

Authority: Toronto and East York Community Council Item 25.90,  
as adopted by City of Toronto Council on July 16, 17, 18 and 19, 2013

**CITY OF TORONTO**

**BY-LAW No. 1077-2013**

**To authorize road alterations to Bathurst and Niagara Streets for streetcar loading  
platforms and traffic control signals.**

The Council of the City of Toronto enacts:

1. The following alterations are authorized:
  - A. the installation of streetcar loading platforms on Bathurst Street, north and south of Niagara Street;
  - B. the relocation of the mid-block pedestrian traffic signal on Bathurst Street, 35 metres north of Niagara Street, to the intersection of Bathurst Street and Niagara Street, coincident with the installation of streetcar loading platforms; and
  - C. the designation of a safety zone on the west side of Bathurst Street, immediately north of Niagara Street, and on the east side of Bathurst Street, immediately south of Niagara Street, coincident with the installation of streetcar loading platforms;

all generally as shown on Drawing No. 421G-1043, dated April, 2013, entitled "Streetcar Loading Platforms and Traffic Control Signals - Bathurst Street and Niagara Street", attached to this by-law and on file in the offices of Transportation Services.

Enacted and passed on July 19, 2013.
