Enacted by Council: April 30, 2009

CITY OF TORONTO

BY-LAW No. 491-2009

To amend City of Toronto Municipal Code Chapter 841, Waste Collection, Commercial Properties, Chapter 844, Waste Collection, Residential Properties, Chapter 545, Licensing and Chapter 849, Water and Sewage Services and Utility Bill to improve the readability and to reflect current solid waste management operations in the waste collection chapters.

WHEREAS subsection 8(1) of the City of Toronto Act, 2006 bestows the City with broad authority to provide any service or thing the City considers necessary or desirable for the public; and

WHEREAS City Council has the authority to pass by-laws respecting matters related to services and things that the City considers necessary or desirable to provide to the public under subsection 8(2) of the City of Toronto Act, 2006; and

WHEREAS the City provides solid waste management services to the citizens of Toronto as a necessary and desirable service; and

WHEREAS on April 29 and 30, 2009, City Council adopted Public Works and Infrastructure Committee Item 23.4, Amendments to Solid Waste Collection By-laws, in order to amend the Collections Chapters to improve the readability of the Chapters, to reflect current Solid Waste Management operations and to clarify the duties and responsibilities of owners, residents and the General Manager under the Chapters; and

WHEREAS it is necessary to make technical amendments to Chapter 545, Licensing and Chapter 849, Water and Sewage Services and Utility Bill to reflect the changes to Chapter 841 and 844; and

WHEREAS at its meeting on October 2, 3 and 4, 2001, City Council adopted the implementation plan for a three-stream waste system, which allowed for the commingling of recyclable materials, such that businesses of Toronto are not required to sort their recyclable materials set out for recycling collection; and

WHEREAS at its meeting on May 18, 19 and 20, 2004, City Council adopted the inclusion of plastic food jars, tubs and lids as additional recyclable materials that can be set out for recycling collection; and

WHEREAS at its meeting on July 25, 26 and 27, 2006, City Council adopted the inclusion of spiral wound containers as additional recyclable materials that can be set out for recycling collection; and
WHEREAS the ability to commingle recyclable materials and the inclusion of the additional recyclable materials has not yet been reflected in Chapter 841, Waste Collections, Commercial Properties;

The Council of the City of Toronto HEREBY ENACTS as follows:

1. **Chapter 844, Waste Collection, Residential Properties.**

ARTICLE II
Collection Services

§ 844-3. Eligibility for services.

A. Subject to the terms and conditions contained in this chapter and any directives issued by City Council or the General Manager from time to time, the City shall collect garbage, recyclable materials, organic waste, yard waste and items eligible for special collection services from residential properties.

B. No owner shall be eligible to receive or continue to receive services unless the owner complies with all relevant requirements contained in this chapter and in the City publication entitled “Requirements for Garbage and Recycling Collection Services at Developments and Redevelopments” as same may be amended form time to time.

C. Every owner of a multiple household residence shall ensure that specific recycling and organics instructions for residents are posted in locations at the multiple household residence as designated by the General Manager.
D. The General Manager may determine that owners who do not participate fully in the City’s collection of recyclable materials or organic materials or who sell or otherwise transfer recyclable materials or organic materials to persons other than the City are not eligible to receive any services.

E. No owner shall be eligible to receive or to continue to receive services unless the owner sets out for collection all waste in respect of which the City provides services to the owner and the owner complies with all relevant requirements contained in this chapter.

F. An owner may opt out of receiving all of the services provided by the Division, if the owner provides notice to the Division, in a form satisfactory to the General Manager, setting out an effective date the services are to end.

G. If an owner opts out of all of the services in accordance with Subsection F, the applicable residential curbside collection fees or residential bulk collection fees in §§ 844-28 and 844-29, respectively, will be charged to the owner up to the effective date of the end of the services.

H. If an owner opts out of all of the services in accordance with Subsection F, the applicable annual garbage rebate in § 844-30 will be prorated to the effective date of the end of the services.

I. If an owner opts out of all of the services in accordance with Subsection F, the owner will not be eligible for the applicable annual garbage rebate in § 844-30 beyond the effective date of the end of the services.

§ 844-4. Frequency of garbage collection services.

A. The City shall collect garbage from residential properties who receive residential curbside collection:

(1) No more than once per week if the residential property does not receive organics collection services; or

(2) No more than once every two weeks if the residential property does receive organics collection services.

B. Despite Subsection A, City Council may direct the General Manager to provide garbage collection services twice per week to residential properties who receive residential curbside collection subject to such terms and conditions as City Council deems appropriate.

C. The City shall collect garbage no more than twice per week from residential properties who receive residential bulk collection.
§ 844-5. Frequency of recycling collection services.

A. The City shall collect recyclable materials once every two weeks from residential properties that receive residential curbside collection of garbage.

B. The City shall collect recyclable materials no more than once per week from residential properties that receive residential bulk collection.

§ 844-6. Frequency of yard waste collection services.

A. The City shall collect yard waste from household residences and multiple household residences approved by the General Manager once every two weeks during the months of March, April, May, June, July, August, September, October, November and December on days specified by the General Manager.

B. The City shall collect Christmas trees from household residences and multiple household residences approved by the General Manager during the month of January on scheduled garbage days specified by the General Manager.

C. Despite Subsection A, if, in the opinion of the General Manager, a multiple household residence has a suitable location for on-site composting or if a private contractor is employed for the purposes of lawn and garden maintenance at the multiple household residence, the General Manager may elect not to provide yard waste collection services to the multiple household residence.

§ 844-7. Frequency of organics collection services.

A. The City shall collect organic materials from residential properties who receive residential curbside collection, once per week, on days specified by the General Manager.

B. The City shall collect organic materials from residential properties who receive residential bulk collection, once per week, on days specified by the General Manager.

§ 844-8. Special collection services.

A. The City shall provide special collection services to an owner with respect to the items referred to in Schedule A of this chapter, provided that:

   (1) The owner contacts the Division prior to setting out the item requiring special collection services; and

   (2) The owner complies with all directions of the Division with respect to the preparation of the affected item for setting out and collection.

B. An owner shall ensure that the doors are removed from any appliance eligible to be collected under this section before setting out the appliance for collection.
C. Special collection services shall be provided by the City on a “first requested, first served” basis.

D. The General Manager may refuse or limit the amount of special collection services provided to an owner.

A. The City shall not collect prohibited waste.

B. No owner shall set out prohibited waste for collection by the City, either on its own or mixed with any waste with respect to which the City provides services.

ARTICLE III
Requirements for Regulation Containers

§ 844-10. Garbage containers.

A. Owners of residential properties who receive residential curbside collection shall use a container described below for setting out garbage:

(1) One or more garbage bins as provided to the owner by the City under § 844-15; or

(2) If an owner has excess garbage that can not fit within the City provided garbage bin(s) under subsection A(1), an owner may use any number of plastic bags measuring approximately 66 centimetres by 90 centimetres and capable of supporting 20 kilograms when lifted, provided that a garbage tag as described in § 844-32 is affixed to each bag; or

(3) If the City has not provided a garbage bin to the owner under § 844-15, the owner shall use:

(a) A plastic bag measuring approximately 66 centimetres by 90 centimetres and capable of supporting 20 kilograms when lifted, provided that a garbage tag as described in § 844-32 is affixed to each bag; or

(b) Such other container provided by the City or designated by the General Manager as acceptable for setting out garbage.

B. Owners of residential properties who receive residential bulk collection shall use a container described below for setting out garbage:

(1) A properly covered watertight container, in sound and good working order, with a capacity greater than 0.75 cubic metres and less than 4.6 cubic metres which has a maximum weight of 1,500 kilograms when full and is compatible with the equipment used by the City for the provision of garbage collection services; or
Any other container, in good working order designated by the General Manager as acceptable for setting out garbage.

A. Owners of residential properties who receive residential curbside collection shall use a container described below for setting out recyclable materials:

   (1) One or more recycling bins provided to the owner by the City under § 844-15; or

   (2) If the City has not provided a recycling bin to the owner under § 844-15, the owner shall use:

       (a) A translucent plastic bag measuring approximately 66 centimetres by 90 centimetres and capable of supporting 20 kilograms when lifted; or

       (b) Such other container provided by the City or designated by the General Manager as acceptable for setting out recyclable materials.

B. Owners of residential properties who receive residential bulk collection shall use a container described below for setting out recyclable materials:

   (1) A 340 litre plastic bin equipped with wheels which is compatible with the equipment used by the City for the provision of recycling collection services;

   (2) A fully covered, watertight container with a capacity greater than 0.75 cubic metres and less than 4.6 cubic metres which is compatible with the equipment used by the City for the provision of recycling collection services; or

   (3) Such other container, in good working order, provided by the City or designated by the General Manager as acceptable for setting out recyclable materials.

§ 844-12. Yard waste containers.

A. Unless otherwise required under this chapter, owners of household residences and multiple household residences approved by the General Manager shall use a container described below for setting out yard waste:

   (1) A rigid open container in good working order:

       (a) With a capacity of not less than 20 litres nor more than 125 litres;

       (b) With an external height no less than 55 centimetres and no greater than 95 centimetres, with the exception of blue and grey boxes previously used for recycling;

       (c) With an internal width or diameter no greater than 60 centimetres;
(d) That is capable of supporting 20 kilograms when lifted; and

(e) With handles set above the midpoint of the container; or

(2) A kraft paper bag constructed of wet strength kraft paper specifically designed for leaf and yard waste material and:

(a) With a height no greater than 90 centimetres and no less than 85 centimetres;

(b) With a width of no greater than 41 centimetres and no less than 37 centimetres;

(c) With a depth of no greater than 31 centimetres and no less than 27 centimetres;

(d) That has the capability to be securely closed when filled; and

(e) That is capable of supporting 20 kilograms when lifted.

A. Unless otherwise required in this chapter, owners of residential properties who receive residential curbside collection shall use a container described below for setting out organic materials:

(1) An organics container which is provided by the City; or

(2) Such other container designated by the General Manager as acceptable for setting out organic materials.

B. Owners of residential properties who receive residential bulk collection shall use a container described below for setting out organic materials:

(1) A 132 litre plastic bin equipped with wheels which is compatible with the equipment used by the City for the provision of organic collection services;

(2) A fully covered, watertight container with a capacity greater than 0.75 cubic metres and less than 2.3 cubic metres which is compatible with the equipment used by the City in the provision of organic collection services; or

(3) Such other container, in good working order, designated by the General Manager as acceptable for setting out organic materials.

Owners of residential properties shall provide, for the use by the residents, sufficient separate regulation containers for garbage, recyclable materials, yard waste and organic materials.

A. The City will provide owners of residential properties who receive residential curbside collection with garbage and recycling bins as set out in this section.

B. Owners of residential properties may choose the size and quantity of garbage bins for the property, but if no choice is made, the General Manager will select a default size and quantity of garbage bins.

C. Owners of residential properties, with one or two dwelling units, will be given only one recycling bin.

D. Owners of residential properties, with one or two dwelling units, may choose the size of the recycling bin, but if no choice is made, the General Manager will select a default size of recycling bin.

E. Owners of residential properties with three to eight dwelling units may choose the size and quantity of recycling bins for the property, but if no choice is made, the General Manager will select a default size and quantity of recycling bins.

F. Owners of residential properties may request additional recycling bins from the Division.

G. The General Manager may, in his or her discretion, determine whether to provide additional recycling bins as requested by an owner under Subsection F.

H. The size of garbage and recycling bins available to choose from are:

   (1) Small – approximately 75 litres capacity;

   (2) Medium – approximately 120 litres capacity;

   (3) Large – approximately 240 litres capacity; and

   (4) Extra-large – approximately 360 litres capacity.

I. The garbage and recycling bins remain the property of the City at all times.

J. Each owner to whom a garbage and a recycling bin is issued shall keep the garbage and recycling bins in good condition, and not in a condition that is noxious, offensive or dangerous to public health.

K. Each owner shall return either the garbage bin or the recycling bin or both to the City upon request.

L. If either a garbage bin or a recycling bin is damaged, the owner to whom the bin is issued may make a request to the Division to repair the bin at no cost to the owner.
M. If either a garbage bin or a recycling bin is lost or stolen, the owner shall contact the Division to issue a new garbage bin or recycling bin as appropriate.

N. The owner shall pay the fee set out in Schedule 1 of Appendix A of Chapter 441, Fees and Charges, for the replacement of the lost or stolen bin.

O. Each owner to whom a garbage bin or a recycling bin is provided may exchange the bin for a different size by making a request to the Division and paying the applicable bin exchange fee set out in Schedule 1 of Appendix A of Chapter 441, Fees and Charges.

ARTICLE IV
Setting out Garbage, Recyclable Materials, Special Collection Services Items and Yard Waste

§ 844-16. General requirements.

A. No owner shall set out garbage, recyclable materials, organic materials, items for which special collection services are provided or yard waste for collection unless the garbage, recyclable materials, organic materials, items for which special collection services are provided or yard waste is:

   (1) Generated on the public or private portion of the property abutting the approved collection point;

§ 844-17. Times for setting out garbage, recyclable materials, yard waste and organic materials.

A. An owner who receives services during a daytime collection period shall ensure that

   (1) Garbage, recyclable materials, organic materials and yard waste are set out at the collection point no earlier than 8:00 p.m. on the day before collection and no later than 7:00 a.m. on the day of collection; and

   (2) Empty regulation containers and uncollected garbage, recyclable materials, organic materials and yard waste are removed from the collection point no later than 10:00 p.m. on the day of collection.

B. An owner who receives services during a night-time collection period shall ensure that:

   (1) Garbage, recyclable materials, organic materials and yard waste are set out at the collection point no earlier than 6:00 p.m., and no later than 9:00 p.m. on the first day of the night-time collection period; and

   (2) Empty regulation containers and uncollected garbage, recyclable materials, organic materials and yard waste are removed from the collection point no later than 7:00 a.m. on the second day of the night-time collection period.

C. At any time other than a time described in Subsections A and B, owners shall ensure that garbage, recyclable materials, organic materials and yard waste are stored on their premises and contained in a manner that protects same from rodents, vermin, pests and other disturbances.

D. Every owner shall make his or her best efforts to set out garbage, recyclable materials, organic materials and yard waste on each day that the City provides garbage collection services, recycling collection services, organics collection services and yard waste
collection services, as the case may be, and in no case shall an owner fail to set out an item eligible for collection under this chapter for more than one collection period.

E. Notwithstanding subsections A(2) and B(2), owners may keep uncollected yard waste at the collection point, when the General Manager notifies owners that yard waste collection services are continuing past the respective collection period.

Owners of residential properties who receive recycling collection services shall set out the recyclable materials listed in Schedule B to this chapter, loose and free of plastic bags or any other wrapping in the appropriate recycling container.

Owners of household residences and multiple household residences who receive yard waste collection services shall sort and set out yard waste as follows:

A. Plant cuttings, roots, weeds and leaves shall be set out in a yard waste container;

B. Hedge and shrub trimmings, brush cuttings, twigs and branches under 7.5 centimetres in diameter shall be tied in bundles no greater than 1.2 metres in length and 0.6 metre in diameter;

C. Christmas trees shall be set out free of all tinsel, nails, ornaments and plastic bags.

Owners of residential properties who receive organic collection services shall set out organic materials in an organics container, free of plastic containers, twist ties and other contaminants.

A. Owners of specially equipped buildings shall ensure that garbage is packed by means of a stationary compactor unit.

B. The General Manager may require the owner of a specially equipped building to provide appropriate access, storage facilities, compactor equipment, collection locations and facilities for the implementation and/or continued receipt of services.

C. Garbage containers shall be collected from specially equipped buildings as often as may be considered necessary by the General Manager.
§ 844-22. Exemptions.

Notwithstanding anything in this chapter, the General Manager may exempt a person with disability who occupies a dwelling unit with an independent exterior entrance and who does not reside with an able-bodied person from the requirement to set out garbage, recyclable materials, organic materials and yard waste at the designated collection point, provided that the person with disability completes all forms required by the General Manager.

ARTICLE V
Prohibited Acts; Charging Expenses Against Property; Penalties

§ 844-23. Prohibited acts.

No person shall:

A. Place, permit to be placed or permit to remain on or in any street abutting the property which they own or occupy any waste, except as expressly authorized by this chapter;

B. Throw, cast or otherwise deposit or permit any contractor, agent or employee to throw, cast or otherwise deposit any waste whatsoever on or in any street or other public property, except as expressly authorized by this chapter;

C. Pick over, interfere with, disturb, remove or scatter any waste set out for collection unless authorized to do so by the General Manager;

D. Permit any animal owned by him or her or under his or her care or control to pick over, interfere with, disturb, remove or scatter any waste set out for collection;

E. Place waste on public property for collection by a private agency, unless otherwise approved by the General Manager;

F. Deposit waste generated on private property in public street receptacles;

G. Set out any waste for collection unless it is in an appropriate regulation container as specified in this chapter; or

H. Set out any waste in a regulation container that is not in good working order.

§ 844-24. Charging expenses against property.

In this chapter, where any person is directed or required to do any matter or thing within a specified period of time from the delivery of a written notice of non-compliance, in default of its being done by the person directed or required to do it, such matter or thing shall be done at his or her expense, and such expense may be recovered in like manner as municipal taxes.
§ 844-25. Offences; discontinuance of service.

A. Any person who commits an act prohibited under § 844-23 or contravenes any other provision of this chapter is guilty of an offence and upon conviction therefor:

(1) Is liable to a fine of not more than $10,000 for a first offence and $25,000 for any subsequent offence, except that where a corporation is convicted of an offence the maximum penalties shall be $50,000 for the first offence and $100,000 for any subsequent offence; and

(2) Is subject to the discontinuance of any or all services provided for in this chapter until the person demonstrates to the General Manager that he or she is in compliance with this chapter.

B. In the event the General Manager discontinues services in accordance with Subsection A(2), the affected owner shall obtain private collection services during the period in which the services are discontinued, at the same or greater frequency at which the services were provided prior to their discontinuance.

ARTICLE VI
Restrictions on City Collection; Powers and Duties of General Manager

§ 844-26. Restrictions on City collection.

A. The City shall not make collections from, nor return regulation containers to, any location which the General Manager deems unreasonable, inefficient or dangerous to City employees.

B. No City employee shall enter any building, property or part of any building or property for the purpose of removing or returning any regulation container unless otherwise approved by the General Manager.

C. Before any City employee enters a building, property or part of a building or property which the General Manager has approved under Subsection B, the owner shall enter into an agreement with the City to:

(1) Indemnify and keep indemnified the City against all actions, suits, claims and demands which may be brought against or made upon the City and its officers, employees and agents and against all loss, costs, charges, damages or expenses whatsoever which may be incurred, sustained or paid by the City in consequence of any employee of the City entering the building or part of it;

(2) Grant to the City full power and authority to settle any such actions, suits, claims and demands on such terms as the City may consider advisable; and
(3) Covenant and agree with the City to pay to the City on demand all monies paid by
the City pursuant to any such settlement and also such sum as shall represent the
reasonable costs of the City or its Solicitor in defending or settling any such
actions, suits, claims or demands.

The General Manager shall:

A. Determine the frequency and scheduling of the services to be provided under this chapter,
   including the schedule for phasing in organic collection services to all areas of the City;

B. Designate collection points for waste which is eligible for collection;

C. Discontinue or refuse services to an owner whose property is, in the opinion of the
   General Manager, unsafe for entry or egress by persons providing services with respect to
   the physical layout, loading facilities and the method of handling garbage and other waste
   on the property;

D. Where appropriate, require that the owner of a multiple household residence distribute
   information relating to the services to all individual dwelling units within the property;

E. Provide information to the public with respect to the handling and disposal of prohibited
   waste;

F. Provide information and services with respect to the diversion of recyclable materials and
   organic materials from garbage;

G. Designate items to be included in garbage, recyclable materials, organic materials, items
   for which special collection services are provided or yard waste materials, as the case
   may be, and determine how same shall be collected;

H. In the event of inclement weather or other condition which renders the provision of the
   services unsafe, suspend collection services in all or part of the City for a specified period
   of time; and

I. Establish such other things as are necessary for the proper administration of this chapter.

ARTICLE VII
Rates and Rebates

A. An owner of a residential property who receives residential curbside collection shall pay
the applicable residential curbside collection fees based on the quantity and size of
garbage bins used by the residential property as set out in Schedule 1 of Appendix A of
Chapter 441, Fees and Charges.
B. For the first year during which this section is in force, the residential curbside collection fees will be prorated on a daily basis.

C. When the owner of a residential property who receives residential curbside collection requests a garbage bin exchange under § 844-15N, requests an additional garbage bin, or when there is a change in ownership of a residential property, the residential curbside collection fees under Subsection A will be prorated on a daily basis.

D. Despite Subsection A, if an owner of a residential property who receives residential curbside collection uses a specialized in-home compactor to reduce its garbage volume and, as a result, uses a smaller-sized garbage bin, the General Manager reserves the right to increase the residential curbside collection fees for the residential property to a larger-sized garbage bin to compensate for the compaction, as the residential curbside collection fees are based on the collection of un-compacted garbage.

E. The City will bill each owner of a residential property, who receives residential curbside collection, the residential curbside collection fee on the utility bill issued pursuant to Article III of Chapter 849, Water and Sewage Services and Utility Bill.

§ 844-29. Residential bulk collection fees.

A. An owner of a residential property who receives residential bulk collection shall pay the applicable residential bulk collection fees per dwelling unit set out in Schedule 1 of Appendix A of Chapter 441, Fees and Charges, which is based on the garbage container size calculated in accordance with Subsection D.

B. For the first year during which this section is in force, the residential bulk collection fees will be prorated on a daily basis.

C. When a change in ownership of a residential property occurs, the residential bulk collection fees will be prorated on a daily basis.

D. The residential bulk collection fees are based on garbage being un-compacted or compacted to a 3:1 compaction ratio and the equivalent garbage container size between un-compacted garbage and compacted garbage is as set out in the following table:

<table>
<thead>
<tr>
<th>Equivalent Garbage Container Size</th>
<th>Un-Compacted Garbage Set Out Per Month (yd³/dwelling unit/month)</th>
<th>Compacted Garbage Set Out Per Month (yd³/dwelling unit/month)</th>
</tr>

</tr>
<tr>
<td>Extra-large</td>
<td>0.454 – 0.680</td>
<td>0.152 – 0.227</td>
</tr>
</tbody>
</table>
E. Residential properties who receive residential bulk collection that set out garbage in excess of 0.680 cubic yards per dwelling unit per month for un-compacted garbage, or 0.227 cubic yards per dwelling unit per month for compacted waste, shall pay the “extra-large bin” fee per dwelling unit plus the additional per cubic yard charge set out in Schedule 1 of Appendix A of Chapter 441, Fees and Charges.

F. Despite Subsection A, if a residential property who receives residential bulk collection garbage is more densely compacted than a 3:1 compaction ratio and, as a result, uses smaller or fewer garbage containers, the General Manager reserves the right to increase the residential bulk collection fees for the building to compensate for the compaction.

G. The City will bill each owner of a residential property who receives residential bulk collection the residential bulk collection fee on the utility bill issued pursuant to Article III of Chapter 849, Water and Sewage Services and Utility Bill.

§ 844-30. Annual garbage rebates.

A. The City shall rebate to an owner of a residential property who receives residential curbside collection the annual amount of $209 in the form of a credit on the utility bill issued under Article III of Chapter 849, Water and Sewage Services and Utility Bill.

B. The City shall rebate to an owner of a residential property which receives residential bulk collection the annual amount of $157 per dwelling unit in the form of a credit on the utility bill issued under Article III of Chapter 849, Water and Sewage Services and Utility Bill.

C. The rebate amount in Subsections A and B will be prorated based on the appropriate billing frequency as set out in § 849-30 of Chapter 849, Water and Sewage Services and Utility Bill, to reflect the appropriate portion of a full-year rebate amount.

D. If the rebate in Subsections A and B represents a credit on the utility bill as set out in Article VIII of Chapter 849, Water and Sewer Services and Utility Bill, the credit will be applied to any applicable fees related to water and sewage services that appear on the utility bill in accordance with Chapter 849, Water and Sewage Services and Utility Bill.

§ 844-31. Due date.

A. The Deputy City Manager and Chief Financial Officer shall include a due date on the utility bill sent to an owner under Article III of Chapter 849, Water and Sewage Services and Utility Bill, and his or her agent, if applicable, which will designate the date on or before which the amounts in respect of either the residential curbside collection fees or the residential bulk collection fees required to be paid by the owner shall be paid to the City.
B. In the event that the owner or his or her agent, if applicable, fails to pay the amount due on or before the due date, a late payment charge will be applied on either the outstanding residential curbside collection fees or the outstanding residential bulk collection fees, as applicable, to the utility bill as more specifically set out in § 441-5 of Chapter 441, Fees and Charges.

C. The due date shall be set at the discretion of the Deputy City Manager and Chief Financial Officer, but in no event shall it be any sooner than 21 calendar days from the date the bill is issued.

§ 844-32. Garbage tags.

Owners receiving residential curbside collection who are required to use garbage tags pursuant to § 844-10A(2) or § 844-10A(3)(a) shall purchase garbage tags from designated City-run facilities or other authorized distributors of garbage tags, as determined by the General Manager, and at the rate set out in Schedule 1 of Appendix A of Chapter 441, Fees and Charges.
SCHEDULE A TO CH. 844
SPECIAL COLLECTION SERVICES

A. The City shall provide special collection services to owners with respect to the following items:

   (1) Refrigerators;
   (2) Stoves;
   (3) Freezers;
   (4) Air conditioners;
   (5) Dehumidifiers;
   (6) Washing machines;
   (7) Clothes dryers;
   (8) Dishwashers;
