#### **14.12 Public Health - 2001 Operating and Capital Budgets**

The Budget Advisory Committee, during its deliberations, had before it the recommended 2001 Operating and Capital Budgets for Public Health.

The Budget Advisory Committee also had before it the following reports and communications:

- (a) (January 23, 2001) from the City Clerk advising that the Board of Health on January 22, 2001, recommended the addition of \$201,327.00 (gross) and \$100,663.00 (net) to the 2001 Public Health operating budget to implement the first phase of priority recommendations identified in the Chief Administrative Officer's report on the Resource Implications of the Environmental Plan;
- (b) (February 14, 2001) from Councillor Irene Jones, Ward 6 Lakeshore-Queensway, forwarding correspondence from The Honourable Charles Caccia, M.P., regarding the replacement of lead and iron pipes existing in Toronto;
- (c) (February 21, 2001) from the Secretary, Board of Health, advising that the Board of Health on February 19, 2001, recommended that:
  - (1) in order to accommodate the City's financial pressures while minimizing the longer term impacts on programs and services, the 2001 Public Health Operating Budget Submission be reduced as noted below:
    - (a) withdrawal of the budget increase to annualize CYAC initiatives for childhood dental decay prevention (\$21,000.00 gross/net) and mental health promotion (\$124,000.00 gross/\$62,000.00 net);
    - (b) deferral of the budget increase to annualize the Raccoon Rabies control program (\$91,100.00 gross/\$45,500.00 net);
    - (c) withdrawal of budget increase to re-design the courier service (\$22,300.00 gross/\$0 net);
    - (d) withdrawal of the budget increase to create a new Epidemiologist position in the Communicable Disease Surveillance Unit, this position to be funded through reallocation within the existing staff complement (\$43,000.00 gross/\$21,500.00 net);
    - (e) deferral of the budget increase for the Hot Weather Alert plan (\$30,000.00 gross/net);

Budget Advisory Committee Minutes  
Monday, March 26, 2001

---

- (f) reduction of the budget increase to harmonize Animal Services from \$641,900.00 to \$200,000.00 gross/net, so as to defer harmonization of field services and instead set aside these funds as a contingency for one-time expenses in the event that the City takes over the direct delivery of animal shelter services in the South Region (thereby reducing this budget pressure by \$441,900.00 gross/net);
- (g) withdrawal of the budget increase to make the Retirement Homes hotline program permanent (\$377,900.00 gross/\$251,900.00 net), with mandatory inspections to be funded through reallocation of half-year funding already contained in the 2000 base budget (\$597,400.00 gross/\$298,700.00 net);
- (h) withdrawal of the temporary budget increase for ETS by-law enforcement, such resources to be provided through temporary reallocation within the existing staff complement for Tobacco Control Act enforcement and other inspection activities as may be required (\$188,300.00 gross/\$94,200.00 net);
- (i) withdrawal of the budget increase to provide permanent funding for the shortfall in contracted payments to Hassle-Free Clinic (\$40,000.00 gross/\$20,000.00 net);
- (j) withdrawal of the one-time budget increase to fund a promotional campaign for sexual health clinics (\$125,000.00 gross/\$62,500.00 net);
- (k) withdrawal of the budget increase to develop an information and performance measurement framework (\$75,000.00 gross/\$37,500.00 net);
- (l) transfer of the Phase 2 costs to amalgamate the Reportable Disease Information System to the City's Transition Capital fund (\$112,000.00 gross/\$56,000.00 net);
- (m) withdrawal of the budget increase to conduct rapid risk factor surveillance for the purpose of program planning and evaluation (\$75,000.00 gross/\$37,500.00 net);

Budget Advisory Committee Minutes  
Monday, March 26, 2001

---

- (n) withdrawal of the budget increase for the Food Safety (basic) program, these resources being provided through internal reallocation within the existing staff complement, thereby ceasing investigation of nuisance complaints involving non-food premises (e.g., odours, insects, garbage, pigeons, recluses and other matters deemed by inspectors not to be public health hazards) (\$907,500.00 gross/\$453,800.00 net);
  - (o) deferral of the budget increases to implement priority recommendations in the City's Environmental Plan to reduce air pollution and reduce community pesticide use (\$201,300.00 gross/\$100,600.00 net);
  - (p) permanent reduction in the base budget for the Public Health Planning and Policy Service totalling 10 percent over two years, this reduction to be accomplished through a service redesign that retains the skill sets essential to the development and support of public health policies, programs and services (\$238,900.00 gross/\$119,500.00 net);
  - (q) transfer of the base budget for the Extreme Cold Weather Alert program to the City's Shelter, Housing and Support Division (\$30,000.00 gross/net); and
  - (r) a technical adjustment to correct the FTE's in Phase 1 of the TB Control program expansion from 8.25 to 9.00, as per report under separate cover;
- (2) City Council not approve the following reductions to public health programs and services as recommended in the corporate budget submission in view of their impact on the health of the City's residents, including:
- (a) reducing the annualized budget of the CYAC initiative for Prenatal Nutrition (\$240,000.00 gross/\$109,600.00 net);
  - (b) eliminating the City's non-mandatory public health dental treatment program (\$5,200,000.00 gross/net);
  - (c) eliminating nursing assessment and referral services for vulnerable adults and seniors (\$931,200.00 gross/\$465,600.00 net);
  - (d) reducing sexual health clinic staffing levels to the provincial minimum (\$205,400.00 gross/\$102,700.00 net);

Budget Advisory Committee Minutes  
Monday, March 26, 2001

---

- (e) eliminating purchase-of-service agreements with community agencies for sexual health promotion and HIV risk reduction (\$675,000.00 gross/\$337,500.00 net);
  - (f) eliminating provincially mandated programs for Injury Prevention and Substance Abuse Prevention among seniors (\$273,000.00 gross /\$136,500.00 net); and
  - (g) reducing public health inspection services for “demand” calls, such as investigation of potential health hazards, response to information requests and concerns from Councillors and community members, and review of site plan and licensing applications (\$1,051,200.00 gross /\$525,600.00 net);
- (3) City Council not approve the corporate recommendation to reduce the Toronto Animal Services budget, as this would reduce the hours of operation for shelters currently operated by the City’s Animal Services and increase response times for complaints and by-law enforcement (\$239,000.00 gross/net);
  - (4) City Council vigorously oppose any further cuts to public health programs and services, particularly cuts aimed at achieving a five percent reduction below the 2000 Approved Operating Budget, in view of the widespread impact on the health of Toronto residents;
  - (5) while the Board of Health supports the intent of the recommendations of the Children and Youth Action Committee (CYAC) and from the Food and Hunger Action Committee, any additional pressures arising from the recommendations from these two Committees be subject to the availability of additional funding, and not at the expense of the existing public health programs and services; and
  - (6) the Budget Advisory Committee and Council consider funding some of the initiatives of the Toronto Environmental Plan through water and hydro revenues and that new initiatives for Air Quality and Pesticide Control programs be managed by Toronto Public Health;
- (d) (February 21, 2001) from the Secretary, Board of Health, advising that the Board of Health on February 19, 2001, recommended the adoption of the following Resolution by Councillor Joe Mihevc:

“WHEREAS the Toronto Humane Society (THS) has indicated that it is not prepared to continue to offer its services to shelter animals in the South Region of the City unless it receives a 35 percent increase for its contract with the City;

Monday, March 26, 2001

---

WHEREAS the THS is proposing changes to the terms and conditions of the contract to remove the six month notice of termination clause in the current agreement and has also changed its agency by-laws with the effect of eliminating the City Council appointee to the Board of Directors; and

WHEREAS the City has a responsibility to provide animal services;

THEREFORE BE IT RESOLVED THAT the City not renew its contract with the Toronto Humane Society and that staff be authorized and directed to make arrangements to directly deliver City operated animal shelter services for the South Region beginning April 1, 2001;

AND BE IT FURTHER RESOLVED THAT the City support the transition to direct City-wide delivery as a priority by:

- (1) assisting with procurement of suitable facilities and the necessary IT infrastructure and support to meet service delivery needs and IT support; and
  - (2) providing the required operational and one-time start-up costs.”;
- (e) (February 21, 2001) from the Secretary, Board of Health, advising that the Board of Health on February 19, 2001, recommended that:
- (1) a four-year phased-in enhancement to the Toronto Public Health TB Control Program be endorsed in principle;
  - (2) an additional \$567,000.00 gross/\$283,500.00 net in 2001 (including a one-time cost of \$30,600.00) along with an additional \$503,300.00 gross/\$251,600.00 net for the annualization in 2002, to implement the first phase of the TB Control Program enhancement as contained in the Toronto Public Health 2001 Operating Budget submission be approved;
  - (3) the City of Toronto strongly urge Citizenship and Immigration Canada (CIC) to strengthen its medical surveillance system to identify TB cases in refugees and new immigrants to Canada, in consultation with Toronto Public Health and other key stakeholders; and
  - (4) the appropriate City officials be authorized and directed to take the necessary action to give effect thereto;
