**DECLARATIONS OF INTEREST PURSUANT TO
THE MUNICIPAL CONFLICT OF INTEREST ACT****CONFIRMATION OF MINUTES.****DEPUTATIONS/PRESENTATIONS:****1. 2003 CAPITAL AND OPERATING BUDGET REVIEW.**

DEPUTATION ITEM - SCHEDULED FOR 10:00 a.m., JANUARY 8, 2003

2003 Capital and Operating Budgets pertaining to:

Works and Emergency Services:

- Solid Waste Management Services;
- Transportation Services;
- Water and Wastewater Services;
- WES Departmental (Capital);
- Technical Services (Operating); and
- Support Services (Operating).

(NOTE: MEMBERS ARE RESPECTFULLY REQUESTED TO BRING THEIR COPIES OF THE 2003 CAPITAL AND OPERATING BUDGET MATERIAL TO THE MEETING.)

1(a). Car Free Day.

City Clerk

(November 12, 2002)

Advising that the Budget Advisory Committee at its meeting held on November 8, 2002 had before it a communication (October 7, 2002) from the City Clerk advising that the Toronto Cycling Committee, at its meeting held on September 23, 2002, requested the Budget Advisory Committee to plan for an ambitious program for a Car Free Day in the budget year 2003-2004, and provide adequate human and financial resources to make it a reality and that the Budget Advisory Committee:

- (1) referred the aforementioned communication to the Works Committee for consideration during the 2003 Budget Process; and
- (2) requested that, in the future, all Toronto Cycling Committee reports be forwarded through the Works Committee.

1(b). 2003 Budget - Cycling Related Activities.

City Clerk

(November 13, 2002)

Advising that the Toronto Cycling Committee at its meeting held on November 12, 2002, requested the Works Committee to approve a Resolution that the Works Committee recommend to City Council the amount of \$2,000,000 for the Works and Emergency Services Capital Budget program for Toronto Bike Plan projects in the fiscal year 2003.

1(c). 2003 Budget - Cycling Related Activities.

City Clerk

(November 13, 2002)

Advising that the Toronto Cycling Committee at its meeting held on November 12, 2002, requested the Works Committee to approve a Resolution that the Works Committee be requested to increase the Cycling Infrastructure planning staff complement, in the Works and Emergency Services Department, in order to facilitate the realization of the goals of the Toronto Bike Plan.

**1(d). Improvements at Keele Street and Wilson Avenue
Intersection and on Wilson Avenue.
(Wards 8, 9 and 10)**

City Clerk

(November 25, 2002)

Advising that the North York Community Council at its meeting held on November 13, 2002, referred the request embodied in the first Operative Paragraph of the Resolution submitted by Councillor Augimeri, Ward 10 - York Centre, to the Works Committee, and in so doing, recommended the following to the Works Committee for its consideration:

“That the Commissioner of Works and Emergency Services be requested to include Wilson Avenue between Keele Street and Bathurst Street in their Capital Works Road Resurfacing Program for 2001-2006 in order to coordinate improvements at the Keele Street and Wilson Avenue intersection, and on Wilson Avenue between Keele Street and Bathurst Street.”

1(e). Morningside Yard - Recycling Depot

City Clerk

(December 10, 2002)

Advising that the Works Committee at its meeting held on December 10, 2002, had before it a report (November 15, 2002) from the Commissioner of Works and Emergency Services responding to a request from Scarborough Community Council to report on the possibility of reopening and partially operating the recycling depot at the Morningside Works Yard; and further advising that the Committee requested that the Commissioner of Works and Emergency Services, in consultation with interested Councillors, if necessary, refer this matter to the budget process for the allocation of adequate resources to reopen the recycling depot for a trial period of one year.

**2. FRONT STREET EXTENSION
ENVIRONMENTAL ASSESSMENT.**

DEPUTATION ITEM – SCHEDULED FOR 10:00 a.m., JANUARY 15, 2003

REPORT TO FOLLOW.

3. NEW AND EMERGING TECHNOLOGIES, POLICIES AND PRACTICES - FORMATION OF CITIZEN AND EXPERT ADVISORY GROUP.

DEPUTATION ITEM – SCHEDULED FOR 2:00 p.m., JANUARY 8, 2003

Commissioner of Works and Emergency Services
(December 18, 2002)

Recommending that the following recommendations of the New and Emerging Technologies, Policies and Practices Working Group of the Works Committee be considered:

- (1) the In Camera list of recommended candidates for the seven “Citizen” and four “Expert” members for the New and Emerging Technologies, Policies and Practices Citizen and Expert Advisory Group, be adopted by Works Committee;
- (2) as a condition of acting as an “Expert” member of the New and Emerging Technologies, Policies and Practices Citizen and Expert Advisory Group, each candidate is required to sign a waiver foregoing any involvement in responding to any subsequent procurement process;
- (3) the In Camera list of recommended candidates for the voting and non-voting “stakeholder” members and observers for the New and Emerging Technologies, Policies and Practices Citizen and Expert Advisory Group, as nominated by their respective organizations, be adopted by Works Committee;
- (4) the New and Emerging Technologies, Policies and Practices Working Group of Works Committee be given authority by Works Committee to appoint the Co-Chairs of the New and Emerging Technologies, Policies and Practices Citizen and Expert Advisory Group following initial orientation meetings;
- (5) the addition of a representative of the Toronto District School Board as a non-voting official “Observer” of the New and Emerging Technologies, Policies and Practices Citizen and Expert Advisory Group;
- (6) the total expenditure of up to a maximum of \$30,000.00 for the payment of per diem allowances for the four “Expert” members of the New and Emerging Technologies, Policies and Practices Citizen and Expert Advisory Group, at a per diem rate of \$500.00 per meeting (inclusive of GST) from the budget of \$50,000.00 for the work of the New and Emerging Technologies, Policies and Practices Citizen and Expert Advisory Group in 2003 (Solid Waste Management Services Capital Account CSW 004 (Diversion Facilities)); and

- (7) the appropriate City officials be authorized and directed to take the necessary action to give effect thereto.

(NOTE: THE IN CAMERA LIST REFERRED TO IN THE ABOVE REPORT WILL BE FORWARDED LATER TO MEMBERS OF THE WORKS COMMITTEE.)

SOLID WASTE MANAGEMENT SERVICES

4. CREATION OF AN APARTMENT WORKING GROUP ON WASTE DIVERSION.

Commissioner of Works and Emergency Services
(December 17, 2002)

Recommending that:

- (1) an Apartment Working Group be created that will include representation from Works and Emergency Services (policy and planning, communications, and operations staff), representatives from environmental groups, property management companies, developers, and residents;
- (2) a member of the Works Committee be appointed to chair this Working Group under the umbrella of the Waste Diversion Task Force 2010;
- (3) the Chair of the Working Group in consultation with staff prepare a list of potential representatives to be invited to participate in the Working Group; and
- (4) the Working Group assist staff to consider processes and technologies required to implement source separated organics diversion in multi-residential dwellings.

5. ENVIRONMENT DAYS.

Commissioner of Works and Emergency Services
(December 17, 2002)

Providing information on the results of the 2002 Environment Day program and identifying changes for the 2003 operating year; advising that Scarborough Councillors will be given the first opportunity to book their events, due to the roll out of the source separated organics program in Scarborough on June 24, 2003, similar to the opportunity provided to the Etobicoke Councillors in 2002; further advising that Environment Days will be advertised in the collection calendars, and that all events must be booked by February 7, 2003 to meet the print deadlines for the calendars; noting that participation in Environment Days is expected to increase in 2003, partially due to interest in the Green

Bin program and also due to the addition of the collection calendar as an advertising venue; and recommending that this report be received for information.

6. UPDATE OF TASK FORCE 2010 RECOMMENDATIONS.

Commissioner of Works and Emergency Services
(December 17, 2002)

Submitting a table summarizing the status of the major Task Force 2010 programs, as requested by the Committee at its meeting on November 6, 2002; and recommending that this report be received for information.

7. COST TO AMEND CURBSIDE WASTE COLLECTION CONTRACT TO INCLUDE SOURCE SEPARATED ORGANICS COLLECTION IN THE YORK COMMUNITY.

(DEFERRED FROM LAST MEETING)

City Clerk
(December 2, 2002)

Advising that City Council at its meeting held on November 26, 27 and 28, 2002, struck out and referred the following Item (c) in Clause No. 37 of Report No. 12 of the Works Committee, entitled "Cost to Amend Curbside Waste Collection Contract to Include Source Separated Organics Collection in the York Community", back to the Works Committee for further consideration:

"The Works Committee reports having concurred in the recommendations contained in the following report:

(October 21, 2002) from the Commissioner of Works and Emergency Services respecting the status of negotiations with Turtle Island Recycling to amend the curbside waste collection contract to include Source Separated Organics in the York Community by June 2004; advising that Turtle Island has requested to defer discussion on the renegotiation of the York contract until late 2002 due to their current commitment to the Etobicoke contract and recently implemented Green Bin Program; and recommending that:

- (1) this report be received for information; and
- (2) staff report back to the Works Committee by April 2003 with the results of negotiation with Turtle Island Recycling to amend their contract to include Source Separated Organics (SSO) collection in the York Community by June 2004."

TECHNICAL SERVICES

8. **DEVELOPMENT REVIEW PROCESS - HARMONIZED PEER REVIEW PROCESS FOR CONTAMINATED SITES - STATUS UPDATE.**

Commissioner of Works and Emergency Services
(December 16, 2002)

Providing a status report on the implementation of the Harmonized Peer Review Process for Contaminated Sites which was approved by Council in June 2002; advising that since September 2002, staff have been using the peer reviewers employed by the former municipalities, and by March 2003, peer reviewers will have been engaged to provide the service to Development Engineering case management staff in accordance with the Purchasing By-law; further advising that at that time, the monitoring and evaluation program led by Toronto Public Health will begin for a period of one year with a possible six-month extension, following which it will be possible to report fully on the efficacy of the new program; and recommending that:

- (1) this report be received for information; and
- (2) this report be forwarded to the Budget Advisory Committee for consideration of the 2003 Toronto Public Health Budget.

9. **AMENDMENT TO PURCHASE ORDER FOR RESURFACING OF KINGSTON ROAD - CONTRACT No. 02D4-001RD, TENDER CALL No. 107-2002. (Ward 36 - Scarborough Southwest; Ward 43 - Scarborough East)**

Commissioner of Works and Emergency Services
(November 29, 2002)

Respecting an amendment to the existing purchase order limit for Contract No. 02D4-001RD, Tender Call No. 107-2002, for the resurfacing of Kingston Road, from Chine Drive to St. Clair Avenue East and from Markham Road to CNR (east of Guildwood Parkway); and recommending that:

- (1) Purchase Order No. 6007092 be amended by \$290,562.55 from \$2,881,128.55 to \$3,171,691.10 including all taxes and charges; and
- (2) the appropriate City officials be authorized to take the necessary action to give effect thereto.

10. AMENDMENT TO PURCHASE ORDER FOR ROAD RECONSTRUCTION AND WATERMAIN REPLACEMENT - SHEPPARD AVENUE EAST - CONTRACT Nos. 02D4-003RD AND 02D4-004WS. (Ward 42 – Scarborough Rouge River; Ward 44 - Scarborough-East)

Commissioner of Works and Emergency Services
(December 10, 2002)

Respecting an amendment to the existing purchase order limit for Contract Nos. 02D4-003RD and 02D4-004WS, Tender Call No. 167-2002, for road reconstruction and watermain replacement on Sheppard Avenue East from Kingston Road to Meadowvale Road; and recommending that:

- (1) Purchase Order No. 47006723 be amended by \$1,495,000.00 from \$5,661,094.72 to \$7,156,094.72 including all taxes and charges; and
- (2) the appropriate City officials be authorized to take the necessary action to give effect thereto.

11. RADIO COMMUNICATION SYSTEMS FOR NON-POLICE/FIRE/EMERGENCY MEDICAL SERVICES.

*REPORT TO FOLLOW.
TO BE CONSIDERED WITH BUDGET.*

TRANSPORTATION SERVICES

12. SNOW DISPOSAL FEASIBILITY STUDY.

Commissioner of Works and Emergency Services
(December 13, 2002)

Recommending that:

- (1) snow disposal be recognized as an essential activity and, therefore, a critical and important land use for the existing disposal sites;
- (2) the snow disposal sites located in the valley lands continue to be used, while the effectiveness of the portable melters and mitigation measures for valley land sites are assessed;

- (3) the City acquire a new 275 tonne portable melter at an estimated cost of \$800,000 and its operation and performance be evaluated prior to investing in additional units;
- (4) short-term minor mitigation measures as outlined in this report be undertaken at each of the primary sites and a number of emergency sites;
- (5) major mitigation measures as outlined in this report be implemented as soon as possible at one of the valley land sites and the effectiveness of these measures be evaluated. The valley land site will be selected following additional site evaluation;
- (6) the snow disposal operation be implemented based upon the City's Snow Removal Plan, dated December 4, 1999, that includes snow disposal coordination, site management, staff training and logistics;
- (7) environmental monitoring, modelling and reporting be performed by Works and Emergency Services Technical Services staff, Water and Wastewater Services staff, and the Toronto and Region Conservation Authority for periods before and after the implementation of mitigation measures; and
- (8) the appropriate City officials be authorized and directed to take the necessary action to give effect thereto.

13. WINTER ROAD MAINTENANCE LEVEL OF SERVICE IN EARLY FALL.

Commissioner of Works and Emergency Services
(December 13, 2002)

Respecting the adequacy of plans to handle snow clearing in early fall and determine if some services should be brought in-house when contracted services are not available, as requested by City Council at its regular meeting held on November 26, 27 and 28, 2002; advising that snowfall in the month of November usually averages six centimetres with no significant accumulations, and that safe driving conditions can be achieved with the available salt spreading equipment; noting that if the need arises, City snow ploughs can be redeployed to North York and Scarborough communities and contracted snow ploughs made available to handle rare significant snow accumulations; further advising that any consideration of increasing the City's in-house capability to plough snow during this period would have to be weighed against the considerable cost of this service expansion; and recommending that this report be received for information.

14. USE OF CAMERAS TO ENFORCE TRANSIT LANES.

General Secretary, Toronto Transit Commission
(December 10, 2002)

Advising that the Toronto Transit Commission at its meeting held on December 9, 2002, adopted the Recommendations contained in Report No. 25, entitled "Use of Cameras to Enforce Transit Lanes"; noting, in part, that TTC staff will meet with City staff involved in the red-light camera initiative in order to assess the feasibility and costs of a demonstration project of transit lane enforcement using roadside cameras, and will report back prior to the 2004 budget submission; and forwarding this report to the City Works and Planning and Transportation Committees, City Transportation Services and Planning Divisions, the Toronto Police Service, the Gridlock Subcommittee of the Central Ontario Smart Growth Panel, and the Ontario Ministry of Transportation.

WATER AND WASTEWATER SERVICES

15. WATER EFFICIENCY PLAN.

REPORT TO FOLLOW.

**16. ICMC REVIEW OF THE CITY'S COMPLIANCE WITH
ASHBRIDGES BAY TREATMENT PLANT
ENVIRONMENTAL ASSESSMENT
MEDIATION REPORT'S COMMITMENTS.
(All Wards and Ward 32)**

REPORT TO FOLLOW.

**17. WORKS BEST PRACTICES PROGRAM -
STATUS REPORT NO. 6.**

REPORT TO FOLLOW.

**18. SECURITY MEASURE AT WATER AND
WASTEWATER FACILITIES FOR FILMING.**

REPORT TO FOLLOW.

WORKS COMMITTEE

SUPPLEMENTARY AGENDA

Date of Meeting: Wednesday, January 8
and January 15, 2003

Time: 9:30 a.m.

Location: Committee Room 1
City Hall
100 Queen Street West

Enquiry: Trudy Perrin

**2. FRONT STREET EXTENSION
ENVIRONMENTAL ASSESSMENT AND PRELIMINARY
DESIGN STUDY ADDENDUM REPORT.**

DEPUTATION ITEM – SCHEDULED FOR 10:00 a.m., JANUARY 15, 2003

Commissioner of Works and Emergency Services
(December 30, 2002)

Summarizing the environmental assessment and public consultation process leading to the findings and recommendations of the Front Street Extension Environmental Assessment and Preliminary Design Study; and recommending that:

- (1) the Addendum Report, which proposes the extension of Front Street from Bathurst Street to a new interchange with the Gardiner Expressway and the construction of a new local street from Strachan Avenue to Jefferson Avenue, be approved;
- (2) authority be granted to the Commissioner of Works and Emergency Services to file the Addendum Report for the Front Street Extension Class Environmental Assessment Study with the City Clerk, and to give notification of such filing in accordance with the requirements of the Municipal Class Environmental Assessment process;
- (3) authority be granted to commence negotiations to acquire the property interests required for the construction of the Front Street Extension;

- (4) authority be granted to initiate the expropriation process for the property interests required for the Front Street Extension, with details of the required property interests to be reported to a future meeting of Council;
- (5) authority be granted to request the Lieutenant Governor in Council to issue an order pursuant to Section 6(3) of the Expropriations Act, directing that the expropriation proceed without the inquiry procedure set out in the Expropriations Act;
- (6) this report be forwarded to the Administration Committee for information purposes; and
- (7) the appropriate City officials be authorized and directed to take the necessary action to give effect thereto.

(NOTE: A COPY OF THE FRONT STREET EXTENSION ENVIRONMENTAL ASSESSMENT STUDY VOLUME 1 ADDENDUM REPORT IS FORWARDED TO MEMBERS OF THE WORKS COMMITTEE ONLY)

2(a). City Clerk
October 28, 2002

Advising that the Task Force on the Gardiner/Lake Shore Corridor, at its meeting held on October 24, 2002, recommended that the appropriate Committee of Council be advised that the Task Force on the Gardiner/Lake Shore Corridor supports the undertaking of an Environmental Assessment (EA) Study for the Gardiner/Lake Shore Corridor.

11. RADIO COMMUNICATION SYSTEMS FOR NON-POLICE/FIRE/EMERGENCY MEDICAL SERVICES.

Commissioner of Works and Emergency Services
(December 19, 2002)

Respecting the results of the Needs and Alternatives study for a new radio communication system for the City's Non-Emergency Services (NPFES); and recommending that:

- (1) Solid Waste Management Services, Transportation Services and Technical Services of Works and Emergency Services integrate with the Toronto Hydro-Electric System Limited 900 MHz trunked two-way radio system for the provision of their non-emergency radio communication needs at a capital cost of \$1.8 million for infrastructure and \$2.6 million for new user equipment for a total not to exceed \$4,400,000 inclusive of GST and other applicable taxes and an annual operating cost not to exceed \$420,000 (prorated at \$140,000 in 2003);

- (2) the Commissioner of Works and Emergency Services be authorized to negotiate and enter into an Agreement between the City of Toronto and Toronto Hydro-Electric System Limited to provide for implementation of a radio communication system at a cost of \$1.8 million for infrastructure and the purchase and installation of up to 1,200 radios on a sole source basis at a cost of \$2.6 million (total cost of \$4.4 million) in general accord with Terms and Conditions as set out in Appendix B and satisfactory to the Commissioner of Works and Emergency Services and the Chief Financial Officer and Treasurer and in a form satisfactory to the City Solicitor;
- (3) Water and Wastewater Services work with the Wireless Unit of the Networking and Telecom Group of Corporate Services to make the necessary arrangements to serve their radio communication needs through Telus Mobility or another private radio service provider and include funding in the amount of \$293,000 in their 2003 Capital Works Budget submission for expenditure in 2003 and a further \$153,000 for expenditure in 2004, for a total implementation cost of \$446,000;
- (4) Water and Wastewater budget for an annual operating cost of \$248,000 in 2004 with \$62,000 provided for 3 months implementation in the 2003 operating budget; and
- (5) the appropriate City officials be authorized and directed to take the necessary action to give effect thereto.

15. WATER EFFICIENCY PLAN.

Commissioner of Works and Emergency Services
(December 19, 2002)

Recommending that:

- (1) the Water Efficiency Plan be approved and the Commissioner of Works and Emergency Services report back to Works Committee on an annual basis on the progress made in implementing the Plan and achieving the target water consumption reductions;
- (2) the funding necessary to implement the Water Efficiency Plan to 2007, contained within the Water and Wastewater Services 2003-2007 Capital Budget, be approved subject to final approval of the Water and Wastewater Services 2003-2007 Capital and Operating Budgets;
- (3) the Chief Financial Officer and Treasurer in consultation with the Commissioner of Works and Emergency Services report back on a water rate structure and funding model to support the implementation of the Water Efficiency Plan and the Water and Wastewater Services long range Capital Program needs;

- (4) the Water and Wastewater Services 2003 Operating Budget be increased by \$475,000 to support the additional staff resources required to implement and monitor the effectiveness of the Water Efficiency Plan, subject to final approval of the Water and Wastewater Services 2003-2007 Capital and Operating Budgets; and
- (5) the appropriate City officials be granted the authority to give effect thereto.

(NOTE: A COPY OF THE WATER EFFICIENCY PLAN IS FORWARDED TO MEMBERS OF COUNCIL ONLY)

**16. ICMC REVIEW OF THE CITY'S COMPLIANCE WITH ASHBRIDGES BAY TREATMENT PLANT ENVIRONMENTAL ASSESSMENT MEDIATION REPORT'S COMMITMENTS.
(All Wards and Ward 32)**

Commissioner of Works and Emergency Services
(December 18, 2002)

Advising that the Implementation and Compliance Monitoring Committee (ICMC) has reviewed the 11 mediation agreement resolutions in the Mediator's Report, City of Toronto Environmental Assessment, Main (Ashbridges Bay) Treatment Plant, April 1999, and forwarding the Third Interim Compliance Report settings out its findings and recommendations; and recommending that:

- (1) the ICMC's Third Interim Compliance Report be received for information; and
- (2) Water Pollution Control Division report back to the Works Committee with a revised time line for implementation, as per page 110 of the Mediator's Report, by June 2003.

17. WORKS BEST PRACTICES PROGRAM - STATUS REPORT NO. 6.

Commissioner of Works and Emergency Services
(December 18, 2002)

Submitting the sixth status report on the Works Best Practices Program for the period ending November 30, 2002, which highlights the 2002 achievements, capital expenditures and benefits to date, current issues affecting the program and the major tasks that remain for completion; and recommending that this report be received for information.

18. SECURITY MEASURES AT WATER AND WASTEWATER FACILITIES FOR FILMING.

Commissioner of Works and Emergency Services
(December 20, 2002)

Respecting the impact of enhanced security at the City's Water and Wastewater facilities, the effects on the Film Industry in Toronto and discussions with the Film Liaison Industry Committee; and recommending in the interest of Public Health and Safety that:

- (1) the new procedure for filming at Water and Wastewater facilities, as attached, be adopted;
- (2) the Commissioner of Works and Emergency Services be authorized to amend the procedure for filming at Water and Wastewater facilities as and when required to protect the facilities, public health and safety;
- (3) the Commissioner of Works and Emergency Services be authorized to prepare and provide site-specific and event-specific procedures for each film shoot based on the new procedure for filming at Water and Wastewater facilities; and
- (4) appropriate City officials be authorized and directed to take the necessary action to give effect thereto.

19. COMPREHENSIVE ODOUR ASSESSMENT OF ASHBRIDGES BAY TREATMENT PLANT.

Commissioner of Works and Emergency Services
(December 18, 2002)

Providing information on the results of the Comprehensive Odour Assessment of Ashbridges Bay Treatment Plant conducted by Zorix Consultants Inc., including recommendations for new odour control systems and the proposed strategy for implementation; noting that implementation of the recommended odour control program at the plant will significantly reduce odour emissions from the facility so that they will no longer be a source of nuisance for the surrounding community; and recommending that this report be received for information.

(NOTE: A COPY OF THE COMPREHENSIVE ODOUR ASSESSMENT FINAL REPORT IS ON FILE IN THE OFFICE OF THE CITY CLERK.)

**20. AUDIBLE PEDESTRIAN SIGNAL –
BRENTCLIFFE ROAD AND EGLINTON AVENUE EAST.**

City Clerk

(December 18, 2002)

Advising that the Toronto Pedestrian Committee at its meeting on December 4, 2002, in considering correspondence from Mr. Garnett Martin, Past Chair of the former Audible Pedestrian Signals Advisory Group, recommended that:

- (1) the Works Committee request City Council to request the Commissioner of Works and Emergency Services to remove the channelized right turn (slip lane) located at the south east corner of Brentcliffe Road and Eglinton Avenue East immediately; and
- (2) the Commissioner of Works and Emergency Services Committee be requested to provide to the Toronto Pedestrian Committee photographs of the railing (pipe barrier) located at the north east corner of Eglinton Avenue East and Brentcliffe Road;

and further advising that the Toronto Pedestrian Committee expressed its regret to Mr. Martin that the members of the former Audible Pedestrian Signals Advisory Group have resigned, and commended the group for its work as outlined therein.

21. WATERFRONT DEVELOPMENT CONSULTATION.

City Clerk

(December 18, 2002)

Advising that the Toronto Pedestrian Committee, at its meeting on December 4, 2002, in considering a communication from Ms. Helen Riley, Feet on the Street, recommended that the Works Committee request City Council to request the Waterfront Corporation consultants (Kristin Jenkins, Vice President Public Affairs) to invite the Toronto Pedestrian Committee to attend meetings and be a stakeholder with respect to pedestrian issues on the Waterfront.

22. LANDFILL SITES.

Councillor Frances Nunziata,
Ward 11 – York South-Weston
(December 23, 2002)

Advising that staff of Solid Waste Management Transfer, Processing and Disposal Operations have been requested to report on landfill sites; and requesting that, as this is an urgent matter for her constituents, the report be considered at the next meeting of City Council.
