9. Public Pedestrian Entrances and Exits

Where any building face is located within 20 metres of a public road allowance, that building face shall contain a public pedestrian entrance and exit to and from the building.

10. Miscellaneous

Prior to the issuance of a Building Permit (pursuant to the Ontario Building Code) for any residential development, as described in this By-law, commercial uses shall be permitted on the lands described on Schedule 'A', attached hereto, subject to the provisions of the Limited Commercial Zone (CL) category and the General Regulations for Commercial Zones of the Etobicoke Zoning Code.

11. Where the provisions of this By-law conflict with the provisions of the Etobicoke Zoning Code, the provisions of this By-law shall apply.

12. Zoning By-law No. 1986-134 of the former City of Etobicoke as it applies to the subject lands is hereby repealed.

13. Section 37 Agreement

The owner of the site shall provide the City of Toronto with the following facilities, services and matters, which would otherwise have been required in the absence of using Section 37 and are secured in the Section 37 agreement because it serves as a convenient legal mechanism.

Public Benefit

The owner of the land will be required to provide the City with a cash contribution in the amount of $266,000.00 to be used for local street improvements, public art, a contribution to the local Business Improvement Area, and local parkland improvements, which contribution shall be provided prior to the issuance of a building permit. Said financial contribution shall be indexed, commencing 2 years from the date of issuance of the OMB Order.

Parkland

The owner will be required to provide a 5 percent cash-in-lieu of parkland dedication payment, as well as an additional parkland payment, to the satisfaction of the Commissioner of Economic Development, Culture and Tourism.

Private Park

The owner will be required to provide an at grade private open space having public access and a minimum area of 1,000 square metres abutting the Dundas Street West frontage.
Transportation Improvements

To accommodate the additional vehicle traffic to be introduced by the subject development, the owner shall be responsible for access modifications to neighbouring properties, intersection improvements, and traffic control signalization.

Private Road

The owner will be required to provide a private road having public access, with said road extending to the westerly limit of the site in order to provide access for the properties located to the west of the subject lands.

Sidewalk and Streetscape Improvements

The applicant agrees to design and construct to the satisfaction of the Commissioner of Urban Development Services and Works and Emergency Services sidewalk and streetscape improvements along its public frontages to current city standards.

School Board Notice

The applicant agrees to provide the Toronto District School Board and the Toronto Catholic District School Board with appropriate notice of its intention to apply for building permits.

The applicant also agrees to install on-site signage and insert warning clauses in offers of purchase and sale, advising purchasers that students may be accommodated outside the area to the satisfaction of the Toronto District School Board.

Environmental Assessment

The applicant is required to satisfy the City with respect to the environmental (soil and groundwater) suitability of the subject site to the satisfaction of the Commissioner of Works and Emergency Services.

Toronto Transit Commission

The applicant agrees to acknowledge that the acquisition of the future TTC easement will be dealt with at site plan; that the development of the site must not preclude the future construction of the subway extension and that the applicant will be required to submit for a TTC technical review at site plan.

Canadian Pacific Railway

The owner will be required to provide the necessary studies to the Canadian Pacific Railway relating to noise and vibration matters, in connection with the location of buildings or structures within 30 metres of the rail lands, including the provision of appropriate warning clauses in all purchase and sale, or lease agreements.
Execution and Registration of Section 37 Agreement

The owner of the Site shall enter into an Agreement with the City of Toronto pursuant to Section 37 of the Planning Act, to secure the facilities, services and matters provided for under subsection (2) herein and such Agreement shall be in a form satisfactory to the City and registered on title to the Site as a first priority, subject only to the fee interest in the Site.

14. Chapter 324, Site Specifics, of the Zoning Code is hereby amended to include reference to this By-law by adding the following to Section 324.1, Table of Site Specific By-laws:
