Authority: Toronto and East York Community Council Item TE23.6, adopted as amended, by City of Toronto Council on April 26, 27 and 28, 2017

CITY OF TORONTO

BY-LAW 1105-2017

To amend former City of Toronto Zoning By-law 438-86 with respect to lands municipally known as 571 to 597 Bloor Street West, 738 to 754 and 760 Bathurst Street, 28 to 34 Lennox Street, 581 to 603 Markham Street and 588 to 610 Markham Street.

Whereas Council of the City of Toronto has the authority pursuant to Section 34 of the Planning Act, R.S.O. 1990, c. P.13, as amended, to pass this By-law to the lands known municipally in 2016 as 571 to 597 Bloor Street West, 738 to 754 and 760 Bathurst Street, 28 to 34 Lennox Street, 581 to 603 Markham Street and 588 to 610 Markham Street; and

Whereas Council of the City of Toronto has provided adequate information to the public and has held at least one public meeting in accordance with the Planning Act; and

Whereas the Official Plan for the City of Toronto contains such provisions relating to the authorization of increases in height and density of development; and

Whereas pursuant to Section 37 of the Planning Act, a by-law under Section 34 of the Planning Act may authorize increases in the height and density of development beyond those otherwise permitted by the by-law and that will be permitted in return for the provision of such facilities, services or matter as are set out in the by-law; and

Whereas subsection 37(3) of the Planning Act provides that where an owner of land elects to provide facilities, services and matters in return for an increase in the height or density of development, the municipality may require the owner to enter into one or more agreements with the municipality dealing with the facilities, services and matters; and

Whereas the owner of the aforesaid lands has elected to provide the facilities, services and matters hereinafter set out; and

Whereas the increase in height and density permitted beyond that otherwise permitted on the aforesaid lands by By-law 438-86, as amended, are to be permitted in return for the provision of the facilities, services and matters set out in this By-law which are secured by one or more agreements between the owner of the land and the City of Toronto; and

Whereas the Council of the City of Toronto has required the owner of the aforesaid lands to enter into one or more agreements for the provision of certain facilities, services and matters in return for the increases in height and density permitted by this by-law; and

Whereas Council of the City of Toronto has provided adequate information to the public and has held at least one public meeting in accordance with the Planning Act;

The Council of the City of Toronto enacts:

1. Pursuant to Section 37 of the Planning Act, the heights and density of development permitted by this By-law on the lands shown on Map 1 of this By-law are permitted subject to compliance with conditions set out in this By-law, and in return for the provision by the owner of the lands shown on Map 1, excluding the lands labelled G, of
the facilities, services and matters set out in Schedule A hereof, the provision of which shall be secured by one or more agreements with the City pursuant to Section 37(3) of the Planning Act.

2. District Map No. 49H-323 contained in Appendix "A" of By-law 438-86, as amended, is further amended by redesignating the lands shown as 'G' on Map 1 attached and forming part of this By-law from "CR" to "G".

3. Upon execution and registration of one or more agreements between the City and the owner of the lot on title to the lot pursuant to Section 37 of the Planning Act, securing the provision of the facilities, services and matters set out in Schedule A hereof, the lands identified on Map 1 are subject to the provisions of this By-law, provided that in the event the said agreement(s) requires the provision of a facility, service or matter as a precondition to the issuance of a building permit or a permit issued pursuant to the Ontario Heritage Act, such building may not be erected or used until the owner of the lands identified on Map 1 has satisfied the said requirement or precondition.

4. Wherever in this By-law a provision is stated to be conditional upon the execution and registration of an agreement(s) entered into with the City pursuant to Section 37 of the Planning Act, then once such agreements(s) has been executed and registered, such conditional provisions shall continue to be effective notwithstanding any subsequent release or discharge of all or any part of such agreement.

5. Except as otherwise provided herein, the provisions of this By-law 483-86, as amended, shall continue to apply to the lot.

6. None of the provisions of Section 2(1) with respect to the definition of the terms, bicycle parking space, grade, height, lot, non-residential gross floor area, residential gross floor area, residential amenity space and Section 4(2), 4(3), 4(4)(b), 4(4)(d), 4(4)(h), 4(4)(i), 4(4)(l), 4(6), 4(12), 4(13), 4(14), 4(16), 8(1), 8(2), 8(3), 12(2)33, 12(2)270 and 12(2)317 of general Zoning By-law 438-86 of the former City of Toronto, being "A by-law to regulate the use of land and the erection, use, bulk, height, spacing of and other matters relating to buildings and structures and to prohibit certain uses of lands and the erection and use of certain buildings and structures in various areas of the City of Toronto", as amended, shall apply to prevent the erection and use of mixed use buildings, an outdoor open air market and a commercial parking garage on the lot, provided:

(a) the lot consists of at least those lands delineated by heavy lines on Map 1 attached to and forming part of this By-law, excluding those lands labelled G;

(b) the total gross floor area of all buildings and structures on the lot shall not exceed 78,450 square metres, provided a maximum of 60,550 square metres may be occupied by residential uses;

Residential Uses

(c) a minimum of 40 percent of the total dwelling units on the lot will contain two or three bedrooms in accordance with Schedule A hereof; and
(d) a minimum of 10 percent of the total number of dwelling units on the lot will contain three or more bedrooms in accordance with Schedule A hereof and a minimum of 20 percent of the total number of dwelling units on the lot will contain two bedrooms in accordance with Schedule A hereof;

Commercial Uses

(e) The following uses are permitted on the lot:

(s) The minimum number of parking spaces as required in the table above is determined as follows:

(i) for each of the morning, afternoon and evening parking periods identified in the table above, the minimum number of parking spaces required for each use, is calculated using the respective parking space rate and occupancy rate;

(ii) the minimum number of parking spaces required for each parking period is the total of the parking spaces required for all uses during that parking period; and

(iii) the minimum number of parking spaces required is equal to the largest number of parking spaces required for any parking period.

(t) notwithstanding subsection (r), no parking spaces are required for uses operated in connection with an outdoor open air market, restaurants and take-out restaurants;

(u) for each car-share parking space provided, the minimum number of parking spaces for residents required by regulation (q) above may be reduced by four parking spaces, up to a maximum reduction as calculated by the following formula: \(4 \times \left(\frac{\text{the total number of dwelling units}}{60}\right)\), rounded down to the nearest whole number;

(v) the parking spaces required pursuant to subsection (r) above may be provided on a non-exclusive basis and may be provided in a commercial parking garage;

(w) required parking spaces shall be located on the lot and may be located on any or all of the lands municipally known as 756 and 758 Bathurst Street in the year 2016;
all parking spaces shall be located below finished ground level;

if the calculation of the required number of parking spaces results in a number with a fraction, the number is rounded down to the nearest whole number;

a room or enclosed area, including its enclosing walls within a building that is used exclusively for heating, cooling, ventilation, electrical, fire emergency stairwells, elevator shafts, atriums, utility areas, storage areas below finished ground level, parking space or loading space, or a drive aisle used to access a parking space or a loading space, is not included in the gross floor area for the purpose of calculating parking space requirements;

the requirements of Section 4(17) of By-law 438-86, as amended, shall apply with the exception that:

up to a maximum of 15 percent of the total number of parking spaces provided may have the following minimum dimensions, notwithstanding that such parking spaces are obstructed on one or two sides in accordance with Section 4(17)(e) of By-law 438-86, as amended: and

1. Length – 5.6 metres;
2. Width – 2.6 metres; and
3. Height – 2.0 metres;

provided that the total number of parking spaces which are obstructed on two sides and provided with minimum dimensions in accordance with (i) above, is no more than 5 percent of the total number of provided parking spaces;

bicycle parking spaces shall be provided and maintained on the lot in accordance with the following minimum standards:

For dwelling units: 0.9 bicycle parking spaces for each dwelling unit, allocated as long term bicycle parking spaces and 0.1 bicycle parking spaces for each dwelling unit allocated as short term bicycle parking spaces; and

For non-residential uses: 0.2 bicycle parking spaces for each 100 square metres of interior floor area allocated as long term bicycle parking spaces and 3 plus 0.3 bicycle parking spaces for each 100 square metres of interior floor area allocated as short term bicycle parking spaces.

SCHEDULE A

Section 37 Provisions

The facilities, services and matters set out below are required to be provided by the owner at their expense to the City in accordance with one or more agreements pursuant to section 37(3) of the Planning Act, in a form satisfactory to the City with conditions providing for indexing escalation of both the financial contributions and letters of credit, development charges, indemnity, insurance, GST, HST, termination and unwinding, and registration and priority of agreement in return for the increase in height of the proposed development on the lands as shown on Map 1 of this By-law and as secured in an agreement or agreements under Section 37(3) of the Planning Act whereby the owner agrees as follows:

1. Prior to the issuance of the first above-grade building permit and subject to the City obtaining funding for an investment in affordable housing for the lot, the owner shall enter into a contribution agreement with the City to design, construct, provide, maintain and contribute to the provision and maintenance of sixty (60) new affordable rental housing dwelling units on the lot at a value of at least $4,000,000.00 from the owner, with terms in accordance with such contribution agreement, including that the average monthly rents of such sixty (60) units shall be at or below 80 percent of the CMHC rents for a period of twenty-five (25) years inclusive of a 5 year phase-out period from first occupancy of each such unit as affordable rental housing in accordance with such contribution agreement, all to the satisfaction of the Director, Affordable Housing Office, the Chief Planner and Executive Director, City Planning and the City Solicitor. And the owner shall thereafter provide such affordable rental housing dwelling units in accordance with the contribution agreement entered into with the City.

2. In the event the City does not obtain funding for an investment in affordable rental housing for the lot as required in clause 1 of this Appendix, the owner shall in any event provide and maintain on the lot at least 19 new affordable rental housing dwelling units distributed throughout the lot and comprising at least the greater of a total of 1,038 square metres or 1.7 percent of the total residential gross floor area erected on the lot, with rents not exceeding the CMHC Rent for at least 25 years, inclusive of a 5 year phase-out period comprised of the following:

   (a) at least 6 bachelor units, which shall have a minimum size of at least 39.5 square metres;
   (b) at least 6 one-bedroom units having a minimum size of at least 48.8 square metres;
   (c) at least 5 two-bedroom units having a minimum size of at least 67.4 square metres; and
   (d) at least 2 three-bedroom units having a minimum size of at least 85.9 square metres, such provision by the owner having a value of at least FOUR MILLION DOLLARS ($4,000,000.00), subject to upwards indexing.
3. **The owner** shall offer all new *affordable rental dwelling units* for rent proportionately with the offering of the new *dwelling units* once the *owner* has rented 75 new *dwelling units* on the *lot* or in the case of units required under a contribution agreement as set out in clause 1 above, in the event of any conflict with the contribution agreement, such units shall be offered commencing in accordance with the timing set out in such Contribution Agreement.

4. The tenants of the new *affordable rental dwelling units* shall have access to all indoor amenity space and outdoor amenity space, and other common areas located on the lot. There shall be no cost to tenants to reserve amenity space for tenant meetings. Reasonable and customary costs may be charged to reserve or pre-book amenity space and which shall be on the same basis as other residents of the lot, subject to car parking and visitor car parking which may have charges.

5. Prior to *site plan approval* for all or any part of the *lot*, the *owner* shall provide to the satisfaction of the Chief Planner and to the Director, Affordable Housing Office, the proposed unit layouts and floor plans for any areas of buildings that provide or relate to the provision of the new *affordable rental dwelling units* required in clauses 1 and 2 above.

6. The *owner* shall enter into a memorandum of understanding with the City setting out the range of options and funding opportunities to be pursued by the City and the *owner* to seek to achieve a target of up to 20 percent of the total number of new *dwelling units* erected on the *lot* as *affordable rental housing*.

7. All of the *residential gross floor area* erected on the *lot* shall comprise and be maintained as *rental housing* for at least a continuous period of twenty-five (25) years commencing on the date the final new purpose-built rental dwelling unit in the final building to be constructed is occupied; during which time period no application shall be made to convert any *dwelling unit* to any non-*rental housing* purpose including that no application shall be made to register any *dwelling unit* under the *Condominium Act* or for any other form of ownership tenure, or to demolish any *rental housing* unit without replacement as *rental housing* on the *lot*.

At such time as the twenty-five (25 year) rental period has expired, the *owner* shall continue to provide and maintain the *rental housing* as *rental housing* until the *owner* has applied for and obtained final approval of:

(a) a zoning by-law amendment to amend the zoning for the *lot* to delete the requirement that the *rental housing* be provided and maintained as *rental housing*;

(b) an official plan amendment and zoning by-law amendment to amend any other applicable policies and provisions which are in force and effect at that time which might otherwise prevent the conversion or demolition of such *rental housing*;

(c) permission under any other applicable by-law(s) and statute(s) which restrict or regulate the demolition or conversion of *rental housing*; and
(d) a description respecting the building on the lot on which the rental housing dwelling units are erected, in the case of condominium registration being sought.

8. The owner shall provide and maintain on the lot, a minimum of:

(a) 10 percent of the total number of residential units erected on the lot as three-bedroom dwelling units;

(b) 20 percent of the total number of residential units as two-bedroom dwelling units; and

(c) 40 percent of the total number of residential units as two and three bedroom dwelling units.

all to the satisfaction of the Chief Planner and Executive Director, City Planning.

9. The owner will provide and maintain on the lot and/or on adjacent lands, a non-profit community and/or cultural space in a location satisfactory to the General Manager, Parks, Forestry and Recreation, finished to a shell condition, and leased for a term acceptable to the City at nominal cost to the City, having a size of at least 325.2 square metres, with direct access from a public right-of-way and/or Publicly-Accessible Privately Owned Space and/or publicly accessible pedestrian walkway fronting parkland, at a value of at least ONE MILLION DOLLARS ($1,000,000.00) subject to upwards indexing, prior to the issuance of the first above-grade building permit.

Alternatively, should the City in its sole discretion elect in writing to the owner to require, the owner shall pay to the City prior to the issuance of the first above-grade building permit the sum of ONE MILLION DOLLARS ($1,000,000.00) in lieu of the provision of such non-profit community and/or cultural space within the approved development, such payment to be used towards community and/or cultural space in the vicinity of the lot.

10. The owner shall provide the following, to the satisfaction of the General Manager, Transportation Services, the Executive Director, Engineering and Construction Services, the Director, Real Estate Services, the Chief Planner and Executive Director, City Planning, and the City Solicitor, in consultation with the Ward Councillor:

(a) prior to site plan approval, the owner shall submit a plan detailing improvements to the public realm to be implemented in support of the development permitted by this By-law, which will include, but not be limited to, details regarding hard and soft landscaping, paving and curbing details, sidewalk treatment, outdoor seating, and cycling facilities, and Toronto Transit Commission bus/streetcar shelters, located on both public and private lands;

(b) the plan required in clause 10(a) above shall include a streetscape improvement plan for Markham Street between Lennox Street and Bloor Street West. The streetscape improvements will be to an enhanced standard beyond the City's
typical streetscape design guidelines in the immediate vicinity of the lot, in the area identified as Markham Street, between Lennox Street and Bloor Street West;

(c) the owner shall construct the approved improvements required in clauses 10(a) and (b) above by no later than the date that is two years following the first residential or commercial use or occupancy on the lot, subject to extensions, if any as are satisfactory to the Chief Planner and Executive Director, City Planning, for seasonality;

(d) the owner shall maintain all improvements required in clause 10(a) above that are located on private property and the owner shall maintain all improvements required in clause 10(b) above;

(e) prior to the issuance of the first above-grade building permit, the owner shall provide an upwardly indexed letter of credit to the City in the amount of the cost of all works required in clause 10(a) above; and

(f) prior to the issuance of the first above-grade building permit, the owner shall provide an upwardly indexed letter of credit to the City in the amount of $500,000.00, upwardly indexed, as security for the completion of the approved enhanced streetscape improvements required in clause 10(b) above;

(g) no later than 18 months following the first use or occupancy of a unit, building or portion thereof on the lot after the date of enactment of this By-law, the owner will convey to the City for nominal consideration, free and clear of encumbrances other than those approved by the Chief Planner and Executive Director, City Planning and the City Solicitor, to be provided and maintained at the owner’s expense and the specific location, configuration and design to be determined to the satisfaction of the Chief Planner and Executive Director, City Planning prior to the earlier of the issuance of any site plan approval pursuant to Section 114 of the City of Toronto Act, 2006, and the issuance of any above-grade building permit, the following easements with provision for rights of support if necessary, and insurance and indemnification of the City by the owner, requiring that the owner shall own, operate, maintain and repair the Publicly-Accessible Privately Owned Space and the East-West Link., and the owner shall install and maintain a centralized sign on the proposed Publicly-Accessible Privately Owned Space, at its own expense, generally in accordance with the City of Toronto Publicly-Accessible Privately Owned Space Urban Design Guidelines. Members of the public shall be entitled to use the Publicly-Accessible Privately Owned Space and the East West Link 365 days a year, subject to temporary closures on terms and conditions being satisfactory to the Chief Planner and Executive Director, City Planning and the City Solicitor, in consultation with the Ward Councillor:

i. Publicly-Accessible Privately Owned Space easement over the proposed re-designed and privately-owned Honest Ed's Alley in the event of the closing and sale to the owner by the City of the existing public lane known on the date of enactment of this By-law as Honest Ed's Alley, to provide a privately owned publicly accessible open space (the "POPS") for use by
the City of Toronto and the general public, and to provide within the area subject to the POPS easement a publicly accessible walkway having a minimum width of at least 2.1 metres for use by the City of Toronto and the general public, which easement shall include provisions for rights of support if necessary, insurance and indemnification of the City by the owner, and maintenance and repairs by the owner, all to the satisfaction of the Chief Planner and Executive Director, City Planning, and the City Solicitor, in consultation with the Ward Councillor; and

ii. In addition, a public access easement shall be conveyed to the City over the area comprising the proposed East-West Link, identified on Reference Plan 66R29394 as Parts 12, 16 and 21.

(h) the owner will provide public art on the lot in publicly accessible areas including, without limitation, exterior publicly accessible areas (public sidewalks, exterior walls or other building elements), provided such areas are clearly visible at all times from publicly accessible areas, to a minimum value of $500,000.00, subject to upwards indexing, to be secured by way of an indexed letter of credit in the amount of $500,000.00 provided by the owner to the City prior to the issuance of the first above-grade building permit. Prior to the issuance of the first above-grade building permit, the owner will submit a public art budget and a plan detailing the possible locations of any public art installations on the lot, to the satisfaction of the Chief Planner and Executive Director, City Planning, in consultation with the Ward Councillor;

(i) prior to issuance of the first above-grade building permit, the owner shall submit a Wind Study, satisfactory to the Chief Planner and Executive Director, City Planning, including wind tunnel analysis, which identifies recommendations for the pedestrian realm and the outdoor areas of the podiums to mitigate wind impacts year-round, and the owner shall implement and maintain in support of the development all recommended mitigation measures to the satisfaction of the Chief Planner and Executive Director, City Planning;

(j) the owner shall at its expense design and construct, at no cost to the City, improvements to the Lennox Street and Bathurst Street intersection intended to facilitate left turn movements, as identified in the Urban Transportation Considerations Report dated May 2016, prepared by BA Group, or such other improvements of equal or lesser value, all to the satisfaction of the General Manager, Transportation Services. The details and timing for such work shall be secured at the time of the first site plan approval for all or any part of the lot, with financial security to secure such work to be provided to the City prior to the issuance of the first above-grade building permit, all to the satisfaction of the General Manager, Transportation Services. The owner's obligation to construct such improvements is subject to receiving the necessary permission from the City to access the right of way, subject to the usual City requirements for insurance and indemnities;
(k) prior to any use of the proposed building at the south west corner of Markham Street and Bloor Street West, the owner will design, construct, provide and thereafter maintain a below-grade pedestrian connection beneath Markham Street, at its sole expense, and will be responsible for any and all costs related to the relocation of any underground utilities to facilitate the connection, and will provide the City with an indemnity, satisfactory insurance, a security in the form of letters of credit related to the construction and ongoing maintenance of the connection, all to the satisfaction of the General Manager, Transportation Services;

(l) the owner will enter into an agreement with the City to secure, at the sole cost of the owner, the design, construction, and ongoing maintenance of the pedestrian tunnel underneath Markham Street in clause 10(k). above, to the satisfaction of the General Manager, Transportation Services;

(m) the owner shall design and construct, at no cost to the City, any required improvements to municipal infrastructure identified in the Functional Servicing and Stormwater Management Report, prepared by Cole Engineering, signed and sealed December 19, 2016, to the satisfaction of the Executive Director, Engineering and Construction Services and the General Manager, Transportation Services, with the timing for the completion of such improvements, which may be completed on a phased basis to the satisfaction of the Executive Director, Engineering and Construction Services, and the General Manager, Transportation Services, to be determined prior to any final site plan approval;

(n) prior to the issuance of the first above-grade building permit, the owner will submit plans detailing the location of the proposed Neighbourhood Energy Facility, to the satisfaction of the Chief Planner and Executive Director, City Planning and other necessary City officials, in consultation with the Ward Councillor;

(o) prior to the commencement of any excavation and shoring work, the owner will submit a Construction Management Plan, to the satisfaction of the Chief Planner and Executive Director, City Planning, the General Manager, Transportation Services, and the Chief Building Official and Executive Director, Toronto Building, in consultation with the Ward Councillor, and thereafter shall implement the plan during the course of construction. The Construction Management Plan will include, but not be limited to, the size and location of construction staging areas, location and function of gates, information on concrete pouring, lighting details, construction vehicle parking and queuing locations, refuse storage, site security, site supervisor contact information, a communication strategy with the surrounding community, and any other matters requested by the Chief Planner and Executive Director, City Planning, the General Manager, Transportation Services, in consultation with the Ward Councillor;
