as adopted by City of Toronto Council on September 22, 23, 24 and 25, 2003
Enacted by Council: September 22, 2003

CITY OF TORONTO

BY-LAW No. 767-2003

To authorize the borrowing upon sinking fund debentures in the principal amount of \$120,000,000.00 for purposes of the City of Toronto.

WHEREAS the *Municipal Act, 2001*, as amended (the "Act") provides that a municipality may incur a debt for municipal purposes, whether by borrowing money or in any other way, and may issue debentures and prescribed financial instruments and enter prescribed financial agreements for or in relation to the debt; and

WHEREAS effective January 1, 1998 the *City of Toronto Act, 1997*, as amended, incorporated a new municipality under the name of "City of Toronto" and the new municipality stands in the place, for all purposes, of the former municipality known as The Municipality of Metropolitan Toronto and of its six area municipalities; and

WHEREAS the Council of the City of Toronto has authorized the undertaking of the purposes of the City of Toronto (individually a "Project", collectively the "Projects") set out in Column 1 of Schedule "A" attached hereto and forming part of this By-law ("Schedule "A'") and desires to issue debentures for the Projects in the respective amounts specified in Column 2 of Schedule "A"; and

WHEREAS before authorizing each Project the City of Toronto had its Treasurer update its most recent annual debt and financial obligation limit received from the Ministry of Municipal Affairs and Housing in accordance with the applicable regulation and, prior to authorizing each Project, the Treasurer determined that the estimated annual amount payable in respect of each Project, would not cause the City of Toronto to exceed the updated limit and that the approval of each Project by the Ontario Municipal Board under the *Ontario Municipal Board Act*, as amended, was not required; and

WHEREAS the *City of Toronto Act, 1997 (No. 2)*, as amended, provides that when the Council of the City of Toronto has authorized the City of Toronto to borrow money and issue debentures for its purposes the Council may, by by-law, authorize the Mayor and the Treasurer to enter into an agreement or agreements for the issue and sale of debentures, with any person or persons, at any time in the year in which the by-law is passed; and

WHEREAS pursuant to By-law No. 114-2003 the Council of the City of Toronto authorized the Mayor and the Treasurer during the year 2003 to enter into an agreement or agreements with a purchaser or purchasers for the issue and sale of debentures upon such terms and conditions as they deem expedient to provide an amount not exceeding \$500,000,000.00 for the purposes of the City of Toronto; and

WHEREAS the Mayor and the Treasurer will enter into an agreement dated September 12, 2003 with RBC Dominion Securities Inc., CIBC World Markets Inc. and Scotia Capital Inc., for the issue and sale of ten year sinking fund debentures dated September 25, 2003 in the principal amount of \$120,000,000.00 (the "Agreement"); and

WHEREAS the *City of Toronto Act, 1997 (No. 2)*, as amended, provides that when an agreement is made under a by-law, like By-law No. 114-2003, the Council of the City of Toronto shall pass all necessary money by-laws in accordance with such agreement, Part XIII of the Act and specified sections of the *City of Toronto Act, 1997 (No. 2)*; and

WHEREAS the City of Toronto has complied with all of the provisions of the aforesaid Acts relating to the borrowing of money for the Projects, and the issue of debentures to provide the respective amounts set out in Column 2 of Schedule "A"; and

WHEREAS to provide long-term financing for the Projects it is now deemed to be expedient to borrow money by the issue and sale of sinking fund debentures of the City of Toronto in the principal amount of \$120,000,000.00 payable at the time and bearing interest at the rate hereinafter set forth;

The Council of the City of Toronto HEREBY ENACTS as follows:

1. For the Projects, the borrowing upon the credit of the City of Toronto at large of the principal sum of \$120,000,000.00 and the issue of sinking fund debentures therefor within the term of years set out in Column 3 of Schedule "A" to be repaid in denominations of \$1,000.00 and integral multiples thereof as hereinafter set forth are hereby authorized.
2. The Mayor and the Treasurer of the City of Toronto are hereby authorized to cause any number of sinking fund debentures payable on September 25, 2013 to be issued for such sums of money as may be required for the Projects in global and definitive forms, not exceeding in total the said sum of \$120,000,000.00 (the "Debentures"). The Debentures shall bear the City of Toronto's municipal seal and the signatures of the Mayor and the Treasurer of the City of Toronto, all in accordance with the provisions of the Act. The municipal seal of the City of Toronto and the signatures referred to in this section may be printed, lithographed, engraved or otherwise mechanically reproduced. The Debentures are sufficiently signed if they bear the required signatures and each person signing has the authority to do so on the date he or she signs. The Debentures shall initially be issued in global fully registered form as three certificates, each in the principal amount of \$40,000,000.00 (in the aggregate principal amount of \$120,000,000.00), each in the name of CDS & CO. as nominee of The Canadian Depository for Securities Limited ("CDS"), substantially in the form attached as Schedule "B" hereto and forming part of this By-law (the "Global Debentures") each with provision for payment of interest (other than in respect of the provision for the payment of outstanding interest and principal on the maturity date upon presentation and surrender) by cheque sent by post to the registered address of the registered holder or, if the City of Toronto and the registered holder of the Global Debentures so consent, by electronic transfer of payment in respect of such interest to the credit of such registered holder on such terms as to which the registered holder and the City of Toronto may agree.
3. (1) The Debentures shall all be dated the 25th day of September, 2003 and shall be issued within two years after the day on which this By-law is enacted, and as to both principal and interest shall be expressed and be payable in lawful money of Canada. The Debentures shall be issued for a term of ten years bearing interest at the rate of 5.125 per cent per annum and shall be payable on the 25th day of

September, 2013 and in each year during such ten year period, the amount of \$6,150,000.00 shall be payable for interest on the Debentures (\$3,075,000.00 on each of March 25 and September 25) and the amount of \$9,540,548.40 shall be deposited by the Treasurer of the City of Toronto, or an authorized official of the City of Toronto, into the sinking fund (the "Sinking Fund"), which amount, with interest compounded annually, will be sufficient to pay the principal of the Debentures at maturity (the 25th day of September, 2013) as required by the provisions of the Act and the *City of Toronto Act, 1997 (No. 2)*, as amended.

- (2) Payments in respect of principal of and interest on the Debentures shall only be made on a day on which banking institutions in Toronto, Ontario are not authorized or obligated by law or executive order to be closed (a "Business Day") and if any date for payment is not a Business Day, payment shall be made on the next following Business Day and no further interest shall be paid in respect of the delay in such payment.
4. Interest shall be payable to the date of maturity of the Debentures and on default shall be payable both before and after default and judgment. Any amounts payable by the City of Toronto as interest on overdue principal or interest in respect of the Debentures shall be paid out of current revenue. Whenever it is necessary to compute any amount of interest in respect of the Debentures for a period of less than one full year, other than with respect to regular semi-annual interest payments, such interest shall be calculated on the basis of the actual number of days in the period and a year of 365 days.
5. In limited circumstances (as set out in the letter of representations addressed to CDS referred to below and as set out in the Global Debentures) the Global Debentures shall be exchangeable for certificated Debentures in definitive fully registered form in authorized denominations upon surrender of the Global Debentures to the Treasurer of the Municipality. Any of the Debentures issued as definitive Debentures may, with Council approval, be countersigned in writing by officials so designated by Council. The definitive Debentures shall aggregate the same principal amount as the principal outstanding balance of the Global Debentures as of the record date for such exchange in accordance with the provisions of the Global Debentures, shall bear the same interest rate and maturity date, shall bear all unmatured interest obligations and shall have the same benefits and be subject to the same terms and conditions as the Global Debentures (except insofar as they specifically relate to the Global Debentures). In issuing definitive Debentures no change shall be made in the amount which would otherwise be payable in each year under the Global Debentures. The definitive debentures shall be in fully registered form, payable as to principal and outstanding interest in lawful money of Canada in respect of the maturity upon presentation and surrender thereof at any specified branch of the bank designated in the definitive Debentures, otherwise, with provision for payment of interest by cheque sent through the post to the registered addresses of the registered holders or, if the City of Toronto and any registered holder of the definitive Debentures so consent, by electronic transfer of payment in respect of such interest to the credit of such registered holder on such terms as to which the registered holder and the City of Toronto may agree.

6. In respect of the Debentures there shall be raised in each year during the said ten year period as part of the general levy the amount of \$6,150,000.00 for interest on the Debentures (\$3,075,000.00 for each semi-annual payment) together with the said amount of \$9,540,548.40 for deposit into the Sinking Fund for the payment of the principal of the Debentures at maturity and in each such year for the Projects, the said two amounts shall be raised in each year as part of the general levy to the extent that the amounts have not been provided for by any other available source including other taxes or fees or charges imposed on persons or property by a by-law of any municipality.
7. On or before December 31 in each year of the currency of the Debentures, the municipal auditor of the City of Toronto shall certify the balance in the Sinking Fund of the City of Toronto for the year.
8. If the balance certified by the municipal auditor of the City of Toronto is less than the amount required for the repayment of the Debentures for which the Sinking Fund was established, the City of Toronto shall pay an amount sufficient to make up the deficiency into the Sinking Fund.
9. The City of Toronto may establish a Sinking Fund committee, in accordance with the provisions of the Act and the *City of Toronto Act, 1997 (No. 2)*, as amended, which Sinking Fund committee shall be composed of the Treasurer who shall be the chair and the treasurer of such Sinking Fund committee and any number of persons appointed by the City of Toronto.
10. The Debentures may contain any provision for their registration thereof authorized by any statute relating to municipal debentures in force at the time of the issue thereof.
11. The City of Toronto shall maintain a registry in respect of the Debentures in which shall be recorded the names and the addresses of the registered holders and particulars of the Debentures held by them respectively and in which particulars of the cancellation, exchanges, substitutions and transfers of Debentures may be recorded and the City of Toronto is authorized to use electronic, magnetic or other media for records of or related to the Debentures or for copies of them.
12. The City of Toronto shall not be bound to see to the execution of any trust affecting the ownership of any Debenture or be affected by notice of any equity that may be subsisting in respect thereof. The City of Toronto shall deem and treat registered holders of the Debentures, including the Global Debentures, as the absolute owners thereof for all purposes whatsoever notwithstanding any notice to the contrary and all payments to or to the order of registered holders shall be valid and effectual to discharge the liability of the City of Toronto on the Debentures to the extent of the sum or sums so paid. Where a Debenture is registered in more than one name, the principal of and interest from time to time payable on such Debenture shall be paid to or to the order of all the joint registered holders thereof, failing written instructions to the contrary from all such joint registered holders, and such payment shall constitute a valid discharge to the City of Toronto. In the case of the death of one or more joint registered holders, despite the foregoing provisions of this section, the principal of and interest on any Debentures registered in their names may be paid to the survivor or survivors of such holders and such payment shall constitute a valid discharge to the City of Toronto.

13. The Debentures are transferable or exchangeable at the office of the Treasurer of the City of Toronto upon presentation for such purpose accompanied by an instrument of transfer or exchange in a form approved by the City of Toronto and which form is in accordance with the prevailing Canadian transfer legislation and practices, executed by the registered holder thereof or such holder's duly authorized attorney or legal personal representative, whereupon and upon registration of such transfer or exchange and cancellation of the Debenture or Debentures presented, the Mayor and the Treasurer shall issue and deliver a new Debenture or Debentures of an equal aggregate principal amount of any authorized denomination or denominations as directed by the transferee, in the case of a transfer or as directed by the registered holder in the case of an exchange.
14. The Mayor and the Treasurer shall issue and deliver new Debentures in exchange or substitution for Debentures outstanding on the registry with the same maturity date and of like form which have become lost, stolen, mutilated, defaced or destroyed, provided that the applicant therefor shall have: (a) paid such costs as may have been incurred in connection therewith; (b) (in the case of a lost, stolen or destroyed Debenture) and indemnity in respect thereof satisfactory to the City of Toronto in its discretion; and (c) surrendered to the City of Toronto any mutilated or defaced Debenture in respect of which new Debentures are to be issued in substitution.
15. The Debentures issued upon any registration of transfer or exchange or in substitution for any Debentures or part thereof shall carry all the rights to interest if any, accrued and unpaid which were carried by such Debentures or part thereof and shall be so dated and shall bear the same maturity date and, subject to the provisions of this By-law, shall be subject to the same terms and conditions as the Debentures in respect of which the transfer, exchange or substitution is effected.
16. The cost of all transfers and exchanges, including the printing of authorized denominations of the new Debentures, shall be borne by the City of Toronto. When any of the Debentures are surrendered for transfer or exchange the Treasurer of the City of Toronto shall: (a) in the case of an exchange, cancel and destroy the Debentures surrendered for exchange; (b) in the case of an exchange, certify the cancellation and destruction in the registry; and (c) enter in the registry particulars of the new Debenture or Debentures issued in exchange.
17. Reasonable fees for the substitution of a new Debenture or new Debentures for any of the Debentures that are lost, stolen, mutilated, defaced or destroyed and for the replacement of lost, stolen, mutilated, defaced or destroyed interest cheques may be imposed by the City of Toronto. Where new Debentures are issued in substitution in these circumstances the City of Toronto shall: (a) treat as cancelled and destroyed the Debentures in respect of which new Debentures will be issued in substitution; (b) certify the deemed cancellation and destruction in the registry; (c) enter in the registry particulars of the new Debentures issued in substitution; and (d) make a notation of any indemnities provided.
18. Except as otherwise expressly provided herein, any notice required to be given to a registered holder of one or more of the Debentures will be sufficiently given if a copy of such notice is mailed or otherwise delivered to the registered address of such registered holder.

- 19.** (1) The Mayor and the Treasurer are hereby authorized to cause the Debentures to be issued and to enter into the Agreement, the Treasurer is hereby authorized to enter into a letter of representations with CDS, the Treasurer and the Clerk are hereby severally authorized to generally do all things and to execute all other documents and papers in the name of the City of Toronto in order to carry out the sale of the Debentures and the Treasurer is authorized to affix the City of Toronto's municipal seal to any of such documents and papers.
- (2) The proceeds realized in respect of the Debentures, after providing for the discount, if any, and the expenses related to their issue, shall be apportioned and applied to the Projects, and to no other purpose except as permitted by the Act.
- 20.** Subject to the City of Toronto's investment policies and goals and the applicable legislation, the City of Toronto may, if not in default under the Debentures, at any time purchase any of the Debentures in the open market or by tender or by private contract at any price and on such terms and conditions (including, without limitation, the manner by which any tender offer may be communicated or accepted and the persons to whom it may be addressed) as the City of Toronto may in its discretion determine.
- 21.** This By-law comes into force on the day it is passed.

LEGAL OPINION

We have examined By-law No. 767-2003 (the “Debenture By-law”) of City of Toronto authorizing the issue of sinking fund debentures in the principal amount of \$120,000,000 dated September 25, 2003 and maturing on September 25, 2013.

In our opinion, the Debenture By-law has been properly passed and is within the legal powers of the City of Toronto. The sinking fund debentures issued under the Debenture By-law in the within form (the “Global Debenture”) are direct, unsubordinated obligations of the City of Toronto and are enforceable against the City of Toronto subject to the special jurisdiction and powers of the Ontario Municipal Board over defaulting municipalities under the *Municipal Affairs Act*. This opinion is subject to and incorporates all the assumptions, qualifications and limitations set out in our opinion letter delivered on the date of this Global Debenture.

Toronto, September 25, 2003

BORDEN LADNER GERVAIS LLP

CONDITIONS OF GLOBAL DEBENTURE

Form, Denomination, Ranking and Beneficial Interests in Global Debenture

2. The Debentures are direct, unsubordinated obligations of the City of Toronto. 3. This Debenture is a Global Debenture registered in the name of the nominee of The Canadian Depository for Securities Limited (“CDS”) and held by CDS. Certificated Debentures

5. This Global Debenture is exchangeable, in whole but not in part, for certificated Debentures in definitive form registered in the name of a person other than CDS or its nominee only if (i) CDS notifies the City of Toronto that it is unable to continue as depository in connection with this Global Debenture or ceases to be a recognized clearing agency under the *Securities Act* (Ontario), or other applicable Canadian securities legislation and a successor depository is not appointed by the City of Toronto or (ii) the City of Toronto in its sole discretion elects to issue certificated Debentures in definitive form in exchange for this Global Debenture.
6. Debentures issued in exchange for this Global Debenture shall be issued as certificated Debentures in definitive form in authorized denominations, shall have the same benefits and be subject to the same terms and conditions as this Global Debenture (except insofar as they specifically relate to this Global Debenture as such), shall be registered in such names and in such denominations as CDS shall direct and shall be delivered as directed by the persons in whose names such definitive Debentures are to be registered.

On or after any such exchange, but only to the extent reasonably practicable in the circumstances, the City of Toronto shall make all payments in respect of such certificated Debentures in definitive form to the registered holders thereof, notwithstanding such exchange occurred after the record date for any payment and prior to such payment date.

Registration

8. The City of Toronto will keep at its designated office in the City of Toronto a registry in which shall be entered the names and addresses of the registered holders of Debentures and particulars of the Debentures held by them respectively and in which transfers, exchanges and substitutions of Debentures may be registered.

Title

9. The City of Toronto shall not be bound to see to the execution of any trust affecting the ownership of any Debenture or be affected by notice of any equity that may be subsisting in respect thereof. The City of Toronto shall deem and treat registered holders of Debentures, including this Global Debenture, as the absolute owners thereof for all purposes whatsoever notwithstanding any notice to the contrary and all payments to or to the order of registered holders shall be valid and effectual to discharge the liability of the City of Toronto on the Debentures to the extent of the sum or sums so paid.

Payments of Principal and Interest

10. In each year during the currency of the Debentures, the sum of \$6,150,000.00 shall be payable as interest and the sum of \$9,540,548.40 shall be deposited by the City of Toronto into a sinking fund for the payment of principal (the "Sinking Fund") at maturity in accordance with the provisions of the *Municipal Act, 2001*, as amended and the *City of Toronto Act, 1997 (No. 2)*, as amended.
11. The record date for purposes of payment of a deposit into the Sinking Fund and of payment of interest on the Debentures is as of 5:00 p.m. on the fourteenth calendar day preceding any Payment Date, including the maturity date. Principal of and interest on the Debentures are payable by the City of Toronto to the persons registered as holders in the registry on the relevant record date. The City of Toronto shall not be required to register any transfer, exchange or substitution of Debentures during the period from any record date to the corresponding Payment Date.
12. The City of Toronto shall make all payments in respect of semi-annual interest on the Debentures on each Payment Date commencing on March 25, 2004 (other than in respect of the final payment of principal and outstanding interest on the maturity date which shall be paid upon presentation and surrender of this Global Debenture), by forwarding by post, a cheque dated the due date for payment to the registered address of each registered holder of Debentures sufficiently in advance of the relevant due date that delivery of such cheques to the registered address of each registered holder on or before the due date is reasonably assured. All cheques mailed or otherwise delivered in accordance with this section shall be dated the due date for payment of the interest in respect of which they are issued. Despite the foregoing, the City of Toronto may make payments in respect of interest on any Debenture (other than in respect of the final payment of principal and outstanding interest payable on maturity upon presentation and surrender) to the credit of the registered holder of that Debenture, by electronic transfer of payment in respect of such interest to the credit of the registered holder on such terms as to which the registered holder and the City of Toronto may agree.

14. Payments in respect of principal of and interest on the Debentures shall be made only on a day on which banking institutions in Toronto, Ontario, are not authorized or obligated by law or executive order to be closed (a "Business Day"), and if any date for payment is not a Business Day, payment shall be made on the next following Business Day and no further interest shall be paid in respect of the delay in such payment.

15. Where a Debenture is registered in more than one name, the principal of and interest from time to time payable on such Debenture shall be paid to or to the order of all the joint registered holders thereof, failing written instructions to the contrary from all such joint registered holders, and such payment shall constitute a valid discharge to the City of Toronto.
16. In the case of the death of one or more joint registered holders, despite section 9 of these Conditions, the principal of and interest on any Debentures registered in their names may be paid to the survivor or survivors of such holders and such payment shall constitute a valid discharge to the City of Toronto.

Transfers, Exchanges and Substitutions

17.
