

Authority: Item TE2.59, adopted as amended, by Toronto and East York Community Council on January 15, 2019

CITY OF TORONTO

BY-LAW 7-2021

To authorize the alteration of Pendrith Street, between Shaw Street and Christie Street, by the installation of speed humps.

Whereas a traffic calming poll of households on Pendrith Street, between Shaw Street and Christie Street, was conducted and, although the poll did not satisfy the polling criteria for the installation of speed humps pursuant to the City's Traffic Calming Policy, Toronto and East York Community Council deems it appropriate to undertake the installation of speed humps on Pendrith Street, between Shaw Street and Christie Street;

The Toronto and East York Community Council enacts:

1. The alteration of Pendrith Street, between Shaw Street and Christie Street, by the installation of four speed humps, generally as shown on Drawing 421G-2789 dated December 2017 attached to this By-law, is authorized.

Enacted and passed on January 12, 2021.
