CITY OF TORONTO

BY-LAW No. 1075-2005

**To amend City of Toronto Municipal Code Chapter 545, Licensing,
respecting accessible taxicab licences.**

WHEREAS By-law No. 903-2005 implemented certain requirements relative to accessible taxicabs, but omitted two recital clauses;

The Council of the City of Toronto HEREBY ENACTS as follows:

1. By-law No. 903-5002 is amended by adding the following recital clauses after the first recital clause:

WHEREAS the City of Toronto has established a working group to study the issue of accessible transportation in the City and requested staff to report on improvements to specific standards for the delivery of accessible taxicab services; and

WHEREAS the City of Toronto has determined that requiring accessible taxicab licensees to obtain additional training, announce themselves upon arrival, provide appropriate assistance, and properly and safely handle mobility aides will afford even greater protection for consumers of accessible taxicab services by ensuring that drivers are better trained and responsive to the passenger's needs;

2. This by-law is deemed to have come into effect on October 28, 2005.

ENACTED AND PASSED this 8th day of December, A.D. 2005.
