

Authority: Licensing and Standards Committee Item 20.3,
as adopted by City of Toronto Council on April 29 and 30, 2009
Adopted by Council: April 30, 2009

CITY OF TORONTO

BY-LAW No. 492-2009

To amend former City of Toronto Municipal Code Chapter 315, Street Vending, to permit and regulate the erection of wind screens by street vendors.

WHEREAS Council has authorized the erection of wind screens by permitted street vendors, subject to compliance with the regulations of Chapter 315, Street Vending;

The Council of the City of Toronto HEREBY ENACTS as follows:

1. Chapter 315, Street Vending, of the Municipal Code of the former City of Toronto is amended by:
 - A. Adding the following definition in alphabetical order to § 315-1A:

WIND SCREEN — An approved assembly of parts secured to a portable display unit in a manner which allows for temporary entry and exit and consists of break resistant transparent panels with a maximum height of one and eight-tenths (1.8) metres, to be contained within the approved designated area;
 - B. Deleting Subsection 315-6C(4)(b) and replacing it with the following:
 - (b) In the case of a designated area on the sidewalk or boulevard, the portable display unit, not to exceed two and thirty-two (2.32) square metres, including any seat, waste receptacle and wind screen, and a detailed drawing of waste receptacles, food storage areas, wind screen, food heating, food cooling or other equipment associated with the portable display unit as may be required by the Medical Officer of Health;
 - C. Adding the following subsection to § 315-6:
 - F. In the case of a person operating a portable display unit under the authority of a permit issued under § 315-9, that person may submit an application solely for the purposes of adding a wind screen for use in the permitted designated area in accordance with the requirements of this Chapter and provided that notice of the application shall not be required to be given under § 315-9B.

D. Deleting Subsection 315-13A(1) and replacing it with the following

- (1) The permit holder shall display the permit in a manner so that it is clearly visible on the food vending vehicle, the portable display unit or, where the use of a wind screen has been approved, on the wind screen in a manner which permits the permit to be read from the exterior of the screened area, or the work station as the case may be;

ENACTED AND PASSED this 30th day of April, A.D. 2009.
