CITY OF TORONTO

BY-LAW 1270-2018

To designate properties in the Creative Co-location Facilities subclass for the Commercial, Commercial Residual and the Industrial property tax classes in 2018.

Whereas the City has opted to have the optional creative co-location facilities subclasses apply within the city for the commercial, commercial residual and industrial property tax classes; and

Whereas City Council delegated authority to the General Manager Economic Development and Culture to evaluate and approve applicant properties for eligibility in the subclasses; and

Whereas City Council must enact a by-law defining the subclasses by identifying the properties that have successfully met the eligibility criteria for inclusion in the subclass; and

Whereas the City Solicitor has been delegated authority to submit bills to City Council to give effect to the General Manager's determination;

The Council of the City of Toronto enacts:
