It is recommended that this application to erect a 1.83 metres high, close board wooden fence, with lattice on top, to enclose an area of 55.41 square metres of the municipal boulevard at the south side of 69 Durie Street on the Deforest Road street allowance (Attachment 1), be approved, subject to the applicant/owner fulfilling the following conditions upon approval:

- (1) a formal agreement document to be completed in conjunction with Legal Services and forwarded to the applicant/owner for signature;
- (2) the signed agreement is to be returned to the City along with the required Certificate of Insurance, evidencing a third party bodily injury and property damage insurance in the amount of \$2,000,000.00 or such other coverage and greater amount as City may require, and naming the City of Toronto as an additional insured party under the policy;
- (3) such Certificate of Insurance is to be renewed on an annual basis;
- (4) the use of the municipal road allowance may be subject to an annual occupancy fee, upon harmonization of the Street By-law; such fee is subject to change;
- (5) the fence construction shall comply at all times with regulations set out in Chapter 313 of the former City of Toronto Municipal Code, Streets and Sidewalks;
- (6) the subject fence is to be maintained in a state of good repair at all times;
- (7) should the hydro pole and the tied down cable as well as the traffic signs attached to the pole on Deforest Road street allowance be required to be moved, any work involved including reinstatement of the sidewalk shall be done at the owner's expense;
- (8) without creating a sight line obstruction to traffic, the fence construction at the south east corner at Deforest Road street allowance beside the driveway shall be adjusted, to the satisfaction of Transportation Services and Toronto Hydro, to provide sufficient space to allow free movement of the tied down cable of the hydro pole due to change in weather conditions;
- (9) the applicant/owner shall undertake to remove an existing tree beside the driveway at his own expense;

- (10) the vegetation over the said hydro pole shall be constantly trimmed and maintained by the owner to avoid overgrowth and sight line obstruction to the traffic signs erected thereon;
- (11) a construction/streets occupation permit shall be obtained prior to the commencement of any construction.

7.55 9 Milvan Drive – Information Report (Ward 7 – York West)

The Etobicoke York Community Council considered a report (August 8, 2006) from the City Solicitor, reporting on a decision of the Alcohol and Gaming Commission of Ontario approving a liquor licence for Dreams Restaurant and Bar.

Minutes of the Etobicoke York Community Council
Wednesday, September 13, 2006

Recommendation:

It is recommended that this report be received for information.

The Etobicoke York Community Council recommended that City Council adopt the following Resolution by Councillor Mammoliti:

WHEREAS at its meeting of June 27, 28 and 29, 2006, City Council adopted Motion J(34) by Councillor Mammoliti whereby City Council authorized the City Solicitor to advise the Alcohol and Gaming Commission that Council opposed the application for a liquor licence expansion for Ishtar Restaurant and Bar, 9 Milvan Drive, Unit 5 (the "Licensed Premises"); and

WHEREAS there have been meetings and discussions with the Applicant and his lawyer to discuss concerns about public safety with establishments in that area that sell alcohol; and

WHEREAS as a result of those discussions, the Applicant has agreed to have a condition attached to his liquor licence which will enhance public safety for the patrons and employees of the Licensed Premises; and

WHEREAS the Applicant is required to make such necessary improvements, renovations and repairs as required pursuant to the Building Code so as to accommodate the expansion of the licensed area of the Licensed Premises; and

WHEREAS the Applicant is required to satisfy all requirements of Toronto Fire Services before the issuance of a liquor licence;

Etobicoke York Community Council recommends that:

- (1) City Council support the application for a liquor licence for the Licensed Premises but only provided that the following condition, in the form substantially set out below, is attached to the liquor licence:

"The Licensed Premises shall close no later than 3:30 a.m. local time each day and no patrons will be allowed to enter into or remain on the Licensed Premises after 3:30 a.m. local time; and that the Applicant shall file a written consent to this condition being attached to the liquor licence with the Registrar or Board of the Alcohol and Gaming Commission of Ontario, as the case may be."; and

- (2) the City Solicitor be authorized to attend all proceedings before the Alcohol and Gaming Commission of Ontario in this matter and

further be directed to take all necessary actions so as to give effect to this Resolution.

- (1) appropriate City officials be authorized and directed to negotiate and enter into an encroachment agreement with the owners of 10 Four Seasons Place on such terms and conditions as may be required by the General Manager of Toronto Water, including, but not limited to the following:
- (a) that the Applicant provide to the City of Toronto a \$200,000.00 letter of credit as security for the repair of any damage which may occur to the City's infrastructure caused by the proposed construction activities;
 - (b) that prior to the commencement of any work within the City easement, a Closed Circuit Television inspection (CCTV) be carried out to determine preconstruction conditions of the City infrastructure; and that a second CCTV inspection be carried out following completion of the construction to locate any damage which may have been caused by the Applicant's construction activities; that all costs incurred by the city to carry out the CCTV inspections be paid by the Applicant prior to the release of the security deposit;
 - (c) that if the second CCTV inspection reveals damage to any of the City infrastructure, or that following an inspection by Toronto Water staff, the infrastructure is found to have been damaged by the Applicant's construction activities, the Applicant pay for all costs incurred by the City to effectuate repairs; that if the Applicant fails to pay, the City draw off the money from the Applicant's security deposit;

- (d) that the Applicant indemnify the City against all claims for loss or damage which may occur to the proposed work as a result of a leak or break in the City infrastructure; that the Applicant also indemnify the City against all claims for loss or damage which may occur to the proposed work for any future construction activity upon, or within the City easement, to repair, install, modify, or replace the existing City infrastructure by City forces or by contractors hired by City to carry out this work;
 - (e) that the Applicant not commence the proposed work until the Encroachment Agreement is formally documented;
 - (f) that the Applicant will maintain the proposed services in the condition as approved under the site plan approval for the site in a state of good repair;
 - (g) provide to the City of Toronto within six months of completion of site servicing as-constructed drawing(s), with as-built geo-referenced horizontal and vertical location of the proposed services in a format satisfactory to the City. The as-constructed drawing(s) shall be prepared and certified by a Professional Engineer or Ontario Land Surveyor, and;
- (2) that the appropriate City Officials be authorized and directed to take the necessary action to give effect thereto.
