

Authority: Community Services Committee Report No. 9, Clause No. 5,
as adopted by City of Toronto Council on December 5, 6 and 7, 2005
Enacted by Council: December 7, 2005

CITY OF TORONTO

BY-LAW No. 1048-2005

To amend City of Toronto Municipal Code Chapter 880, Fire Routes, with respect to the designation of fire routes.

WHEREAS Council is desirous of amending certain provisions in Municipal Code Chapter 880, Fire Routes;

The Council of the City of Toronto HEREBY ENACTS as follows:

1. The City of Toronto Municipal Code is amended as follows:

- A. Section 880-1 is amended by deleting the definition of Fire Route and replacing it with the following:

FIRE ROUTE – Subject to § 880-7A, that part or those parts of a private road or roads set out on a site plan filed with the fire chief, in respect of a municipal address set out in Schedule A, and designated as a fire route under § 880-6 of the Municipal Code.

- B. Section 880-6 is amended by deleting Subsections A, B and C and substituting the following:

A. Where an application is approved under § 880-4, or an appeal is approved by the Council under § 880-5G, and upon the enactment by the Council of a by-law to that effect, that part or those parts of the private road or roads shown on the site plan filed with the Fire Chief in respect of the municipal address set out in the by-law shall be designated as a fire route for the purposes of this chapter.

B. Any person may view the site plan filed with the Fire Chief in respect of a fire route designated under § 880-6A and may obtain a photocopy of it.

C. Section 880-7 is amended by deleting the word, “is” in the fourth line, and by adding the words, “the municipal address in relation to the fire route shall be” in its place.

ENACTED AND PASSED this 7th day of December, A.D. 2005.
