IT RESOLVED THAT** Council authorize the City Solicitor to settle the appeals to the Ontario Municipal Board of consent application B66/00SC and minor variance application A223/00SC, Climas Construction Ltd., to create a single family building lot fronting on Devonridge Crescent on the basis that the applicant register a development agreement on title to each of the east and west remainder blocks providing that they will not be developed except in substantial conformity with the Highland Creek Secondary Plan adopted by former Scarborough Council on April 15, 1997, including a tertiary plan required such blocks to be developed in conjunction with abutting lands in order to provide for lots that would have a compatible lotting pattern with other lots within Plan 66M-2286.”
